Receiving The Bible In Faith Historical And Theological Exegesis:

Receiving the Bible in Faith David M. Williams, 2004-09 The book should prove helpful to students as an overview of some of the issues involved while more advanced readers will appreciate its analysis of recent scholars as well the attempt to integrate and adapt their insights

Introducing Theological Interpretation of Scripture Daniel J. Treier, 2008-07-01 Theological interpretation of Scripture is a growing trend in biblical interpretation with an emphasis on the contexts of canon creed and church This approach seeks to bridge the gap between biblical studies and theology which grew wide with the ascendancy of critical approaches to Scripture *Introducing Theological Interpretation of Scripture* is the first clear systematic introduction to this movement for students The book surveys the movement's history themes advocates and positions and seeks to bring coherence to its various elements Author Daniel Treier also explores what he sees as the greatest challenges the movement will have to address as it moves into the future This helpful book is appropriate for pastors and lay readers interested in biblical interpretation

Ressourcement after Vatican II Nicholas J. Healy, Jr., Matthew Levering, 2019 Beginning with a personal recollection of the achievements of Joseph Fessio S J this work includes twelve essays by theologians who acknowledge a debt to Father Fessio and Ignatius Press The writers treat a variety of topics including the Church the liturgy the interpretation of Scripture and the development of doctrine representing the interests of Father Fessio and the books he has published The essays touch upon the major twentieth century figures who influenced Father Fessio such as Hans Urs von Balthasar Louis Bouyer Henri de Lubac Joseph Ratzinger and Josef Pieper From its founding by Father Fessio in 1978 Ignatius Press has translated and printed works by these great thinkers and writers in order to make their contributions to the Church available to English speaking Catholics

Biblical Exegesis, Third Edition John H. Hayes, Carl R. Holladay, 2007-03-19 John Hayes and Carl Holladay have thoroughly revised and expanded this best selling textbook adding new chapters on emerging methods of interpretation and the use of computer technology for exegesis All bibliographies have been updated and Scripture has been converted to the NRSV This new edition retains the features of the early editions a minimum of technical terms solid introductory guidelines in exegetical methods and a valuable presentation of exegetical theory and practice It is ideal for general introductory exegesis courses introductions to the Old and New Testaments and introduction to preaching as well as for pastors and lay leaders

The Oxford Handbook of Catholic Theology Lewis Ayres, Medi Ann Volpe, Thomas L. Humphries (Jr.), 2019 This Handbook provides an introduction to all the major aspects of Catholic theology As well as covering basic topics of doctrine and moral theology the book considers some of Catholic theology's most important sources between 200 and 1870 and all the main movements and developments in Catholic theology since 1870

Between Apocalypse and Eschaton Joseph S. Flipper, 2015-05-01 *Between Apocalypse and Eschaton* argues that eschatology is the key to de Lubac's theological project and critical to understanding the nouvelle theologie the group of theologians with whom de Lubac was associated While much recent focuses on the

controversies over the supernatural this work returns to an often neglected aspect of de Lubac's work and examines it in the wider historical political and theological context of war torn twentieth century Europe which critically shape the meaning of the end

Critical Meaning of the Bible, The Brown, Raymond E., PSS, The word of God is living and active sharper than any two edged sword piercing to the division of the soul discerning the thoughts of the heart So proclaims the Letter of the Hebrews Yet for many persons biblical word of God is less a sharp sword than a crutch supporting rather than piercing them Interpreted as they have always heard it Scripture tells exactly what they want to hear Modern critical investigation of the Bible can change that radically Raymond E Brown a Catholic Sulpician priest who died 25 years ago on August 8 1998 wrote the above words for the original edition of this book He was convinced that modern historical critical study of the Bible as the word of God was neither a threat to the Christian faith nor a denial of its spiritual and theological dimensions On the contrary his goal was to demonstrate Scripture's profound impact on the life of the Church leading to ongoing conversation in every era I consider Raymond Brown the greatest biblical scholar America has ever produced This important new edition of The Critical Meaning of the Bible expanded beautifully by Ron Witherup illuminates the Bible's central truths critically and meaningfully Paul N Anderson In this book the eminent scholar Raymond Brown raised critical issues and perspectives that we are still engaging with today Ronald Witherup's helpful preface and insightful addenda update this important volume Michael J Gorman Mapping recent shifts in the history of Catholic Biblical Scholarship warrants renewed attention to this important updated version of Raymond Brown's work As Ronald Witherup writes in his fresh and insightful preface these issues are still current today Gina Hens Piazza Dispensationalism and the History of Redemption D. Jeffrey Bingham, Glenn R. Kreider, 2015-08-25 Top level scholarship on an enduring tradition Dispensationalism has long been associated with a careful trustworthy interpretation of Scripture Reflective of its past and present status and strategic to its future Dispensationalism and the History of Redemption is a fresh defense of a time tested tradition Made up of ten essays from leading dispensationalist scholars this volume covers the critical elements to know An introduction to dispensationalism including its terms and biblical support The history and influence of dispensationalism from its roots in John Nelson Darby to its global reach through missions The hermeneutic of dispensationalism the interpretive principles behind the system Dispensationalism and redemptive history the story of salvation traced through the Old and New Testaments including their unity and diversity in relation to Christ Dispensationalism and covenant theology a comparison and contrast between two main evangelical perspectives on Scripture's unity With contributors from top tier schools like Dallas Theological Seminary and Wheaton College Dispensationalism and the History of Redemption is an expert treatment of an enduring yet developing tradition *A Holiness Hermeneutic* Stephen J. Lennox, 2018-04-26 America in the late nineteenth century was undergoing enormous societal shifts Immigration and urbanization were changing the face of the country New discoveries and new perspectives on old verities stretched its mind and stirred its soul The recently concluded Civil War left America bloodied its

self confidence bruised and its capacity for controversy weakened American churches responded to these upheavals in different ways with long lasting consequences The reaction of one small branch of American Protestantism rooted in the broader stream of Methodism opens a window into these troubled times This book explores how the American holiness movement navigated the societal maelstrom and the role the Bible played in charting its course The holiness movement s response illustrates the interaction between the Bible and culture It sheds light on the development of the movement s younger cousin Pentecostalism It also adds texture to the Fundamentalist Modernist Controversy an important struggle that marked the early decades of the twentieth century and continues to shape America today **Confessing Community**

Taimaya Ragui, 2023-02-14 This book offers an entryway to the discussion between theological interpretation of Scripture and contextual theology i e tribal theology It argues for the need to consider the importance of reading the Bible with multiple contexts in mind while addressing the tension between church and academy in the area of biblical interpretation Adapting from the theological method of Kevin J Vanhoozer it argues for a multi contextual biblical theological interpretation of Scripture that maintains evangelical ethos i e the solas of the Reformation recognizes canonical sense i e the measuring and guiding criteria asserts Catholic sensibility i e value the contribution of the local and Catholic church and affirms contextual sensitivity i e the local tribal confessing community These are the contexts that enable Christians to read the Bible as what it is namely human and divine discourse
