image onto a canvas and it quickly becomes one of his best pieces. When the owner of a Phoenix art gallery invites him to display his work in a South west exhibition, Mike seizes the opportunity and includes the painting of the elderly Native American in his collection. His life quickly takes a turn for the bizarre when a Navajo grandfather named Arthur White Horse visits the Phoenix gallery and claims the man in the painting is actually an old friend of Mike's who is reaching out to him from a past life. He travels across time with a message for you. Arthur declares Mike quickly dismisses the old man's words as Indian mumbo jumbo. However, his questions begin to mount when the man in the painting suddenly begins to haunt his every move. Who is this mysterious out of time friend and what message could he possibly have for a young Michigan artist? Hoping to find the answers to these questions, Mike accepts Arthur's invitation to visit him on the Navajo Indian Reservation. What he discovers in the mystical land of the Navajo is more than he bargains for and he returns a very different man.
