Long, 2014-06-13 The Psyche as Interaction begins as a journey to explain one person's paranormal experiences. Manya Long looks closely at the fields of mathematics, physics, psychology, music, religion, neurophysiology, and parapsychology. Along the way she finds many things connecting each of these fields together. Her intention when she began was merely to answer questions about her own unique experiences. However, she quickly realized what she was looking at had the potential to change the way we all view the world. This book explains her journey, findings, and the conclusions she came to. Encyclopedia of New Age Beliefs John Ankerberg, John Weldon, 1996 This comprehensive indexed volume includes short one-page listings of pertinent facts about a particular movement, its founder, how it claims to work, scientific evaluations done, and its potential dangers.
