Odwyers Directory Of Public Relations Executives 1996 Odwyers Directory Of Public Relations Executives:

O'Dwyer's Directory of Public Relations Executives, 1999 *O'Dwyer's Directory of Corporate Communications* J.R. O'Dwyer Co, 2005 *O'Dwyer's Directory of Public Relations Firms* J.R. O'Dwyer Co, 2010 *Encyclopedia of Public Relations* Robert L. Heath, 2013-08-20

When initially published in 2005 the two volume *Encyclopedia of Public Relations* was the first and most authoritative compilation of the subject. It remains the sole reference source for any library serving patrons in business communication and journalism as it explores the evolution of the field with examples describing the events changing practices and key figures who developed and expanded the profession. Reader's Guide topics include: Crisis Communications, Management, Cyberspace, Ethics, Global Public Relations, Groups, History, Jargon, Management, Media, News Organizations, Relations, Reports, Research and Theories, Models. Led by renowned editor Robert L. Heath with advisory editors and contributors from around the world, the set is designed to reach a wide array of student readers who will go on to serve as opinion leaders for improving the image and ethics of the practice. The Second Edition continues to explore key challenges facing the profession such as earning the trust and respect of critics and the general public. Much greater emphasis and space will be placed on a theme that was just emerging when the First Edition appeared: the Internet and social media as public relations tools. International coverage and representation has been greatly expanded as well. Finally, biographies which are now widely available on the Web have been deleted to give room to areas of enhanced coverage and biographical material are included where appropriate within the context of topical entries. However, a long entry on women pioneers in public relations has been included as an appendix.

O'Dwyer's Directory of Public Relations Executives, 1994 **Careers in Communications and Entertainment** Leonard Mogel, 2000-01-02 *Excellent Public Relations and Effective Organizations* James E. Grunig, David M. Dozier, 2003-01-30

This book is the final product of the Excellence project, a comprehensive research effort commissioned by the International Association of Business Communicators (IABC) Research Foundation. Going well beyond any of the previously published reports on the Excellence study, this book contains many new statistical analyses of the survey data and more details from the case studies. Discussing theory and data related to several ongoing discussions in the communication profession, this book answers the following questions: How can we show the value of public relations? What is the value of relationships? How do relationships affect reputation? What does it mean to practice communication strategically? How can we measure and evaluate the effects of public relations programs? Should communication programs be integrated? How does the new female majority in the profession affect communication? Excellence. This book, as well as the research it reports, is the product of symmetrical communication and collaboration. As such, it is intended for scholars, applied researchers, students, and informed professionals who understand the value of research in developing a profession such as public relations. Knowledge of quantitative and qualitative research methods will make it easier to understand the book; however, the results are interpreted in a way that makes the analyses understandable even to

those with little or no knowledge of statistics and research methods *Subject Guide to Books in Print* ,1991 **Creating Your Career in Communications and Entertainment** Leonard Mogel,1998 This premiere edition from Leonard Mogel provides up to date snapshots with data forecasts and analyses of career opportunities in the worlds of publishing communications media and entertainment A veteran of the printing publishing and movie industries Mogel offers dozens of specific career tips and many interviews with experts in each field Offering visions of dream jobs with a healthy dose of perspective and wisdom this volume is intended for readers interested in pursuing careers in media and entertainment
