Of Course You Can Walk On Water:

To Walk on Water Timothy Paul Neller, 2019-11-12 Terry thought that his life would change drastically when he became a Christian and it did but not in the way that he thought it would. Instead of life being easier it became much harder each day filled with temptations that were challenges to his newfound faith. His feelings about himself and those around him intensified and when he felt himself sliding back into his old habits his closest friends Lolly and Nick assured him that they were always there to support him, urged him not to lose his faith and reminded that God would always give him the strength and wisdom to handle any problem. He wasn't so sure about that when his girlfriend Jenny came back from New York City after trying out for the New York Ballet and would no longer talk to him. After her trip to New York, Jenny too was struggling with her faith and began to question whether or not God even existed. She shut herself off from those around her, began to hate her father and felt hopelessly lost. It was only through her friend Lolly that she again began to see things more clearly. But Terry continued to struggle and it was only when the lives of all his friends had been threatened and he seemed to have lost everything did he come to know God and to understand his true purpose. *Willing to Walk on Water* Caroline

Barnett, 2013-04-01 If you have ever heard yourself say, "Surely there is more to life than this," rest assured you are not alone. Getting caught up in the day to day routine it can be easy to feel as though you have nothing more to give and yet there is so much you want to do to impact the world. Good news! For those who are willing to get out of the proverbial boat and trust in God's ability to do miracles, there is more so much more. In *Willing to Walk on Water* Caroline Barnett helps you identify what you were created to do, unveiling your passions, gifts and callings and provides practical ways of integrating that purpose into your daily life. Drawing on real life experiences, Caroline points out two things that will be required: willingness and availability. Are you willing to trust God to do the impossible through you? Will you make yourself available to His leading? If so, get ready, you are about to walk on water. [Walk On Water](#) Deborah B. McDermet, 2022-02-03 Most of us settle. We live

average, safe, mediocre lives. But does that kind of living reflect what God has called us to? The abundant life that Jesus promised his followers is nothing less than amazing when we realize that God is working in us so that we may be conformed to the image of his Son. Romans 8:29 Jesus did not live an ordinary life and nor should we. *Walk on Water* invites believers to rise above the norm. This daily devotional takes a fresh look at the Word of God. Be inspired by the lives of Esther, Daniel, Jonah and others. Be challenged with Jesus' no nonsense conversations with the Pharisees and the disciples. Be emboldened through the honest emotions that pour from the hearts of the writers of the Psalms. In addition to daily devotionals, twelve true stories experienced by Deb herself are added at the end of each month to encourage and humor the soul. [Learning to Walk on Water](#) Dr. Corey Endsley, 2015-01-23 Being limited in life is a helpless feeling. The mentality of our society today is limited in their finances, relationships, knowledge and even in health. The enemy knows that if he can keep you limited, he will keep you from becoming a threat to his kingdom. What if you could be limitless? What if you were free to give when God said

give or go when God said to go It is not impossible It will take faith and a new mentality to believe God can use you as his instrument Jesus taught the importance of having faith and the benefits of having a limitless mentality Faith got Peter out of the boat but his limited mentality made him sink None of us have arrived Learning to Walk on Water is a journey that every Christian must take If we desire to be used by God to the fullest we need to step beyond the confines of a limited mentality and do as Peter did He learned to walk on water
