**Bench Rules** Kevin Christensen, 2011-10-04 BENCH RULES tells the inspirational story of Kevin Christensen a former high school star who finds himself banished to the end of the bench on his college basketball team While navigating the turbulent emotions that come from being a little used reserve he realizes the important role he plays on his team Eventually he finds joy and meaning in that role and in doing so he transforms his basketball career into a story of triumph against the odds There have been many books praising the greatness of the select few but BENCH RULES is a guide for the other guys Accented by stories from his playing career Christensen shows us ten different ways a person can contribute to a team without scoring a single point or even playing a single minute on game day From superstar down through last player on the bench the ideas in this book are valuable to everyone who desires to become the best player teammate and person they can be BENCH RULES is the blueprint for those who want to become champions both on and off the court From The Press Democrat article on BENCH RULES and author Kevin Christensen Kevin Christensen has written a book for you for us about how to gain value and accomplishment from a situation that apparently offers so little of each After all what relevance can a Kobe Bryant autobiography have none of us share a smidgen of the skill of one of the top 10 talents to ever play basketball Unless we like playing voyeur and really how long is the shelf life on that one But no one has written until now what to do when you not only don't start you don't even play You're the last man on the bench and the other team knows it Bench Rules is timeless and limitless It can be applied to any sport in fact it can be applied to life Who among us has not been at the end of the bench discouraged depressed From basketball coach Steve Finamore writer of See the Ball basketball blog A few weeks ago an author from the West Coast recently published an amazing book he was kind enough to send one my way I was blown away It was so good I thought I would write a review Kevin Christensen has put together a marvelous book titled Bench Rules A Guide to Success On and Off the Bench You want a book that puts you right in the middle of the action Well Kevin has done a great job in telling his audience of his experience as a college basketball player who finds himself coming off the bench for his college basketball team I love how he writes about personal situations in the game and how he deals with them We can all agree that it sucks coming off the bench no one is ever happy with this role but Kevin took this opportunity and instead of complaining he made the best of it In Bench Rules

Kevin has sections covering Belief Extra Work Never Quitting Consistency and many others relevant to your improvement as a basketball player My favorite part of the book starts on page 71 where Kevin explains his love for the game He writes about his favorite team the Sacramento Kings great stuff To conclude do yourself a favor if you are looking for an excellent read this summer get your hands on this book and I bet you will not put it down

**Off the Bench** Fred Bowen,2023-03-28 Kris wants to be a star scorer like his brother so why does his coach keep him waiting on the bench Kris comes from a sports loving family His brother is the star scorer on the high school team and is being recruited by Division 3 colleges Kris longs to earn the same adulation and he s a good scorer for his junior high team But why won t his coach start him He s better on defense than his rival Carlos and nearly as good a shooter Soon Kris becomes obsessed with earning a place in his team s starting lineup He does everything he can think of including being an invaluable player every time he comes in But nothing seems to get Coach s attention Even after he learns the history of the valuable 6th man Kris can t seem to let it go How will he ever be a big scoring star For every kid who hates to read but loves basketball comes a suspenseful novel with plenty of play by play sports action A Bank Street Best Children s Book of the Year
