Personal library Oregon State University. Libraries. Special Collections, 2006 *The Publishers' Trade List Annual* , 1983 **The Cumulative Book Index** , 1980 A world list of books in the English language **Books in Print Supplement** , 1988 God: An Anatomy Francesca Stavrakopoulou, 2022-01-25 An astonishing and revelatory history that re presents God as he was originally envisioned by ancient worshippers with a distinctly male body and with superhuman powers earthly passions and a penchant for the fantastic and monstrous A rollicking journey through every aspect of Yahweh s body from top to bottom yes that too and from inside out Ms Stavrakopoulou has almost too much fun The Economist The scholarship of theology and religion teaches us that the God of the Bible was without a body only revealing himself in the Old Testament in words mysteriously uttered through his prophets and in the New Testament in the body of Christ The portrayal of God as corporeal and masculine is seen as merely metaphorical figurative or poetic But in this revelatory study Francesca Stavrakopoulou presents a vividly corporeal image of God a human shaped deity who walks and talks and weeps and laughs who eats sleeps feels and breathes and who is undeniably male Here is a portrait arrived at through the author s close examination of and research into the Bible of a god in ancient myths and rituals who was a product of a particular society at a particular time made in the image of the people who lived then shaped by their own circumstances and experience of the world From head to toe and every part of the body in between this is a god of stunning surprise and complexity one we have never encountered before **The Anatomy of the Body of God** Frater Achad, 2020-07-23 The Anatomy of the Body of God by Frater Achad Although the title of this short essay may seem to some who have not read its contents to be both presumptuous and unwarrantable it is hoped that these will reserve their judgment until they have given due attention and consideration to the study of such an important subject

Ulmer, 2001 Does this describe you Has your thirst for more intimate contact with God caused you to

reach for anything and everything that will bring you closer to Him Do you want to know Him as a friend like Moses did or capture His heart like David In The Anatomy of God you ll learn that God is not hiding from you In fact the Creator of all things desires more than anything to be seen touched and known by you God is a Spirit yet throughout Scripture He describes Himself in anatomical terms and images we are familiar with His eyes wink and squint His mouth whispers His smile radiates and He inclines an attentive ear to our cries God has hands arms and fingers that build shape give protect and deliver His heart can be broken and His nostrils flare when He is angry His face reveals His glory and His favor **The Anatomy Of God** Wilson Km Goli,2020-08-22 Most people reject Christianity without really knowing the first thing of what Christianity is or what Christians believe In this modern age people are quick to write off Christianity they are not prepared to even know about it There those also who think they know about the faith but are completely deceived holding on to what others have erroneously said Interestingly there are those also who claim to be Christian yet know little about what they profess They are simply satisfied to wear the tag They are not keen on learning and understanding Perhaps it may be arrogance or pride or it could be laziness or an unwillingness to search the Scriptures Not too different from them are another group of people who profess other beliefs and so do not accept Christian teachings but have never given a thought to their own beliefs or weighed them against Christian beliefs Or you may be a Christian who loves the Lord and wants to reach out to lost souls but feels inadequate or unknowledgeable enough You are scared to share your faith because you don t think you can answer people s questions or boldly defend the faith Perhaps you have been asked about the Trinity and how one can believe in one God and still hold to the trinitarian view Are you a Christian who runs away from Jehovah s Witnesses Are you a Jehovah s Witness who wonders why you don t reach out to Muslims or why Christians believe you are in a cult Are you a Muslim wondering about the claims of Christians Or you simply don t believe in the Christian rhetoric Do you belong to a world view other than the ones named so far This book is a must read It covers topics such as the Trinity the deity of Christ and helps you reconsider certain beliefs you may have had about Christianity and its followers
