Last Days of the Dog-Men Brad Watson, 2025-04-25 His people and dogs those wonderful dogs come alive with honest thrumming energy The New York Times Book Review Winner of the Sue Kaufman Prize for First Fiction from the American Academy of Arts and Letters and the Great Lakes Colleges Association New Writers Award In prose so precise and beautiful it makes a reader's hair stand on end Brad Watson writes about people and dogs dogs as companions as accomplices and as unwitting victims of human passions and people responding to dogs as missing parts of themselves In each of these stories he captures the animal crannies of the human personality yearning for freedom mourning the loss of something wild drawn to human connection but also to thoughtless abandon and savagery without judgment Ultimately however people are responsible where dogs are not I

m told in medieval times the narrator of the title story tells us animals were regularly put on trial with witnesses and testimony and so forth But it is relatively rare today Funny dark sometimes brutal and stunning in their perfection of expression Watson s stories herald the arrival of a true talent *The Dog Fancier* Eugene Glass,1920 **Albina and the Dog-Men** Alejandro Jodorowsky,2016-05-10 From the psychomagical guru who brought you *The Holy Mountain* and *Where the Bird Sings Best* comes a supernatural love and horror story in which a beautiful albino giantess unleashes the slaving animal lurking inside the men of a small village When two women an amnesiac goddess and her protector a leather tough woman called Crabby arrive in a Chilean desert town Albina s otherworldly allure and unfettered sensuality turn men into wild beasts Chased by a clubfooted corrupt cop evil corporate overlords giant hare riding narcos and Himalayan cultists Albina and Crabby must find a magical cactus that will cure Albina and the men s monstrous affliction before the town consumes itself in an orgy of lust and violence *Albina and the Dog Men* is Alejandro Jodorowsky s darkly funny shocking and surreal hybrid of mystical folktale road novel horror story and social parable ultimately uniting in a universal story of love against the odds and what makes us human Praise for *Albina and the Dog Men* Deeply psychological and mysterious the book will stimulate the imagination of the reader s mind to the extreme Marina Abramovi In his latest novel Jodorowsky builds on his multi decade long assault of the public imagination a fantastical and genre defying parable of love and friendship Throughout this dark dream of a novel Jodorowsky s writing is comic and occasionally mesmerizing It is also ripe with horror and philosophical questions about what it means to belong everywhere and nowhere And while some of the subject matter is disturbing it often carries the air of something ancient that you read children by a fire For years Jodorowsky has proven the intensity of his imagination and how far he is willing to go to present his singular vision to the world He is a fully realized artist whose tales demand attention At its core *Albina and the Dog Men* is a love story about two people committed to one another s survival and to discovering their potential And as with life it is sometimes only through the weathering of a storm that our true capacities are made clear Juan Vidal NPR Books *Albina and the Dog Men* may be the ultimate piece of Jodorowsky arcana a mind bending adventure story on par with his wildest cinematic visions A surrealist novel par excellence *Albina and the Dog Men* is a dream a prophecy a hallucination and a transfiguration such as only Jodorowsky could induce Publishers Weekly Composed like a feverish fairytale *Albina and the Dog Men* is a South American parable of self acceptance and belonging that is fueled by prurience and colored with vivid hallucinogenic details No moment of Jodorowsky s book is at all predictable or familiar and those who have a taste for the uncanny will be in awe over its undulations into strange even godly territory The sensuality of the prose thickens as Albina s situation becomes more tenuous resulting in heady and appealing constructions As Albina and her followers traipse over barren lands and into forests protected by ancient Incans the novel winds toward territory both magical and needfully human The surreal methods of redemption in the novel s final pages prove both glorious and moving Jodorowsky s is a work of unforgettable weirdness a work whose movements are

directed by sometimes violent mysticism and whose final lessons may speak to all who have ever dreamed of transformation
