Resurrection Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease. Theological Studies , 1912 *Ready With An Answer* John Ankerberg, John Weldon, 2011-08-31 Know What You Believe Why You Believe It: the resurrection, why lawyers, the reliability of the Bible, how it is proven by the science of archaeology, the miracle of origins, why both creation, reincarnation, why biblical prophecy proves who the true God is, atheists, why the biblical evidence strongly argues for an inerrant Bible. Find answers to the toughest questions from creation to salvation, discover the uniqueness of Christianity, man's universal need for the one true God. Miracle and Science Francis Jones Lamb, 1909

The Athenaeum , 1910 Fast Facts on Defending Your Faith John Ankerberg, John Weldon, 2011-07-02 Always be ready to give a defense to everyone who asks you a reason for the hope that is in you. 1 Peter 3:15. What do you do when someone asks, "How do I know that Jesus is the Son of God?" Does it matter if Jesus was resurrected from the dead? What about all the other world religions? Don't they offer a way to God? Does it matter what I believe as long as I'm sincere? What proof is there that the Bible is divinely inspired? If you find these questions hard to answer or if you have trouble sharing the reason for the hope that is in you, here are the responses to some of the common questions skeptics ask about Christianity. In a reader-friendly style, John Ankerberg and John Weldon document the extensive evidences for the reliability of the Bible, the divinity of Jesus, the certainty of the resurrection, the uniqueness of Christianity.
