published in 1997 For this second edition of Art Books A Basic Bibliography of Monographs on Artists the vast number of new
books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These
selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the
activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious
exhibition programs of museums whose number has also increased dramatically and also of a lively international art market
and the attendant gallery activities The selections of the first edition have been reviewed errors have been corrected and
important new editions and reprints have been noted The second edition contains 278 names of artists not represented in the
