Of Wives Talismans And The Dead:

Of Wives, Talismans and the Dead Willfried Feuser, 1983 *Of Wives, Talismans and the Dead* I.N.C. Aniebo, 2023-11-01

Of Wives Talismans and the Dead is a collection of short stories by influential author I N C Aniebo. Written originally in the 1960s, these tales explore superstition, Westernisation, and the rising tensions of an unequal society in post-independent Nigeria. Now dry your tears my child, his father said gently. I am going to drive him away. He will not disturb you again. Dead men should not wander in the land of the living. In the title story *Of Wives Talismans and the Dead*, eleven-year-old Ibe worries about embarrassing himself in front of his father, finding time to play hide and seek with his friends, and most importantly, his impending marriage with a young girl named Egeolu. Ibe's tender innocence is set against the gravity of death and marriage as I N C Aniebo captures the enduring traditions of 1960s Nigeria from the perspective of a young boy. Throughout the collection, Aniebo masterfully weaves together tales of exploitation, cultural change, and the desire to challenge authority. *Of Wives Talismans and the Dead* is an outstanding illustration of classic Nigerian literature. Edited by Willfried F Feuser.

The Nigerian Civil War 1967-1970, also known as the Biafran War, has been described as a forgotten war. Yet it led to the birth of the NGO Doctors without Borders (Médecins sans frontières) and equipped journalists with the intercultural skills they later used in their coverage of other African conflicts. The Biafran conflict equally ended up strengthening the special relationship between France and Nigeria. From 1970, in particular, the Nigerian education sector was taken up with a wave of francophilia which boosted the teaching of French in language programmes at the secondary school level. The Civil War, which ravaged the South Eastern part of the federation, was above all a collective experience which inspired poets, novelists, and playwrights. Achebe, Soyinka, Okigbo, Saro Wiwa, Okpewho, Adichie, and others, while bringing about a massive religious revival which affected the whole region. The war mobilised politicians and NGOs; it changed the country and brought it into the limelight. This book reveals through the study of oral
