Training in No Time Amy Ammen,2008-04-21 Training in No Time supplies the training regimen today s busy lifestyles demand for both owners and their dogs It makes good use of how dogs learn and explains how to use that knowledge to establish and maintain the responses every dog owner wants The Sneakaway is the foundation of this training method Quite literally you turn your back and sneak away whenever your dog stops paying attention to you This method allows for easy teaching and effective problem solving by first focusing your dog s undivided attention on you even around the strongest distractions Then using daily subtle clues you give your dog in everyday interactions you can instill good habits The surest way to get permanent positive results is to recognize and change the few big ambiguities that allowed problems to surface and to use daily subtle clues to instill not destroy good habits Behavior is being molded 24 hours a day This results in consistent socially acceptable behavior under all circumstances and a well trained companion dog
