Of A Certain Age:

If You Are Of A Certain Age Ct Meek,2024-11-28 Are you of a certain age Then this is not the book for you **The Last of an Age** Sooyong Kim,2017-12-01 In The Last of an Age Sooyong Kim explores the relationship between social change and the development of an Ottoman literary canon in the course of the sixteenth century by examining the work and reception of a popular poet Zati 1471 1546 Kim argues that a newly emergent group of bureaucratic literati through the production of authoritative biographical dictionaries ultimately relegated Zati to a lesser literary age driven by a self fashioning that privileged broad linguistic ability above all else with poetry serving as the main vehicle for demonstrating that This study is interdisciplinary in approach taking insights from literary studies cultural history and social theory It adds to the scholarship on the rise of early modern Ottoman canons in the fields of visual arts and music and complements recent work on court patronage Framed by ongoing critiques of canon formation among specialists of early modern Europe and late imperial China the study offers a comparative perspective on those issues **Performance in an Age of Precarity** Maddy Costa,Andy Field,2021-01-28 This magical book is a love letter to the artists whose imagination and cleverness transport us and unite us and to the beauty and fragility of their performance When I read it I feel like I am constantly on the joyful edge of falling in love trying so hard to keep hold of the feelings evoked A very precious book in our precarious times Vicky Featherstone An anthology of critical essays that draw on a decade of the authors thinking writing about and working within contemporary performance as critics producers dramaturgs makers archivists and more Together the 40 essays sketch a map of the contemporary performance landscape from avant garde dance to live art to independent theatre tracing the contours of its themes aims desires and relationship to the wider worlds of mainstream theatre art and politics Each essay focuses on a particular artist and these include Bryony Kimmings Dickie Beau Forced Entertainment Scottee Selina Thompson Tania El Khoury and Uninvited Guests Reflecting the radical nature of the work considered the authors attempt to find a new vocabulary and a non conventional way of considering live performance in these essays As both a fresh survey of contemporary performance and an exploration of how to think and write about upstream and avant garde work this book should be an essential resource for students artists and audiences as well as an accessible entry point for anyone curious to know about the beautiful and strange things happening beyond the UK s theatrical mainstream Verification in an Age of Insecurity Philip D. O'Neill (Jr.),2010 Verification in an Age of Insecurity takes the reader into some of the most urgent arms control issues facing the world community including the nuclear activities of rogue states and threats from sophisticated non state actors In the book national security expert Philip D O'Neill Jr identifies and addresses issues from the resuscitated disarmament agenda from the comprehensive test ban to fissile material and biological weapons O'Neill examines the need for shifts in verification standards and policy suitable for our volatile era and beyond it He surveys recent history to show how established verification procedures fail to produce the certainty necessary to meet today s threats Verification in an Age

of Insecurity goes beyond a discussion of rogue states like North Korea to offer suggestions on how best to bring compliance policy up to date with modern threats Intelligence for an Age of Terror Gregory F. Treverton, 2009-03-23 During the Cold War U S intelligence was concerned primarily with states non state actors like terrorists were secondary Now the priorities are reversed and the challenge is enormous States had an address and they were hierarchical and bureaucratic They thus came with some story Terrorists do not States were over there but terrorists are there and here They thus put pressure on intelligence at home not just abroad The strength of this book is that it underscores the extent of the change and ranges broadly across data collection and analysis foreign and domestic as well as presenting the issues of value that arise as new targets require collecting more information at home *Jesus in an Age of Neoliberalism* James G. Crossley, 2014-10-20 Jesus in an Age of Neoliberalism analyses the ideology underpinning contemporary scholarly and popular quests for the historical Jesus Focusing on cultural and political issues the book examines postmodernism multiculturalism and the liberal masking of power The study ranges across diverse topics the dubious periodisation of the quest for the historical Jesus biblioblogging Jesus the Great Man and western individualism image conscious Jesus scholarship the Jewishness of Jesus and the multicultural Other evangelical and mythical Jesuses and the contradictions between personal beliefs and dominant ideological trends in the construction of historical Jesuses Jesus in an Age of Neoliberalism offers readers a radical revisioning of contemporary biblical studies *Protestants in an Age of Science* Theodore Dwight Bozeman, 2012-12-01 Since Princeton College and Princeton Seminary were major radii of Realist influence the conservative Presbyterianism headquartered there is an ideal choice for a case study in the American impact of Baconianism Presbyterian thinkers already committed to a synthesis of Protestant religion and Newtonian science were afforded with additional means of elaborating a doxological version of natural science and of defending it against naturalism and other enemies of Christian faith Originally published in 1977 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Asian Nationalism in an Age of Globalization Roy Starrs, 2013-10-23 Topics include Government Intervention and Economic Growth in East Asia Agricultural Nationalism in the Age of Globalization Japan s Dominance and Multi Racial Coalitions in Malaysia Copyright Law in an Age of Limitations and Exceptions Ruth L. Sarath, David E. Myers, Patricia Shehan Campbell, 2016-09-13 Redefining Music Studies in an Age of Change Creativity Diversity Integration takes prevailing discourse about change in music studies to new vistas as higher education institutions are at a critical moment of determining just what professional musicians and teachers need to survive and thrive in public life The authors examine how

music studies might be redefined through the lenses of creativity diversity and integration which are the three pillars of the recent report of The College Music Society taskforce calling for reform Focus is on new conceptions for existent areas such as studio lessons and ensembles academic history and theory theory and culture courses and music education coursework but also on an exploration of music and human learning and an understanding of how organizational change happens Examination of progressive programs will celebrate strides in the direction of the task force vision as well as extend a critical eye distinguishing between premature proclamations of mission accomplished and genuine transformation The overarching theme is that a foundational systemic overhaul has the capacity to entirely revitalize the European classical tradition Practical steps applicable to wide ranging institutions are considered from small liberal arts colleges to conservatory programs large research universities and regional state universities

Reclaiming Patriotism in an Age of Extremes

Steven B. Smith,2021-02-23 A rediscovery of patriotism as a virtue in line with the core values of democracy in an extremist age The concept of patriotism has fallen on hard times What was once a value that united Americans has become so politicized by both the left and the right that it threatens to rip apart the social fabric On the right patriotism has become synonymous with nationalism and an us versus them worldview while on the left it is seen as an impediment to acknowledging important ethnic religious or racial identities and a threat to cosmopolitan globalism Steven B Smith reclaims patriotism from these extremist positions and advocates for a patriotism that is broad enough to balance loyalty to country against other loyalties Describing how it is a matter of both the head and the heart Smith shows how patriotism can bring the country together around the highest ideals of equality and is a central and ennobling disposition that democratic societies cannot afford to do without

Matthew Kneale,2010-08-20 The author of the award winning novel English Passengers takes readers around the world in twelve deftly crafted stories that illuminate the uncertainties of life at home and abroad Matthew Kneale received high praise for the prize winning English Passengers an epic romp on the high seas and across nineteenth century cultures ingeniously woven together by a multitude of narrators In Small Crimes In An Age of Abundance Kneale brings his mastery of storytelling to our present morally ambiguous world Set in lands ranging from England to China South America the Middle East and Africa these powerfully themed stories follow ordinary people as they try to survive and make sense of their worlds We follow a well intentioned English family who leave

their tour group in China to travel alone and collide with the ruthless side of the country slowly becoming complicit in its violence a ploddingly respectable London lawyer who chances upon a stash of cocaine and realizes it offers the wealth and status he hungers for a salesman in Africa who becomes caught up in a riot that turns his life upside down a self doubting suicide bomber Kneale transports readers across continents in a nanosecond reaching to the heart of faraway societies with rare perceptiveness As the stories gain momentum tense funny and always compassionate they make readers see the world in a new way At times reminiscent of Julian Barnes s A History of the World in 10 1 2 Chapters at times Primo Levi s The Periodic Table Small Crimes In An Age of Abundance is a groundbreaking book by a master narrator of the uncertainties of our time

American Sports in an Age of Consumption Cory Hillman,2016-07-27 Sports are not what they used to be New publicly funded stadiums resemble shopping malls Fans compete for cash prizes in fantasy sports leagues Sports video games are now marketing and public relations tools and team logos have become fashionable brands The larger social meanings sports hold for fans are being eclipsed by their commercial function as a means to sell merchandise and connect corporate sponsors with consumers This book examines how the American consumer culture affects professional and collegiate sports reducing fans to consumers and trivializing sports themselves Instructors considering this book for use in a course may request an examination copy here

Gandhi's Truths in an Age of Fundamentalism and Nationalism Sathianathan Clarke,Stephen Pickard,2022-03-08 The twenty first century has seen violence thunder back onto the stage of history Religious political social cultural and economic constituents and interests thus contribute to the local and global manifestations of violence in our interconnected and contracting global world Firmly embedded within the field of religion the authors of this volume concede that religious motifs and impulses are alive and well in this unfolding of bloodshed It is no wonder then that in our volatile historical age religious fundamentalism and illiberal nationalism have emerged as dominant contemporary movements Against this backdrop the contributors to this edited book look back in order to move forward by reflecting upon the truth force Satyagraha that grounded and guided Mohandas Karamchand Gandhi 1869 1948 On the heels of several commemorations in 2019 of the 150th anniversary of Gandhi s birth we reexamine the truths of his philosophy and nonviolent strategy to resist religious and political fundamentalisms Embracing truth was for Gandhi the only way to achieve complete freedom poorna Swaraj The goal of freedom which Gandhi conceptualized as profoundly personal expansively communitarian and organically ecological emanates from a firm grasp of truth

and exemplify the shape of a biblical interpretation that takes contemporary crisis seriously as its most important context Succinct opening essays summarize the salient aspects of our critical situation especially in relation to the dominance of capitalism and its pervasive values in later parts contributions address themes of economic political and environmental crisis in dialogue with texts from the First and Second Testaments Throughout the volume the authors are careful to describe the basis for making interpretive analogies across historical cultural and socioeconomic distances between the world of the Hebrew Bible the New Testament and our own Richard A Horsley writes a postscript pointing to next steps in political interpretation
