Oddballs The Social Maverick And The Dynamics Of Individuality:

Oddballs Bernard G. Suran,1978 **Oddballs** Bernard G. Suran,1978 *Uniqueness* C.R. Snyder,Howard L.

Fromkin,2012-12-06 *My Red Shirt and Me* The red shirt incident begins with a rather ordinary red shirt Not a brightly colored red shirt not a dramatic cherry or firehouse red more like a faded burgundy But for several days my very identity was bound up in its redness It was me and I wore it with the pride a matador takes in his splendid cape a hero in his medals of bravery or a nun in her religious habit I'll never forget the boundless joy I felt wearing that simple pullover short sleeved red shirt in the hospital or the rush of relief that I experienced when at last I decided to surrender it However we are getting ahead of our story which starts a short time earlier with a most unfortunate accident A light flurry of wet snow had begun to fall as the university limousine turned the corner on its way from the Bronx campus of New York University to the downtown campus Although eight of us were packed into the car and had resigned ourselves to the usual boring faculty meeting awaiting us somehow a spontaneous air of joviality was created

The Relativity of Deviance John Curra,2019-10-21 The Relativity of Deviance is a primer on the constructivist perspective on deviance the idea that deviance cannot be explained in terms of absolutes nor can it be understood apart from its social setting The book is frequently used alongside all of the major core deviance textbooks on the market It answers such questions as What is deviant What is deviant behavior How should the deviant be treated Why is the same act sometimes praised and sometimes condemned Readers will see that what qualifies as deviance varies from place to place time to time and situation to situation The book explores some of the most frequent contexts for deviant behavior in ways that challenge definitive or objective judgments The Fifth Edition has been updated to include the most current developments in American society including deviance at the highest levels of national politics and corporate life sex abuse scandals the opioid crisis and the growing decriminalization of marijuana

Misanthrope! Autobiographical Notes Frank Robert Vivalo,2017-10-17 This may be the oddest book of its kind that you'll ever read It's a memoir of a sort an autobiography in much the same way that crumbs dropped on the forest floor are a pathway to the old hag's hut where Hansel and Gretel are held If you collect the crumbs as you walk you'll have a sum greater than its parts at the end of your trek a surprisingly coherent account of a unique personality an incorrigible individualist fiercely independent defiant of tradition who is sometimes profound and insightful and sometimes trite and narrow minded highly original but not necessarily admirable Most important the author is someone who thinks which challenges readers to think And whether or not you're sympathetic to his way of thinking one thing is clear he is above all else rational
