Vampire Films of the 1970s Gary A. Smith, 2017-02-06 The 1970s were turbulent times and the films made then reflected the fact Vampire movies always a cinema staple were no exception Spurred by the worldwide success of Hammer Film's Dracula Has Risen from the Grave 1969 vampire movies filled theaters for the next ten years from the truly awful to bonafide classics Audiences took the good with the bad and came back for more Providing a critical review of the genre's overlooked Golden Age this book explores a mixed bag from around the world including The Vampire Lovers 1970 Dracula Versus Frankenstein 1971 Scream Blacula Scream 1973 Salem's Lot 1975 Dracula Sucks 1978 and Love at First Bite 1979 and many others **Thirteen** Alexis Kienlen, 2011 **The Aesthetics of Violence in Contemporary Media** Gwyn Symonds, 2011-11-03 The topic of violence in the media seems as inundated as can be Countless studies and research projects have been conducted mostly to show its negative effects on society What Gwynneth Symonds proposes though takes this significant topic one step further studying the aesthetics of media violence By defining key terms like the graphic nature and authenticity of violent representations and discussing how those definitions are linked to actual violence outside the film and television screen Symonds broadens the arena of study Engagingly written The Aesthetics of Violence in Contemporary Media fills an important gap Symonds uses existing studies for the empirical audience reception data together with discussions of the different representations of violence to look at violence in the media as an art form in of itself By looking at The Simpsons Bowling for Columbine and Norma Khouri's Forbidden Love just to name a few Symonds cross analyzes violence in multiple media to see their affective role in audience reception an important aspect when discussing media The book strikes a balance between the readers need to see how theory matches what actually happens in the texts in question and the demands of a theoretical overview Enthralled Katie MacAlister, 2021-11-23 They call me soulless A destroyer of innocents An apocalypse waiting to happen That's what getting dumped at the altar will do to you Keeley Moore was as happy as a proverbial clam when he found his Beloved the one woman fated to be the love of his immortal life Jenna was smart had a quirky mind and promised to be the salvation he had long sought And then she left him at the altar without so

much as a single word of explanation Naturally he swept up the tattered remains of his heart and swore to forget her One hundred and thirty years later he s still trying NOT to think about her Jenna Boyle has no idea who is the tortured tormented and sexy as sin man who claims she betrayed him a century ago but she s not overly worried about their past It s the present that concerns her mostly in getting Keeley free from the monsters who have turned him from a peaceful vampire into a Thrall the dreaded ancestor of all Dark Ones one who is about to go into a murderous unstoppable killing spree Then there s the Weaver s Council who threaten to banish Jenna for crimes she doesn t remember committing Although Keeley is determined to keep Jenna from hurting him again he s drawn to her time after time And it s getting increasingly difficult to convince himself that she would be better off without him in her life If only he could find the source of his enthrallment if only he could find a way to save Jenna without destroying himself if only he had a future One Thrall and his Beloved a bestie with a male harem and a group of intrepid tourists tackling an international organization bent on the destruction of the mortal world it s just another day in the world of Katie MacAlister s Dark Ones
