Of Blind Pigs And Big Bucks:

The Blind Pig Jon A. Jackson, 2014-12-09 A taut police thriller featuring detective Fang Mulheisen from a writer hailed as the best kept secret of hard boiled crime fiction connoisseurs The New York Times Book Review When a cop guns down an intruder during a break in it seems like another case of a bad guy meeting a bad end until the owner of the garage being burgled is revealed to be Jerry Vanni a young man whose trucking empire is branching out into juke boxes and vending machines Detroit's Det Sgt Fang Mulheisen knows that Vanni's businesses are normally controlled by the mob and when a pair of gunmen walks into a bar and fills one of Vanni's jukeboxes with lead Mulheisen is sure there's more trouble on the way His investigation leads him into an ever growing criminal enterprise involving gun smuggling Cubans a million dollar heist and a gorgeous woman mixed up with both It's the kind of trouble that can get a good cop killed Few color the police procedural with such bluesy riffs or make it jump the way Jackson does Detroit Free Press [The American Issue](#) ,1929 **The Rumrunners** Marty Gervais, 2009-10-26 A 10 000 copy seller in Canada The Rumrunners offers a photographic history of the regular men and women who smuggled Canadian liquor to the United States during the roaring 20s Essential reading for anyone interested in the history of Prohibition [Organized Crime in Chicago](#) Robert M. Lombardo, 2012-12-30 This book provides a comprehensive sociological explanation for the emergence and continuation of organized crime in Chicago Tracing the roots of political corruption that afforded protection to gambling prostitution and other vice activity in Chicago and other large American cities Robert M Lombardo challenges the dominant belief that organized crime in America descended directly from the Sicilian Mafia According to this widespread alien conspiracy theory organized crime evolved in a linear fashion beginning with the Mafia in Sicily emerging in the form of the Black Hand in America's immigrant colonies and culminating in the development of the Cosa Nostra in America's urban centers Looking beyond this Mafia paradigm this volume argues that the development of organized crime in Chicago and other large American cities was rooted in the social structure of American society Specifically Lombardo ties organized crime to the emergence of machine politics in America's urban centers From nineteenth century vice syndicates to the modern day Outfit Chicago's criminal underworld could not have existed without the blessing of those who controlled municipal county and state government These practices were not imported from Sicily Lombardo contends but were bred in the socially disorganized slums of America where elected officials routinely franchised vice and crime in exchange for money and votes This book also traces the history of the African American community's participation in traditional organized crime in Chicago and offers new perspectives on the organizational structure of the Chicago Outfit the traditional organized crime group in Chicago [Communication Arts](#) ,2006-07 *The Pig Is Fat* Lawrence Maynard, 2010-10-01 An unforgettable picture of a young man's development into a criminal Strength drama poignancy and beauty of writing are here with a love story singularly touching in its appeal August Wagner old time saloon keeper faced the eve of Prohibition stoically No business now Still got the building Got to pay taxes

just the same Got to start a new business Guess I can do it though if I have to Maybe open a restaurant Use the bar for a lunch counter From then on life was cruel to August and to Benny his son The disintegration of a personality is shown with startling clarity through scenes of murder of dope peddling of prison and of speakeasy and night club life Those who have read Maynard s short stories in The American Mercury and elsewhere will not be surprised by the power of this novel They will remember Murder in the Making and The Zip of the Gat Others will recognize a new writer of great force
