A deeply reflective primer on creating meaningful connections rebuilding abundant communities and living in a way that
engages our full humanity in an age of unprecedented anxiety and loneliness from the author of The Tech Wise Family Andy
Crouch shows the path to reclaiming a life that restores the heart of what it means to thrive Arthur C Brooks 1 New York
Times bestselling author of From Strength to Strength Our greatest need is to be recognized to be seen loved and embedded
in rich relationships with those around us But for the last century we ve displaced that need with the ease of technology We
ve dreamed of mastery without relationship what the premodern world called magic and abundance without dependence
what Jesus called Mammon Yet even before a pandemic disrupted that quest we felt threatened and strangely out of place
lonely anxious bored amid endless options oddly disconnected amid infinite connections In The Life We re Looking For
bestselling author Andy Crouch shows how we have been seduced by a false vision of human flourishing and how each of us
can fight back From the social innovations of the early Christian movement to the efforts of entrepreneurs working to create
more humane technology Crouch shows how we can restore true community and put people first in a world dominated by
money power and devices There is a way out of our impersonal world into a world where knowing and being known are the
heartbeat of our days our households and our economies Where our vulnerabilities are seen not as something to be escaped
but as the key to our becoming who we were made to be together Where technology serves us rather than masters us and

helps us become more human not less **Looking Up When Life Gets You Down** Warren W. Wiersbe,2012-06 Bestselling author shows readers that with God as their source of comfort strength and hope they can weather the storms of life
