The Doctrine of Repentance Thomas Watson,2025-06-01

The two great graces essentials to a saint in this life are faith and repentance These are the two wings by which he flies to heaven Faith and repentance preserve the spiritual life just as heat and radical moisture preserve the natural Watson discusses in this book about repentance Watson does here a marvelous work by reminding us that repentance is both a grace of God bestowed sovereignly and a responsibility of the sinner who is called by the instrumentality of the preaching of the Gospel Watson says Repentance is never out of season it is as frequently used as the artificer s tool or the soldier s weapon If I am not mistaken practical points are more necessary in this age than controversial and polemical This book was originally published in 1668 This edition has been proofread typeset for eBook readers and lightly updated for modern readers
