October Ten Days That Shook The World:

October ,2015 October Ten Days That Shook the World is a 1927 Soviet silent propaganda film by Sergei Eisenstein and Grigori Aleksandrov sometimes referred to as October It is a film epic about the 1917 October Revolution and Revolution in Petrograd The title is taken from John Reed s book on the Revolution Ten Days That Shook The World The film was commissioned by the Presidium of the Central Executive Committee of the USSR to commemorate the 10th anniversary of the October Revolution Its premiere took place at the Bolshoi Theatre on November 7 1927 **Esfir Shub** Ilana Shub Sharp,2021-12-30 Esfir Shub was the only prominent female director of nonfiction film present at the dawning of the Soviet film industry She was in fact the first woman both to write critical texts on cinema and then practically apply these theorisations in her own films As such her syncretism of cinema theory and praxis inspired her to ask questions regarding both the nature of nonfiction film such as the problem of authenticity and reality and the function of the artist in society issues which are still relevant in contemporary discussions about the documentary Accordingly this book demonstrates Shub s position not only as a significant filmmaker and recognised member of the early Soviet avant garde but also as a key figure in global cinema history Shub deserves recognition both as the founder and ardent promoter of the compilation film genre and as a pioneer of the theory and practice of documentary filmmaking Bad History Emma Marriott,2011-09-30 Entertaining but authoritative Bad History debunks a wealth of historical errors In doing so it exposes many falsehoods that have wrongly and sometimes dangerously influenced our understanding of the world s history **Approaching Recent World History Through Film** Scott C.M. Bailey,2021-05-06 Approaching Recent World History Through Film Context Analysis and Research explores the relationships between twentieth century world history and film by providing analysis of a diverse range of films organized by global history topics including war and conflict decolonization political economy and long distance travel This insightful text describes how to analyze films as original historical sources and how to carry out research projects using films The text provides guidance on the types of world history films their conventions and how to analyze the historical arguments in movies Scott C M Bailey incorporates in depth discussions of the historical content and context of a wide range of international films connected with important twentieth century global history topics The book also offers many prompts for discussion historical timelines and suggestions for further reading and viewing as well as instructions on how to construct research papers and projects which employ the use of films as historical sources This book will be of interest to students in world history and film history courses **Movies on Our Minds** James E. Cutting,2021-08-10 This book traces the development of popular cinema from its inception to the present day to understand why humankind has expanded its viewing of popular movies over the last century Drawing from his extensive work as a psychologist studying artistic canons James E Cutting presents hundreds of films across a wide range of genres and eras considers the structure of frame content shots scenes and larger narrational elements defined by color brightness motion clutter and range of other variables He

examines the effects of camera lenses image layout transitions and historical functions to classify different kinds of shots He explains the arcs of scenes the larger structure of sequences and the scene and sequence like units that have become increasingly prevalent in recent years The book then breaks movies into larger roughly half hour parts and espouses the psychological evidence behind each device s intended effect ultimately exploring the rhythms of whole movies the flow of physical changes and the cinematic polyrhythms that have come to match aspects those in the human body Along the way the book considers cultural and technological evolutions that have contributed to shifts in viewers engagement by sustaining attention promoting understanding of the narrative heightening emotional commitment and fostering felt presence in the story *Movies on Our Minds* asks critical questions about how our emotional processes and the way our experiences of movies have changed over the course of cinematic history for a cutting edge look at what makes popular movies enjoyable *Queer Imaginings* David A. Gerstner, 2023-03-21 Discovering the queer auteur and their seductive cinematic delights and possibilities How do we identify the queer auteur and their queer imaginings Is it possible to account for such a figure when the very terms queer and auteur invoke aesthetic surprises and disorientations disconcerting ironies and paradoxes and biographical deceits and ambiguities In eighteen eloquent chapters David A Gerstner traces a history of ideas that spotlight an ever shifting terrain associated with auteur theory and in particular queer auteur theory Engaging with the likes of Oscar Wilde Walter Benjamin James Baldwin Jean Louis Baudry Linda Nochlin Jane Gallop C el Keegan Luce Irigaray and other prominent critical thinkers Gerstner contemplates how the queer auteur in film theory might open us to the work of desire *Queer Imaginings* argues for a queer auteur in which critical theory is reenabled to reconceptualize the auteur in relation to race gender sexuality and desire Gerstner succinctly defines the contours of a history and the ongoing discussions that situate queer and auteur theories in film studies Ultimately *Queer Imaginings* is a journey in shared pleasures in which writing for and about cinema makes way for unanticipated cinematic friendships **You Don't Know What You Think**

You "Know" About... The Communist Revolution and the REAL Path to Emancipation: Its History and Our Future Raymond Lotta, 2014-03-21 This book takes on and refutes the conventional wisdom that communist revolution has been a disaster and nightmare In a wide ranging provocative and richly detailed interview Raymond Lotta a political economist and expert in the history of communism guides the reader through the first wave of socialist revolutions the Paris Commune of 1871 the Bolshevik Revolution of 1917 56 and the Chinese revolution of 1949 76 This is the real history and a penetrating analysis of what these revolutions and their leadership actually set out to do the liberating economic social and cultural transformations brought about and the shortcomings as well How did the lives of women radically change How did revolution attack the oppression of minority nationalities This book will show you It also sails straight into the face of controversy It addresses the important historical role of Stalin the slanders directed at the Great Leap Forward and Mao s Cultural Revolution in China and the wrong ways that people in U S society have been trained to think about society the world and

revolution Lotta examines why these revolutions ultimately met defeat But he also explains why it is possible drawing the right lessons to go further and do better in a new stage of revolution In this he introduces the reader to Bob Avakian s new synthesis of communism At once rigorous and accessible the book is an unparalleled resource The world cries out for fundamental change yet people are told there is no alternative Raymond Lotta makes the case that the whole history of communism thus far shows that the world does not have to be this way
