Of Angels Beasts And Plagues The Message Of Revelation For A New Millennium:

Of Angels, Beasts, and Plagues Kenneth H. Maahs, 1999 Balancing sound exegetical study with relevant devotional insight this evocative concise and thorough interpretation introduces Revelation to any individual or group seeking its significance in the new millennium

The Left Behind Fantasy William Powell Tuck, 2010-02-18 The popular Left Behind series by Tim LaHaye and Jerry Jenkins has sold more than 62 million copies since the first volume appeared in 1995 Jerry Falwell pronounced it the most important series of books in the history of modern Christianity Many readers have assumed it gives the true facts about the way the world will end and what will happen to all the people in it But according to real biblical scholarship this series is seriously flawed Based on a misreading of many scriptures including Daniel and the Book of Revelation it has fed a kind of hysteria in the Christian populace that has led many people to reorder their existence in expectation of an impending doom and the sudden unexpected return of Jesus In this book William Powell Tuck carefully and authoritatively refutes the premises and faulty theology of the Left Behind books critiquing them in the light of genuine biblical scholarship and common sense

Woman, Mother, and Bride Felise Tavo, 2007 Over the past fifty years studies pertaining to the reality of the church in the Apocalypse have for the most part tended to be either selective or sketchy in their treatment of the relevant material of the book Yet in all fairness to the seer of Patmos his portrayal of the church as a reality decidedly complex and at once profound can only be attained in a thoroughgoing study of the principal ecclesial narratives of his work so as to allow for that indispensable synoptic overview of such intentionally correlated material Woman Mother and Bride is such a study It re examines the relevant imagery of the Apocalypse but from the perspective of the seer's ecclesial thought world and on the basis of his overriding pastoral concerns for the seven churches without which his work will continue to puzzle and trouble at every page The ensuing outlook on the church is panoramic in its scope yet compelling in its appeal which further goes to confirm the Apocalypse as one of the most significant theological achievements of early Christianity

The Descent of the New Jerusalem Andreas Hoeck, 2003 This study applies discourse analysis to the book of Revelation and offers thus a novel approach to an important biblical text The object of examination is the last of John's visions in his Apocalypse Rev 21 1 22 5 a text famous for its biblical theological density and for the great problems of literary and exegetical quality revealed by the history of exegesis The author accurately defines his text concept explains what he means by discourse analysis of the text and states its phases of application He evaluates recognized exegetes of the Apocalypse and then moves on to his analysis of the pericope 21 1 22 5 Seven macro sentences are marked out and explained The novelty of the method applied yields a fresh and invigorating exegesis through a distinctive adherence to the literary data of the text while observing unusual alertness toward verb tenses

Jones,2008-03 Like a jewel box filled with bright jewels and rare coins this book is a collection of the clearest views and brightest nuggets of light from many Second Advent writers concerning the precious prophecies of the Revelation of Jesus Christ Inside you will find the most amazing thought revelations the most beautiful jewels of truth you would never have thought of before Listen as the harmonious voices of many Second Advent authors make clear Revelation s fascinating lines of prophecies Follow the footsteps of God s leading in the past present and future If there was ever a book that should be and is studied today it is the book of Revelation In fact God has pronounced a blessing on those who hear read and keep the words of Revelation May this book be a springboard to still greater light for you **Subject Guide to Books in Print** ,1971 Revelation and the End of All Things Craig R. Koester,2018-05-10 Since its first publication in 2001 Revelation and the End of All Things has been a highly readable guide to one of the most challenging books in the Bible Engaging the questions people most frequently ask about Revelation and sensationalistic scenarios about the end of the world Craig Koester takes his readers through the entirety of Revelation offering perspectives that are clear and compelling In the second edition Koester provides new insights from recent scholarship and responses to the latest popular apocalyptic voices Study questions make this new edition ideal for use in classrooms and study groups Revelation and the End of All Things offers an accessible engaging and profoundly hopeful interpretation for students and general readers alike The New Testament: Johannine writings Paul Nadim Tarazi,2004 Aimed at the non specialist reader this edition covers the Johannine literature Revelation the Gospel and the Epistles and tackles all the perplexing issues the Book of Revelation presents the strange creatures the numbers 666 and 144 000 the Millennium and so called futuristic prophecy The detailed exegesis of the original Greek also explains enigmatic phrases in the Gospel such as the Word was God and the Word became flesh along with curiosities such as Jesus betrayal and burial in a garden **Revelation of Jesus, A** David Lackey,2016-01-27 The book of Revelation pulls back the curtain to reveal the secrets of the past present and future but nearly two thousand years after it was written it still seems to be shrouded in mystery A Revelation of Jesus takes a fresh look at the familiar themes of Revelation such as the Four Horsemen of the Apocalypse the mark of the beast the battle of Armageddon the Millennium and many others using the Bible itself as a guide to cut through the maze of confusion that so often surrounds these vital subjects The last book of the Bible is not just a collection of enigmatic symbols and metaphors Using symbolic language it documents the cosmic struggle between good and evil that began with Satan s rebellion in heaven before the creation of the world Author David Lackey seeks to unmask Satan s subtle deceptions and point readers to

our Creator and Redeemer who will vanquish all evil and usher in a new existence characterized by love joy and peace The purpose of this book is to unpack the prophecies of Revelation to reveal the beauty of Jesus so that in seeing Him more clearly we may fall in love with Him more than ever before and be ready for His soon return

Die Rezeption des Propheten Ezechiel in der Offenbarung des Johannes Beate Kowalski,2004 **The Final Prophecy of Jesus** Oral E.

Collins,2007-06-01 This commentary is the first major work on the book of Revelation in many years that expounds the historicist interpretation The historicist school of interpretation was the dominant approach from Reformation times through most of the nineteenth century The reasons for the current disaffection are too complex to address in a few words but it is the author s conviction that from the standpoint of sound principles of biblical hermeneutics the historicist interpretation is still the most creditable approach for an accurate understanding of this the last book of the Bible and the final prophecy of Jesus

Visions of the End Bernard McGinn,1998 From millenarists to Antichrist hunters from the Sibyls to the Hussites *Visions of the End* is a monumental compendium spanning the literature of the Christian apocalyptic tradition from the period A D 400 to 1500 masterfully selected and complete with a comprehensive introduction and new preface *The Revelation to John* Stephen S. Smalley,2012-07-05 Stephen S Smalley demonstrates the fruitfulness of reading John s Apocalypse like a two act drama with a marked sevenfold patterning His theological and literary analysis of the Greek text puts Revelation squarely in the hands of contemporary readers demonstrating its power to transcend barriers of culture and history Now in paperback

The Dragon'S Beasts Fred A. Wilson,2017-06-14 The book of Daniel 2 reveals by symbols the successive empires kingdoms of the world with a statue of a human figure of a head of gold chest of silver thighs of bronze legs of iron and feet of a mixture of clay and iron Daniel 7 which describes four beasts a lion a bear a leopard and a terrible beast with ten horns covers the same period in world history as in chapter 2 While the king of Babylon saw the majestic power and grandeur of the Gentile empire kingdoms Prophet Daniel saw their real character beastly conduct wicked rule and profligate government All the beasts empire kingdoms were destroyed by the Messiah Immanuel the Stone who the builders of the nations of man rejected and who is the cornerstone of the holy nation of believers Revelation 12 describes the great dragon thrown down the age old serpent that is called the devil and Satan he who continually deceives and seduces the entire inhabited world He was thrown down to the earth and his angels were thrown down with him This usurping dragon would form successive compacts with mankind for the dominion of the earth Revelation 13 shows the final compact between the nations of man and the man of sin Satan the dragons beasts engulfing even the holy people Israel the churchthe woman on the beast in Revelation 17 When the stone finally destroyed the lawless kings of the nations kingdoms their rule was dispersed to the lots of nation states created by the common peoplethe rule of commoners These are the nation states of democratically elected commoners Revelation 13 and 17 shows the rebellion and apostasy of our Christendom Queendom of Babylon the great nation states of man setting themselves up against the son of man Immanuel Why the stone is about to

crush Christendom of Babylon the great And the stone that smote the image became a great mountain or rock and filled the whole earth Daniel 2 3435 Yes he is the rock of ages Biblical Hermeneutics Milton Spenser Terry,1890 **To Follow the Lamb** Ted Grimsrud,2022-03-31 For many the book of Revelation seems hopelessly hard to interpret It gives the impression of being full of frightening and confusing visions However To Follow the Lamb A Peaceable Reading of the Book of Revelation shows that Revelation actually is fascinating inspiring and empowering The key to reading Revelation is simple Let s take seriously the opening words of the book that tell us it is a revelation of Jesus Christ Let s expect Revelation to help us understand Jesus and his will for us We may expect that Revelation shares the same basic sensibility that we find in the Gospels and the rest of the New Testament Revelation is an exhortation to discipleship follow the Lamb wherever he goes It offers a sharp critique of the world s empires and of how people of faith find ways to be comfortable within the empires Revelation portrays God as merciful and peaceable but engaged in a battle against the spiritual powers of evil as fought with the weapons of love not worldly violent weapons To Follow the Lamb opens up Revelation s blueprint for faithful living Resistance to the empires and embrace of the compassionate and healing love of the Lamb
