Recasting European Welfare States:

Recasting European Welfare States Maurizio Ferrera, Martin Rhodes, 2000 Presents recent research on the recasting of European welfare states resulting from the European Forum on Welfare States held at the European University Institute in Florence during 1998 99 Offers comparative analysis of topical issues and in depth studies of changes in the major European countries Analyzes the impact of retrenchment and reform and adds to ongoing debates about policy convergence trade offs of innovation cost savings and equity Ferrera teaches public policy and administration at the University of Pavia and directs the Center for Comparative Political Research at Bocconi University Italy Rhodes teaches European public policy at the European University Institute Italy Distributed by ISBS Annotation copyrighted by Book News Inc Portland OR **Special Issue on Recasting European Welfare States**, 2000 West European Politics, 2000 *The Future of European Welfare States* Maurizio Ferrera, 2011 *Changing Welfare States* Anton Hemerijck, 2013 *Changing Welfare States* is a major new examination of the wave of social reform that has swept across Europe over the past two decades In a comparative fashion it analyses reform trajectories and political destinations in an era of rapid socioeconomic restructuring including the critical impact of the global financial crisis on welfare state futures The book argues that the overall scope of social reform across the member states of the European Union varies widely In some cases welfare state change has been accompanied by deep social conflicts while in other instances unpopular social reforms received broad consent from opposition parties trade unions and employer organizations The analysis reveals trajectories of welfare reform in many countries that are more proactive and reconstructive than is often argued in academic research and the media Alongside retrenchments there have been deliberate attempts often given impetus by intensified European economic integration to rebuild social programs and institutions and thereby accommodate welfare policy repertoires to the new economic and social realities of the 21st century Welfare state change is work in progress leading to patchwork mixes of old and new policies and institutions on the lookout perhaps for greater coherence Unsurprisingly that search process remains incomplete resulting from the institutionally bounded and contingent adaptation to the challenges of economic globalization fiscal austerity family and gender change adverse demography and changing political cleavages The Politics of Post-Industrial Welfare States Klaus Armingeon, Giuliano Bonoli, 2007-01-24 This new study assesses the welfare state to ask key questions and draw new conclusions about its place in modern society It shows how the welfare states that we have inherited from the early post war years had one main objective to protect the income of the male breadwinner Today however massive social change in particular the shift from industrial to post industrial societies and economies have resulted in new demands being put on welfare states These demands originate from situations that are typical of the new family and labour market structures that have become widespread in western countries since the 1970s and 1980s characterised by the clear prevalence of service employment and by the massive entry of women in the labour market Against this background this book presents a precise

and clear definition of new social risks A concept being increasingly used in welfare state literature focuses on the groups that are mostly exposed to new social risks women the young the low skilled in order to study their political behaviour assesses policymaking processes that can lead to successful adaptation It covers key areas such as child care care for elderly people adapting pensions to atypical career patterns active labour market policies and policy making at the EU level This book will be of great interest for all students and scholars of politics sociology and the welfare state in particular

Europe's New State of Welfare Jørgen Goul Andersen, 2002-11-27 This book challenges the underlying presupposition that regular employment is the royal road to inclusion Drawing on original empirical research it investigates the inclusionary and exclusionary potentials of different types of work including activation programmes **The Transformation of Welfare States?** Nick Ellison, 2006-04-07 Globalization institutions and welfare regimes The challenge of globalization Globalization and welfare regime change Towards workfare changing labour market policies Labour market policies in social democratic and continental regimes Population ageing GEPs and changing pensions systems Pensions policies in continental and social regimes Conclusion welfare regimes in a liberalizing world **The Welfare State Reader** Christopher Pierson, Francis G. Castles, 2006-11-28 Includes 20 selections reflecting the thinking and research in welfare state studies these readings are organized around a series of debates on welfare regimes globalization Europeanization demographic change and political challenges **Social Citizenship and Workfare in the United States and Western Europe** Joel F. Handler, 2004-04-29 This book compares workfare policies in the United States and active labor policies in Western Europe that are aimed primarily at the long term unemployed unemployed youth lone parents immigrants and other vulnerable groups often referred to collectively as the socially excluded The Europeans maintain that workfare is the best method of bringing the socially excluded back into mainstream society Although there are differences in terms of ideology and practice Joel F. Handler argues that there are also significant similarities especially field level practices that serve to exclude those who are the least employable or lack other qualifications that agencies favor The author also examines strategies for reform including protective labor legislation the Open Method of Coordination the reform of social and employment services and concludes with an argument for a basic income guarantee which would not only alleviate poverty but also provide clients with an exit option **Social Policy Developments in Greece** Elias Mossialos, 2017-05-15 In recent years there has been much debate surrounding the future of the welfare state in Europe the complex factors influencing reform and the extent to which responses to pressures on welfare could lead to irreversible systemic changes in social policy By providing an in depth analysis of social policy developments in Greece this work furthers understanding of welfare reform trajectories in Europe The authors thoroughly examine aspects of structural change challenges and responses in major policy areas of employment social security family and gender health and social care and migration Research issues central to the debate on recasting European welfare states such as structural adjustments with regard to the production organization and delivery of welfare

significant changes in the financial side of social protection the role of political parties the social partners and other major social actors in influencing or resisting policy reform are at the forefront of the contributions to this volume The scope and intensity of pressures on the Greek welfare state emanating from the supranational level and the challenges linked to European integration and economic and monetary union are also of crucial importance in the analyses undertaken The Swiss Labyrinth Jan-Erik Lane, 2013-10-23 It can be argued that Switzerland has a peculiar set of political institutions for example decentralized federalism active referendum democracy and La formule magique grand coalition This volume focuses upon the political and social outcomes of these institutions in the 1990s **Reconfiguring European States in Crisis** Desmond King, Patrick Le Galès, 2017-02-16 Reconfiguring European States in Crisis offers a ground breaking analysis by some of Europe's leading political scientists examining how the European national state and the European Union state have dealt with two sorts of changes in the last two decades Firstly the volume analyses the growth of performance measurement in government the rise of new sorts of policy delivery agencies the devolution of power to regions and cities and the spread of neoliberal ideas in economic policy The volume demonstrates how the rise of non state controlled organizations and norms combine with Europeanization to reconfigure European states Secondly the volume focuses on how the current crises in fiscal policy Brexit security and terrorism and migration through a borderless European Union have had dramatic effects on European states and will continue to do so *Regional Comparisons in Comparative Policy Analysis Studies* Iris Geva-May, B. Guy Peters, Joselyn Muhleisen, 2020-06-29 Volume Three of the Classics of Comparative Policy Analysis contains chapters concerned with Regional Comparisons and Policy Analysis one of the most prevailing approaches in comparative public policy Through the prism of inter jurisdiction comparisons of similarities and variations they address comparisons in specific policy sectors governance or institutional constructs and political regimes The foci are nevertheless on those comparisons between countries or regions which help to lesson draw by identifying and understanding the variation in policy analysis and policy making that exists within or across regions One benefit of regional comparisons is that it often allows studies to hold constant many variables ranging from colonial legacy to federal systems or from language to specific traditions and more effectively isolate dependent variables Regional organizations like the Organization for Economic Co operation and Development OECD or European Union are also considered as catalysts for regional policy approaches and harmonization and occupy a major role in this volume The chapters address a broad and diverse number of countries and geographical areas Latin America North America East Asia Southeast Asia Southern Africa the Baltic states the Nordic states Western Europe Central Europe Eastern Europe and Europe as a whole Regional Comparisons and Policy Analysis will be of great interest to scholars and learners of public policy and social sciences as well as to practitioners considering what can be learned or facilitated through methodologically and theoretically sound approaches The chapters were originally published as articles in the Journal of Comparative Policy Analysis which in the last two decades has pioneered the development of

comparative public policy The volume is part of a four volume series the Classics of Comparative Policy Analysis including Theories and Methods Institutions and Governance Regional Comparisons and Policy Sectors Each volume showcases a different new chapter comparing domains of study interrelated with comparative public policy political science public administration governance and policy design authored by the JCPA co editors Giliberto Capano Iris Geva May Michael Howlett Leslie A Pal and B Guy Peters
