Receive All God Has To Give

Jonathan Edwards

Receive All God Has To Give:

As a Child: God's Call to Littleness Phil Steer, 2012-04-22 Beautifully written and produced Packed full of thought provoking truths A good devotional read or for anyone with a busy schedule Part serialised in Quiet Spaces the prayer and spirituality journal from BRF Jesus said I tell you the truth unless you change and become like little children These are radical words potentially life changing words Yet how many of us truly believe that we need to become like little children What might be the implications for our life and faith As a Child is an exploration of this call to childlikeness this call to littleness a call made not to children but to adults not to those who are naturally childlike but to those who have grown out of their childlike nature It is a book for all who desire to grow in their faith to enter into all that God has for us to live the life God wants us to live and to be the people God wants us to be For all are willing to respond to Jesus call and become like a little child

Lessons in the Small Catechism of Dr. Martin Luther Martin Luther, George Mezger, 2022-06-02 In Lessons in the Small Catechism of Dr Martin Luther the anthology presents a deep dive into the theological and pedagogical insights of one of Protestantism's foundational figures The collection navigates the intricacies of Christian doctrine as distilled in Luther's Small Catechism opening layers of interpretation through diverse literary styles ranging from exegetical commentary to poetic reflection The anthology's remarkable divergence yet cohesive thematic focus draws readers into a broad yet unified exploration of faith education and devotion Standout pieces challenge conventional readings providing new insights without losing the reverence and authority Luther's work commands The anthology's contributors prominently featuring pieces by Martin Luther himself and George Mezger offer a rich tapestry of interpretations that underscore the historical and cultural contexts of Reformation theology The intersection of Luther's doctrinal clarity and Mezger's interpretative expansions reveal a dialogue that captures a pivotal moment in religious history Collectively the voices within this volume highlight the catechism's role in shaping Protestant educational and liturgical practices Their contributions not only accentuate the ongoing relevance of Reformation thought but also invite theological inquiry and reflection This collection serves as an invaluable resource for readers seeking a nuanced understanding of Lutheran doctrine and its theological heritage It presents a multi-dimensional platform for engaging with the spiritual educational and interpretive traditions stemming from one of Christianity's pivotal epochs Scholars theologians and readers interested in the crossroads of history and faith will find Lessons in the Small Catechism of Dr Martin Luther an indispensable volume that deepens one's appreciation for the complexities and synergies within Lutheran catechetical instruction fostering a vibrant dialogue across time and belief

Square 1 Demetris Prewitt,2023-03-10 Countless academic studies Christian leaders and personal experience show a startling and disturbing fact about the church most Christians do not understand their faith Square 1 Bible Study for Christian Foundations explains clearly what the Bible teaches why Christians believe it and how to walk with Jesus The book brings foundational biblical doctrine to life through plain language thought provoking images and challenging application questions for group discussion The purpose of the book is to provide a biblical foundation for the Christian faith worldview and lifestyle So what makes it different Everything starts with God s nature character and attributes Its pages are visually stimulating with color imagery The book does not begin assuming the reader has high biblical literacy or holds Christian worldview and is therefore laced with Christian apologetics Square 1 treats 21st century topics like identity human rights and sexuality as foundational for believers to understand their faith The book tackles end times and the new creation with unbelievable clarity Square 1 is a masterful blend of theological philosophical pastoral apologetical and biblical material At the end of this study the reader should be able to walk out the Christian life in the power of the Holy Spirit in expectation of Christ s return to the praise and glory of the Father They will also be capable of understanding explaining and defending the central claims of Christianity which is the good news of Jesus Christ Square 1 is systematic theology for anybody
