**Treasure: A Soul Journey With The Invisible** Karen Williams,2018-12-31 TREASURE is the true story of how the iconic fable The Alchemist by Paulo Coelho psychically predicted the future and what would happen to Karen Williams in real life This was at a time when Karen had never heard of Coelho s famous book It is a story about the passion for a dream and how this passion revealed to Karen the language of signs and coincidences which the spiritual realm uses to speak to each of us Living in Andalusia in southern Spain in the 1990s Karen dreams of finding and living from her soul One night after visiting her favourite ruin she has a dream in which she is reborn and with this her soul quest begins Just as in Coelho s The Alchemist it takes her to Tarifa and Tangiers and then through a metaphorical desert finally ending at a place of pyramids as she searches for her treasure But this is only just the beginning of a truly supernatural odyssey which goes on for another 18 years In that time Karen dedicates her whole being to the slow and sometimes incredibly painful unraveling of the real meaning of the allegory known to millions as The Alchemist What she discovers is far deeper and more transcendental than she ever imagined and touches the lives of all of us who now stand at the beginning of a new millennium hoping for a new world and a new dawn
