**Knowledge of God and the Development of Early Kabbalah** Jonathan Dauber, 2012-08-01 In Knowledge of God and the Development of Early Kabbalah Jonathan Dauber offers a fresh consideration of the emergence and early development of Kabbalah against the backdrop of a re evaluation of the relationship between early Kabbalistic and philosophic discourse He argues that the first Kabbalists adopted a philosophic ethos that was foreign to traditional Rabbinic Judaism but had taken root in Languedoc and Catalonia under the influence of newly available philosophical materials In this ethos the act of investigating God was accorded great religious significance and it was its adoption by the first Kabbalists that helped spur them to engage in their investigations of God and in so doing develop Kabbalah

**Tormented Master** Dr. Arthur Green, 2013-04-22 A major contribution to the understanding of Hasidic Wisdom and thought it brings the reader closer to Hasidism's greatest teller of tales Elie Wiesel The search for spiritual meaning drives great leaders in all religions This classic work explores the personality and religious quest of Nahman of Bratslav 1772 1810 one of Hasidism's major figures It unlocks the great themes of spiritual searching that make him a figure of universal religious importance In this major biography Dr Arthur Green teacher scholar and spiritual seeker explores the great personal conflicts and inner torments that lay at the source of Nahman's teachings He reveals Nahman to have been marked at an early age by an exaggerated sense of sin and morbidity that later characterized his life and thought While subject to rapid mood swings and even paranoia Nahman is a model of spiritual and personal struggle who speaks to all generations Green's analysis of this troubled personality provides an important key to Nahman's famous tales making his teachings accessible for people of all faiths all backgrounds If there is any single feature about Nahman's tales and indeed about Nahman's life as well that makes them unique in the history of Judaism it is just this their essential motif is one of quest Nahman both as teller and as hero of these tales is Nahman the seeker He has already told us outside the tales of his refusal ever to stand on any one rung of his call for constant growth of his need to open himself up to ever new and more demanding challenges to his faith The tales now affirm this endless quest

from Excursus II The Tales      *Kabbalah Handbook* Gabriella Samuel, 2007-10-18 A comprehensive single volume reference guide to the terms and ideas of Kabbalah by a longtime teacher of Jewish mysticism perfect for the serious student and newcomer alike People of all faiths and backgrounds are drawn to the inspiration knowledge and spiritual insight that Kabbalah offers But too often writings on Jewish mysticism are impenetrable for the novice overly simplified for the advanced student or misrepresent and sensationalize Kabbalistic practice The *Kabbalah Handbook* is the first comprehensive single volume Kabbalah reference guide that is indispensable for Kabbalah students of every level The *Kabbalah Handbook* features more than five hundred key terms and concepts in straightforward easy to read definitions and thorough well researched discussions Hebrew English and Hebrew transliteration for each item the language of origin for each term a discussion of all sides of differing opinions within Kabbalistic philosophy pronunciation guides nondiscriminatory gender neutral language important historical information extensive cross referencing that enables readers to find all terms whether they are looking up a word in English or transliterated Hebrew twenty eight original and innovative illustrations thirty two tables and charts that organize and break down unwieldy material into manageable items and appendices covering topics such as the 613 Mitzvot biblical commandments the lunar calendar and the sacred names of God      **An Introduction to the Kabbalah** Moshe Hallamish, 2012-02-01 This book acquaints the reader with the world of the Kabbalah The first part discusses the Kabbalist as a person the personal transmission of Kabbalistic traditions the Kabbalist's qualities and qualifications prerequisites and early preparations risks and achievements as well as techniques for uncovering mysteries and the sources of revelations The second part deals with the major themes in the teachings of the Kabbalah such as the doctrine of the Sefirot the Sitra Ahra good and evil the creation of the world the status of the Torah and its commandments the doctrine of the soul and the transmigration of souls In treating these issues the book also notes the assimilation of Kabbalistic notions in Jewish religious customs      **Kabbalah in Italy, 1280-1510** Moshe Idel, 2011-01-01 This survey of the history of Kabbalah in Italy represents a major contribution from one of the world's foremost Kabbalah scholars Idel charts the ways that Kabbalistic thought and literature developed in Italy and how its unique geographical situation facilitated the arrival of both Spanish and Byzantine Kabbalah      *Tormented Master* Arthur Green, 1979 If Hasidism begins in the life enhancing spirituality of the Baal Shem Tov it concludes in the tortuous elitist and utterly fascinating career of Nahman of Bratslav 1722-1810 whose biography and teaching Arthur Green has set forth in his comprehensive moving and subtle study *Tormented Master* Arthur Green has managed to lead us through the thickets of the Bratslaver discourse with a grace and facility thus far unequaled in the English language literature on Hasidism *Tormented Master* is a model of clarity and percipience balancing awe respect and honor for its subject with a ruthless pursuit of documented truth *Tormented Master* is sufficiently open to the agonies of religion in general and the issues of modern religion in particular to make Nahman a thinker utterly relevant to our time Nahman of Bratslav is unique in the history of Judaism Green emphasizes for having

made the individual's quest for intimacy with God the center of the religious way. He was a Kierkegaard before his time, believing in the utter abandon of the life of faith and the risk of paradoxicality. He was more than all others the predecessor of Kafka whose tales like Nahman's have no explicit key and rankle, flush and irritate the spirit, compelling us even in our failure to understand to acknowledge their potency and challenge.
