often than they realize This collection of twenty four legendary murders spans 160 years of Upper Michigan s history and dispels the notion that murder in the Upper Peninsula is an anomaly From the bank robber who killed the warden and deputy warden of the Marquette Branch Prison to the unknown assailant who gunned down James Schoolcraft in Sault Ste Marie Sonny Longtine explores the tragic events that turned peaceful communities into fear ridden crime scenes **Family** Ian Frazier,2025-09-23 With wit and an unerring eye for detail acclaimed author Ian Frazier takes readers on a journey through his family s story his nation s history and himself Using letters and other family documents Frazier reconstructs two hundred years of middle class life visiting small towns his ancestors lived in reading books they read and discovering the larger forces of history that affected them He observes some of them during the British raid on Danbury Connecticut in the Revolutionary War he follows others west as they pioneer in the wilderness of Ohio and Indiana he visits the battlefields where they fought the Civil War Frazier interviews old timers uncles aunts cousins maids and a beer store owner who knew his dad He pursues the family saga in aspect from trivial to grand hoping for a meaning that would defeat death Family is a poetic epic of facts a chronicle of Protestant culture s rise and fall a memorial and a revised view of American history as romantic as it is cold eyed Mr Frazier in this remarkable history of an unremarkable family plays both roles the gossip and the pedant balances skillfully then adds his own insights as a loyal family member David Willis McCullough The New York Times Book Review *In Light of Fires and Foggy Mornings: Stories from a Small Town in the 1950s That Are Absolutely, Positively True. Sort of.* Fred Whissel,2007-07-01 This very readable book will get you all fired up about small town life in the 1950s Flaunting a Dave Barry brand of humor dozens of period photos 50 unique drawings 31 stand alone stories and often a literary level of writing it rides the reader on a metaphorical Whizzer motorbike journey through life from days of innocence through forsaken virtue Along the way village fires are both personal tragedies and popular roadside attractions Actual events and historical personages mist over like foggy mornings How much of each account is fact how much is fiction The author asks the reader to decide and offers help with two different beginnings and endings Everything in this book is of course absolutely positively true Sort of *Firefly and the Cotswolds Murders* Elaine Hatfield,2010-09-23 This novel is a gentle mystery part dreamscape and part history In this the third and last of the Firefly stories Firefly reminisces about Tiny Tims and her days at Captain Barney s Circus their time spent dealing with the silent film greats Eadweard Muybridge Thomas Edison and the Lumiere brothers and their adventures in the Cotswolds in Victorian England She recalls the delights of the early Hollywood film industry and Tims bravery during World War II entertaining troops with the USO And most importantly Firefly recounts the role played by the two little detectives in defending Atlas and their Circus friends when they were accused of the Cotswolds Ripper murders This is a wistful and elegiac novel of a lost world *Line of Fire* Edward Butts,2009-08-03 Across Canada peace officers put their lives on the line every day From John Fisk in 1804 the first known Canadian policeman killed in the line of duty to the four RCMP officers shot to death in Mayerthorpe Alberta in 2005 renowned true crime writer Edward

Butts takes a hard hitting compassionate probing look at some of the stories involving the hundreds of Canadian law enforcement officers who have found themselves in harm s way Some like the four RCMP officers who perished in the Northwest Territories on the Lost Patrol of 1910 died in horrible accidents while performing their duties Others such as the Mounties involved in the manhunts for Almighty Voice and the Mad Trapper of Rat River found themselves in extremely dangerous violent situations One thing is certain about all of these peace officers they displayed amazing courage and never hesitated to make the ultimate sacrifice for their fellow citizens Murder is the Pay-Off Leslie Ford,Zenith Brown,2018-01-01 One of the beat mysteries of the year Providence Journal When an innocent young woman finds herself knee deep in gambling and up to her beautiful neck in debts there s apt to be trouble And trouble is what Janey Blake had plenty of She had written a pile of bad checks And she was fighting to keep her husband from the arms of another woman But other people had trouble too Doc Wemitz for example He was afraid of something And apparently he had reason for one night someone bashed in his skull That was the same night that Janey hit her first jackpot in months and found a gilded coin that a desperate killer would stop at nothing to retrieve
