**The Standard Periodical Directory**, 1988 This directory may be used to identify specialized trade journals as possible sources of business information or advertising

*Encyclopedia of Public Relations* Robert L. Heath, 2013-08-20 When initially published in 2005 the two volume Encyclopedia of Public Relations was the first and most authoritative compilation of the subject It remains the sole reference source for any library serving patrons in business communication and journalism as it explores the evolution of the field with examples describing the events changing practices and key figures who developed and expanded the profession Reader's Guide topics include Crisis Communications Management Cyberspace Ethics Global Public Relations Groups History Jargon Management Media News Organizations Relations Reports Research and Theories Models Led by renowned editor Robert L. Heath with advisory editors and contributors from around the world the set is designed to reach a wide array of student readers who will go on to serve as opinion leaders for improving the image and ethics of the practice The Second Edition continues to explore key challenges facing the profession such as earning the trust and respect of critics and the general public Much greater emphasis and space will be placed on a theme that was just emerging when the First Edition appeared the Internet and social media as public relations tools International coverage and representation has been greatly expanded as well Finally biographies which are now widely available on the Web have been deleted to give room to areas of enhanced coverage and biographical material are included where appropriate within the context of topical entries However a long entry on women pioneers in public relations has been included as an appendix

**Managing a Public Relations Firm for Growth and Profit** Alvin C Croft, 2013-09-05 The one of a kind how to book that puts effective agency management strategies at your fingertips The classic text that describes in detail how to successfully manage and market a public relations firm has been completely updated with three new chapters and is now more than 50% longer This one of a kind new edition is bursting with creative tips instructions philosophies theories and guidance all to help you steer your firm to success It demonstrates how to market promote and sell a firm to attract win and hold the right clientele You will learn how to manage a new or existing firm so that it is productive and profitable and has a long range future Information in Managing a Public Relations Firm for Growth and Profit Second Edition is based on author A C Croft's extensive experience in the field almost twenty years as a consultant to PR firm principals and more than 25 years as an employee or principal of three medium sized successful PR agencies Croft begins each chapter with a brief profile of a seasoned and successful PR firm principal from a mid sized firm These professionals tell of their successes and also relate early mistakes that you would do well to avoid The text includes tables and figures to make data easily understood The extensively revised Managing a Public Relations Firm for Growth and Profit Second Edition discusses pertinent topics such as keys to new business success developing a marketing plan serving clients communication to prospects management strategies for success installing efficient systems and procedures managing staff productivity forecasting income management systems and procedures managing profitability client and agency budgeting recruiting training and retaining staff crisis planning planning the future of your firm Covering everything from billing practices and self promotion to the use of computers and student interns

Managing a Public Relations Firm for Growth and Profit Second Edition is one guide you are sure to refer to again and again for practical advice It is must reading for owners of small and medium sized PR firms senior managers of small medium and national firms who wish to expand their management knowledge and ability or who are considering starting their own firm lower level staff members who want to increase their knowledge of agency management and university public relations professors who would like to include a primer on PR firm management in their classes

### **Women in Public Relations**

Larissa A. Grunig, Linda Childers Hon, Elizabeth L. Toth, 2013-09-13 The past 20 years have seen an influx of women into the practice of public relations yet gender based disparities in pay and advancement remain a troubling reality As the field becomes feminized moreover female and male practitioners alike confront the prospect of dwindling salaries and prestige This landmark book presents a comprehensive examination of the status of women in public relations and proposes concrete ways to achieve greater parity in education and practice The authors integrate the theoretical literature of public relations and gender with results of a major longitudinal study of women in the field along with illuminating focus group and interview data Topics covered include factors contributing to sex discrimination how public relations stacks up against other professions on gender related issues the challenges facing female managers and entrepreneurs the experiences of ethnic minority professionals the salary gap the glass ceiling and how to foster solutions on individual organizational and societal levels This volume is an essential read for both educators and practitioners in public relations It can be used as a course text in graduate research seminars and also as a supplemental text in courses addressing gender issues in PR It serves as a useful guide for young practitioners entering the profession and provides critical insights for public relations managers

### **Green**

**Backlash** Andrew Rowell, 2017-09-25 The tide is turning against environmentalism as the political right industry and governments fight back Green Backlash is a controversial expose of the anti environmental movement Tracing the rise of the backlash from the Wise Use movement in the USA the author reveals its rapid spread worldwide the anti roads movement in the UK forestry debates in Canada and Australia marine resource issues in Europe South East Asia and controversies such as the Brent Spar The backlash is set to get worse as the resource wars intensify This book offers a greater understanding of the challenges and threats facing global environmentalism concluding that the environmental movement now has a chance to re evaluate and change for the better to beat the backlash a chance that must not be missed
