Off The Road An American Sketchbook:

Off the Road Elisha Cooper, 1996 In the summer of 1995 New York artist Elisha Cooper hit the road to capture America with his paint brush Fifteen thousand miles and 136 sketches later his cross country odyssey resulted in *Off the Road* a visual diary that captures the spirit of places as majestic as Yellowstone and as quaint as Alice North Dakota Beginning with the Manhattan skyline he heads north through the heart of New England loops back down through the deep south breezes past the arid Southwest hits the California coast and swings back through the Plains states on his way home to New York City It is a fifty day whirlwind tour that includes stop offs in Friendship Maine Intercourse Pennsylvania Moss Point Mississippi Enid Oklahoma Pilar New Mexico Hollywood Hills California Canby Oregon Moose Junction Wyoming Chicago Illinois and Muskegon Michigan A lovely gift with full color art throughout *Off the Road* is sure to delight readers with its whimsical yet perceptive look at America

Falling Elisha Cooper, 2017-06-13 Elisha Cooper spends his mornings creating children's books and his afternoons playing with his two daughters But when he discovers a lump in five year old Zo's midsection as she sits on his lap at a Chicago Cubs game everything changes Surgery sleepless nights months of treatment a drumbeat of worry Even as the family moves to New York and Zo starts kindergarten they must navigate a new normal school and soccer and hot chocolate at the local cafe interrupted by visits to the hospital Elisha and his wife help their daughters maintain a sense of stability and joy in their family life And he tries to understand this new world how it changes art and language and laughter as he holds on to the protective love he feels for his child With the observant eye of an artist and a remarkable sense of humor Cooper captures this emotional journey back to health

American Originals Tracy Daugherty, 2016-05-23 The novellas and stories in American Originals convey the power of the West Texas desert to swallow people literally or through the rituals of labor or through the raptures of ecstatic vision induced by blessings or madness and people's ability to forge connections in spite of extreme conditions Each piece in this thematically linked collection assumes a unique shape whether poetically compressed echoing only to break the contours of mystery stories or redolent of the forms of classical prayer The Texas of AMERICAN ORIGINALS becomes the landscape of strife and hope struggle and love lost and found The characters in the stories and novellas here learn sometimes the hard way the truth of T S Eliot's insight that the end of all our exploring in life is to arrive where we started and to know for the first time who we really are Saints and sinners and the blurred lines between them drive these spare narratives set in the plains and deserts of Texas Daugherty's fiction leaves us dry eyed and wiser in that place far beyond tears that we know from our own lives Shelby Hearon Daugherty combines the serious and literary with the funny and offbeat resulting in sparkle plenty prose with an ear for dialogue that never fails Beverly Lowry The Complete Works of William Makepeace Thackeray: The Paris sketchbook of Mr. M.A. Titmarsh ; and, Eastern sketches William Makepeace Thackeray, 1889

What results is a picture of a pioneering spirit who created busts and heads, functional designs, decorative work, and reliefs that are dynamic and unpredictable. Featuring over 140 images, *The Sculpture of Gertrude Hermes* is a groundbreaking study of an artist so long associated with one art form. This book redresses the imbalance and creates a new and fresh perspective on an important female artist of the twentieth century. Publisher's website: [American Trail](#). Ted Field, 2019-11-29. *American Trail* is a story of redemption and a young man's search for it. Jack Gale is a Baby Boomer, a member of that loud, narcissistic generation that grew up believing the American Dream was its entitlement. My generation was the first to grow up with television; is how Jack begins his story. It was the 1950s, an age of innocence when TV sitcoms taught families how to be dutiful, conforming, and child-centered. On Saturday mornings, kids sat on the floor watching cartoons and learned from the commercials what cereals their mothers should buy, the ones with the best toys boxed inside. Hey, kids, tell your mom they were told. The stuff of Jack's boyhood is Davy Crockett caps, Daisy air rifles, and *American Bandstand*. But so are fallout shelters in the basement and A-bomb drills in grade school. While he is in college, Jack's charmed life takes an unexpected turn: one night when he draws a low number in the national draft lottery and suddenly the threat of military service in Vietnam darkens his Dream. From there, he chooses a new trail, one that passes through some of his generation's defining touchstones: anti-war rallies, Woodstock, failed idealism, and a bohemian search for fulfillment. The trail takes him to a battleground with his father where they fight over differences in ambition, values, and duty. When Jack learns of a sociologist's claim that America's general happiness peaked in 1957 and has been declining ever since, he sees it as a reflection of his own life. Ultimately, he realizes his Dream was a gift and a debt to repay and finds redemption in the most unlikely place.

[Saffron Skies](#). Lesley Lokko, 2010-06-24. With five decades of family feuds, sibling rivalry, and love affairs, an exciting, intelligent blockbuster. *EVE*. This is everything you'd expect of a blockbuster: glamorous locations, ambitious female protagonists, and a singing, gliding narrative, but with a little more intelligence. *GLAMOUR*. Love, sex, adventure, glamour. What more could you ask for? *DAILY EXPRESS*. MAX, SALL, powerful, wealthy, and utterly ruthless, a man without a past. His wife, ANGELA, a society debutante who fell in love with the dark, handsome stranger and broke her parents' hearts when she married him. His mistress, FRANCESCA, the glamorous air stewardess who saw in Max her ticket out of the Italian provinces and grabbed it with both hands. And his daughters, AMBER, more like her father than she'll ever know, smart, shrewd, and determined to achieve whatever the cost, and PAOLA, groomed by her mother to succeed where she failed in getting a man to marry her. Max's women are very different, but they all demand his attention. While Amber and Paola are growing up in the 1970s, their mothers somehow find a way to share Max between them. But when Amber and Paola fall in love with the same man, two decades later, they're determined that this time there will be no sharing.
