**Kiss the Blood Off My Hands** Robert Miklitsch, 2014-09-15 Consider the usual view of film noir endless rainy nights populated by down at the heel boxers writers and private eyes stumbling toward inescapable doom while stalked by crooked cops and cheating wives in a neon lit urban jungle But a new generation of writers is pushing aside the fog of cigarette smoke surrounding classic noir scholarship In *Kiss the Blood Off My Hands On Classic Film Noir* Robert Miklitsch curates a bold collection of essays that reassesses the genre's iconic style history and themes Contributors analyze the oft overlooked female detective and little examined aspects of filmmaking like love songs and radio aesthetics discuss the significance of the producer and women's pulp fiction and investigate topics as disparate as Disney noir and the Fifties heist film *B movie back projection* and blacklisted British directors At the same time the writers collective reconsideration shows the impact of race and gender history and sexuality technology and transnationality on the genre As bracing as a stiff drink *Kiss the Blood Off My Hands* writes the future of noir scholarship in lipstick and chalk lines for film fans and scholars alike Contributors Krin

Gladiators vs. Spartacus, Volume 1 Henry MacAdam, Duncan Cooper, 2020-11-13 Using previously unpublished correspondence and personal journal entries from screenwriter Abraham Polonsky neglected notices in Variety and other Hollywood trade publications and a wide range of published sources this narrative backstory of rival movie productions of The Gladiators vs Spartacus documents that intense competition with greater precision and clarity than any other existing account The key role that this little known chapter of Hollywood s blacklist history played in connection with Dalton Trumbo s successful effort to win screen credit for Spartacus is now for the first time available to film historians and lay readers A companion study Volume 2 is devoted to Abraham Polonsky s rediscovered screenplay **Jazz and Cocktails** Jans B. Wager, 2017-03-21 Film noir showcased hard boiled men and dangerous femmes fatales rain slicked city streets pools of inky darkness cut by shards of light and occasionally jazz Jazz served as a shorthand for the seduction and risks of the mean streets in early film noir As working jazz musicians began to compose the scores for and appear in noir films of the 1950s black musicians found a unique way of asserting their right to participate fully in American life Jazz and Cocktails explores the use of jazz in film noir from its early function as a signifier of danger sexuality and otherness to the complex role it plays in film scores in which jazz invites the spectator into the narrative while simultaneously transcending the film and reminding viewers of the world outside the movie theater Jans B Wager looks at the work of jazz composers such as Miles Davis Duke Ellington and Billy Strayhorn Chico Hamilton and John Lewis as she analyzes films including Sweet Smell of Success Elevator to the Gallows Anatomy of a Murder Odds Against Tomorrow and considers the neonoir American Hustle Wager demonstrates how the evolving role of jazz in film noir reflected cultural changes instigated by black social activism during and after World War II and altered Hollywood representations of race and music *The Gladiators vs. Spartacus, Volume 2* Abraham Polonsky, 2020-12-21 This publication of Abraham Polonsky s unproduced screenplay for The Gladiators is a tribute to one of Hollywood s premiere post WW II directors and writers whose career was severely impacted by the blacklist His script for The Gladiators survives to remind us that he could and did transform a difficult and complex novel of an ancient slave rebellion into a screenplay worthy of Arthur Koestler s bold fictional vision Through a combination of the ambivalence of its executive producer and star plus bad timing it never went before the cameras This book is published in the hope that The Gladiators will be produced for cinema or television *Billy the Kid on Film, 1911-2012* Johnny D. Boggs, 2013-09-06 A comprehensive filmography this book is composed of lengthy entries on about 75 films depicting legendary New Mexico outlaw Billy the Kid from the lost Billy the Kid 1911 to the blockbuster Young Guns 1988 to the direct to video 1313 Billy the Kid 2012 and everything in between Each entry gives a synopsis cast and credits critical reception and a discussion of the events of the films compared to the historical record Among the entries are made for TV and direct to video films foreign movies and continuing television series in which Billy the Kid made an appearance Becoming Belafonte Judith E. Smith, 2014-09-15 This biography of the singer actor and fearless anti racism activist is so engaging that readers will crave a

sequel Kirkus Reviews A son of poor Jamaican immigrants who grew up in Depression era Harlem Harry Belafonte became the first black performer to gain artistic control over the representation of African Americans in commercial television and film Forging connections with an astonishing array of consequential players on the American scene in the decades following World War II from Paul Robeson to Ed Sullivan John Kennedy to Stokely Carmichael Belafonte established his place in American culture as a hugely popular singer matinee idol internationalist and champion of civil rights black pride and black power In *Becoming Belafonte* Judith E Smith presents the first full length interpretive study of this multitalented artist She sets Belafonte s compelling story within a history of American race relations black theater and film history McCarthy era hysteria and the challenges of introducing multifaceted black culture in a moment of expanding media possibilities and constrained political expression Smith traces Belafonte s roots in the radical politics of the 1940s his careful negotiation of the complex challenges of the Cold War 1950s and his full flowering as a civil rights advocate and internationally acclaimed performer in the 1960s In Smith s account Belafonte emerges as a relentless activist a questing intellectual and a tireless organizer and a performer who never shied away from the dangerous crossroads where art and politics meet *The Best Laid Plans* Jim Leach, Jeannette Sloniowski, 2017-12-04 *The Best Laid Plans* includes an accessible group of essays that will meet the needs of students and scholars in film and media studies by offering new insights into an important and neglected area in genre criticism **John Oliver Killens** Keith Gilyard, 2011-11-01 John Oliver Killens s politically charged novels *And Then We Heard the Thunder* and *The Cotillion* or *One Good Bull Is Half the Herd* were nominated for the Pulitzer Prize His works of fiction and nonfiction the most famous of which is his novel *Youngblood* have been translated into more than a dozen languages An influential novelist essayist screenwriter and teacher he was the founding chair of the Harlem Writers Guild and mentored a generation of black writers at Fisk Howard Columbia and elsewhere Killens is recognized as the spiritual father of the Black Arts Movement In this first major biography of Killens Keith Gilyard examines the life and career of the man who was perhaps the premier African American writer activist from the 1950s to the 1980s Gilyard extends his focus to the broad boundaries of Killens s times and literary achievement from the Old Left to the Black Arts Movement and beyond Figuring prominently in these pages are the many important African American artists and political figures connected to the author from the 1930s to the 1980s W E B Du Bois Paul Robeson Alphaeus Hunton Langston Hughes James Baldwin Martin Luther King Jr Malcolm X Harry Belafonte and Maya Angelou among others **Screenwriters** José Guilherme Correa, 2016-07-13 Screen writing is a unique literary form Screenplays are like musical scores in that they are intended to be interpreted on the basis of other artists performances rather than serving as finished products for the enjoyment of their readers They are written using technical jargon and tight spare prose to describe set directions Unlike a novella a script focuses on describing the literal visual aspects of the story rather than on its characters internal thoughts In screen writing the aim is to evoke those thoughts and emotions through subtext action and symbolism Prominent Hollywood script doctors

include Steve Zaillian William Goldman Robert Towne Mort Nathan Quentin Tarantino etc while many up and coming screenwriters work as ghost writers This book is a modest catalogue of some of the most prominent screenwriters listed from A to Z The good are sometimes bad and they can be even Ugly Many comments herein included were googled in deference to the multiplicity of information available today yet they reflect exactly or almost what I thought An amazing thing today is how anonymous commentators on the Internet rival and even surpass the poor quality of professional media and specialised literature It all comes down to watching the truth 24 times per second to quote Jean Luc Godard s phrase Not to mention that such truth may include sex scenes violence pedophilia etc We know that a literary masterpiece like Henry James Portrait of a Lady became a film of very poor quality as scripted by Laura Jones We know conversely that a mediocre writer like Mickey Spillane inspired at least one film as remarkable as Kiss Me Deadly thanks to A I Bezzerides script Asa former screenwriter Mr Correa must avow that he found the job most gratifying Writing that looks effortless is often hellish to write and revise It was something he did have to slog through but it proved particularly pleasing Editing discussing finishing your work is particularly gratifying Identifying your flaws and working to mitigate them is also gratifying It is a general perception that creative careers are more interesting and fun than others But the privilege of earning money through imagination and creativity is effectively hard won Please comment at will Please disagree at will Be facetious in your remarks but please be neither vicious nor mean spirited

How To Do Politics With Art Violaine Roussel, Anurima Banerji, 2016-10-26 A major issue in the relation of art to the rest of society is the question of how art penetrates politics From the perspective of most art scholars this is a question of aesthetics whether politics necessarily pollutes and debases the quality of the arts From the perspective of social science it has been primarily a question of meaning how political messages are conveyed through artistic media Recent work has begun to broaden the study of the arts and politics beyond semiosis and content focus Several strands of scholarship are converging around the general issue of the social relationships within which art takes political form that is how art and artists do politics This perspective of doing moves analysis beyond addressing the meaning of culture to focus on the ways that art is embedded in and intervenes in social relationships activities and institutions This volume brings together an interdisciplinary group of scholars from France and the United States to investigate these directions and themes by exploring the question of how to do politics with art from a comparative standpoint putting sociological approaches in conversation with other disciplinary prisms It will be of interest to scholars of social movements and politicization the sociology of art art history and aesthetics
