Of Revelation And Revolution:

Of Revelation and Revolution, Volume 1 Jean Comaroff, John L. Comaroff, 2008-04-15 Of Revelation and Revolution is at once a highly imaginative richly detailed history of colonialism Christianity and consciousness in South Africa and a theoretically challenging consideration of the most difficult questions posed by the nature of social experience Although primarily concerned with the nineteenth and early twentieth centuries Of Revelation and Revolution also looks forward to the age of apartheid and beyond

Of Revelation and Revolution, Volume 2 John L. Comaroff, Jean Comaroff, 2009-02-15 In the second of a proposed three volume study John and Jean Comaroff continue their exploration of colonial evangelism and modernity in South Africa Moving beyond the opening moments of the encounter between the British Nonconformist missions and the Southern Tswana peoples Of Revelation and Revolution Volume II explores the complex transactions both epic and ordinary among the various dramatis personae along this colonial frontier The Comaroffs trace many of the major themes of twentieth century South African history back to these formative encounters The relationship between the British evangelists and the Southern Tswana engendered complex exchanges of goods signs and cultural markers that shaped not only African existence but also bourgeois modernity back home in England We see in this volume how the colonial attempt to civilize Africa set in motion a dialectical process that refashioned the everyday lives of all those drawn into its purview creating hybrid cultural forms and potent global forces which persist in the postcolonial age This fascinating study shows how the initiatives of the colonial missions collided with local traditions giving rise to new cultural practices new patterns of production and consumption new senses of style and beauty and new forms of class distinction and ethnicity As noted by reviewers of the first volume the Comaroffs have succeeded in providing a model for the study of colonial encounters By insisting on its dialectical nature they demonstrate that colonialism can no longer be seen as a one sided relationship between the conquering and the conquered It is rather a complex system of reciprocal determinations one whose legacy is very much with us today

Making Headway Andrew E. Barnes, 2009 A thought provoking study of local peoples participation in the process of cultural transfer in colonial Northern Nigeria The process of cultural transfer in Northern Nigeria was historically thought to have been dictated by European colonial domination In fact Western missionaries may not have been able to guide African Christians toward mastery of the secular world when they themselves lacked the worldliness to do so In this penetrating study Andrew E Barnes argues that competition among colonizing forces impelled British colonial administrators and Christian missionaries alike to offer Africans those aspects of Western civilization Africans themselves specifically wanted schools that provided greater access to Western intellectual skills In *Making Headway* The Introduction of Western Civilization in Colonial Northern Nigeria Barnes demonstrates effectively that Europeans were successful in transferring to

local peoples the cultural values they hoped to foster only because Africans and Europeans reached consensus about the nature and character of the Western civilization to be shared Ultimately this study asserts Africans had greater control over the introduction of Western civilization to the region than traditionally thought Andrew E Barnes is Associate Professor of History at Arizona State University **Of Revelation and Revolution, Volume 1** Jean Comaroff, John L.

Comaroff, 1991-07-09 Defining their enterprise as more in the direction of poetics than of prosaics the Comaroffs free themselves to analyze a vivid series of images and events as objects of analysis These they mine for clues to the 19th century contents of the British imagination and of Tswana minds They are themselves imagining the imagination of others and they do the job with characteristic aplomb The first volume creates an appetite for the second Sally Falk Moore American Anthropologist **The Pitfalls of Liberal Democracy and Late Nationalism in South Africa** Mueni wa

Muiu, 2008-11-15 This book compares African and Afrikaner nationalisms to demonstrate that the transition from apartheid to liberal democracy in South Africa was a neo colonial settlement that left the economy and the military security sector under the control of the white minority while increasing wide socioeconomic disparities between rich and poor *The Works of Orestes A. Fairchild, Lisa Perdue, 2003-08-01 **Prophets and Progress in Islam** Ziaul Haque, 2008 *Revelation Revolution* Dennis James Woods, 2020-12-05 The book of Revelation is the most mysterious and controversial book of the Bible Yet God intended that Christians be enriched by its enduring message Even though Revelation has a blessing for those who read it many believers still avoid this inspired book Could one reason be they have been taught that most of Revelation does not apply to Christians In this first volume of The End Time Apologetics Series the author challenges the pretribulation rapture position and uncovers how many Christians may not be prepared for prophetic events to come Although many promote pretrib as a fact in reality it s a theory that gained traction in America in the 19th century Further popularized after being published in an immensely popular reference bible pretrib quickly became the preferred rapture position As we see prophetic fulfillment happening in the Middle East and around the world the real question is What happens if the pretrib rapture theory is wrong How will Christians respond if the Church is not raptured before prophetic events occur Will history repeat itself Will there be a group of modern day Thessalonians whose faith will be shaken In this powerful book discover how facts concerning the Antichrist Angels and the Abyss are a game changer for the pretribulation rapture position Learn what effect it would have if the Holy Spirit is not the restrainer of Second Thessalonians See actual correspondence between the author and two of the most esteemed Dispensational scholars who made some surprising admissions about who s really restraining the Antichrist Will end time events actually turn out as portrayed in the Left Behind series Will Christians be prepared for the perilous times to come What could trigger the great falling away Be forewarned those who have ears let them hear what the Spirit says to Christians concerning the Antichrist Angels and the Abyss Explanations and index Orestes Augustus

Brownson,1887 *Time and memory in reggae music* Sarah Daynes,2013-07-19 On the basis of a body of reggae songs from the 1970s and late 1990s this book offers a sociological analysis of memory hope and redemption in reggae music From Dennis Brown to Sizzla the way in which reggae music constructs a musical religious and socio political memory in rupture with dominant models is vividly illustrated by the lyrics themselves How is the past remembered in the present How does remembering the past allow for imagining the future How does collective memory participate in the historical grounding of collective identity What is the relationship between tradition and revolution between the recollection of the past and the imagination of the future between passivity and action Ultimately this case study of memory at work opens up a theoretical problem the conceptualization of time and its relationship with memory "*Just as in the Time of the Apostles*" Geoffrey Dipple,2005 *Journal of Theology for Southern Africa* ,2007 *On Time* Jon Paul Miles, Jesus promised that the end times and his second coming would happen in the disciples generation Matthew 24 34 New International Version Truly I tell you this generation will certainly not pass away until all these things have happened What precisely was promised to happen in that generation Is the above verse a mistranslation Did we misunderstand him Did Jesus change his mind Did Jesus give a false expectation on purpose Was Jesus just assuming he would return soon In trying to find a sensible answer I found myself asking the one question I was least willing to consider What if he returned on time This critical re examination of the traditional view of the end times compares Biblical prophecy with historical accounts to uncover if Christ returned in the first century *Sex and Punishment* Eric Berkowitz,2012-04-12 Take an enormously informative and entertaining tour through the history of Western sex law from ancient times through the 19th century Boston Globe What royal mistresses and gay charioteers medieval cross dressers and lonely goat lovers can tell us about the history of human desire The raging frenzy of the sex drive to use Plato s phrase has always defied control However that s not to say the Sumerians Victorians and every civilization in between and beyond have not tried wielding their most formidable weapon the law Sex and Punishment tells the story of the struggle throughout the millennia to regulate the most powerful engine of human behavior Writer and lawyer Eric Berkowitz uses flesh and blood cases much flesh and even more blood to evoke the entire sweep of Western sex law from the savage impalement of an ancient Mesopotamian adulteress to the imprisonment of Oscar Wilde in 1895 for gross indecency The cast of Sex and Punishment is as varied as the forms taken by human desire itself royal mistresses gay charioteers medieval cross dressers lonely goat lovers prostitutes of all stripes London rent boys Each of them had forbidden sex and each was judged and justice as Berkowitz shows rarely had much to do with it With the light touch of a natural storyteller Berkowitz spins these tales and more going behind closed doors to reveal the essential history of human desire

Slavery, Sabbath, War & Women Willard M.
