years ago in the Boy s Town of Ohio the state where Howells was born and raised Pony lives in the Boy s Town with his mother father and five sisters whom his mother always wants him to play with Pony s mother is very overprotective of Pony which makes her a bad mother when it comes to having fun Pony s father has done some things that have given Pony the right to run away as well An older boy named Jim Leonard suggests that Pony go with the Indians and that the Indians would like him and then adopt him into their tribe Extract If there was any fellow in the Boy s Town fifty years ago who had a good reason to run off it was Pony Baker Pony was not his real name it was what the boys called him because there were so many fellows who had to be told apart as Big Joe and Little Joe and Big John and Little John and Big Bill and Little Bill that they got tired of telling boys apart that way and after one of the boys called him Pony Baker so that you could know him from his cousin Frank Baker nobody ever called him anything else William Dean Howells 1837 1920 was an American realist author literary critic and playwright The Young Middy: Or, the Perilous Adventures of a Boy-officer Among the Royalists and Republicans of the First French Revolution F Claudius Armstrong, 1858 Bertie Lee: or the Threshold of Life. A boy's book Bertie LEE, 1869 **On the Plantation: A Story of a Georgia Boy's Adventures during the War** Joel Chandler Harris, 2020-09-28 The post office in the middle Georgia village of Hillsborough used to be a queer little place whatever it is now It was fitted up in a cellar and the postmaster who was an enterprising gentleman from Connecticut had arranged matters so that those who went after their letters and papers could at the same time get their grocery supplies Over against the wall on one side was a faded green sofa It was not an inviting seat for in some places the springs peeped through and one of its legs was broken giving it a suspicious tilt against the wall But a certain little boy found one corner of the rickety old sofa a very comfortable place and he used to curl up there nearly every day reading such stray newspapers as he could lay hands on and watching the people come and go To the little boy the stock of goods displayed for sale was as curious in its variety as the people who called day after day for the letters that came or that failed to come To some dainty persons the mingled odor of cheese cam phene and mackerel would have been disagreeable but Joe Maxwell that was the name of the little boy had a healthy disposition and a strong stomach and he thought the queer little post office was one of the pleasantest places in the world A partition of woodwork and wire netting cut off the post office and the little stock of groceries from the public at large but outside of that was an area where a good many people could stand and wait for their letters In one corner of this area was the rickety green sofa and round about were chairs and boxes and barrels on which tired people could rest themselves The Milledgeville papers had a large circulation in the county They were printed at the capital of the State and were thought to be very important on that account They had so many readers in the neighborhood that the postmaster in order to save time and trouble used to pile them up on a long shelf outside the wooden partition where each subscriber could help himself Joe Maxwell took advantage of this method and on Tuesdays when the Milledgeville papers arrived he could always be found curled up in the corner of the old green sofa reading the Recorder and the Federal Union What he found in
