Deadline Eric Weiner, 1996 Hector discovers a murder plot and he and the team race to save a beautiful woman with the help of their invisible friend Ghostwriter.

Night of the Living Cavemen Eric Weiner, 1995 The exhibits come to life and start stalking members of the Ghostwriter Team during a sleepover in the natural history museum. **The Writer's Practice** John Warner, 2019-02-05 Unique and

thorough Warner's handbook could turn any determined reader into a regular Malcolm Gladwell. Booklist For anyone aiming to improve their skill as a writer a revolutionary new approach to establishing robust writing practices inside and outside the classroom from the author of Why They Can't Write. After a decade of teaching writing using the same methods he'd experienced as a student many years before writer, editor, and educator John Warner realized he could do better. Drawing on his classroom experience and the most persuasive research in contemporary composition studies he devised an innovative new framework a step by step method that moves the student through a series of writing problems an organic bottom up writing process that exposes and acculturates them to the ways writers work in the world. The time is right for this new and groundbreaking approach. The most popular books on composition take a formalistic view utilizing templates in order to mimic the sorts of rhetorical moves academics make. While this is a valuable element of a writing education there is room for something that speaks more broadly. The Writer's Practice invites students and novice writers into an intellectually engaging active learning process that prepares them for a wider range of academic and real world writing and allows them to become invested and engaged in their own work. Cow-Eating Fish and Other Amazing Animals Christina Wilsdon, 1996 How do

animals hide, find food, talk to each other and get around? You'll find more fun facts in this trivia book. Includes an animal mystery in every chapter. *Disaster on Wheels* Nancy Butcher, 1995 The older kids on the Ghostwriter Team encounter creepy goings on while bicycling from Brooklyn to a sleepaway camp in the Catskill Mountains. How to Be Exceptional Stuart Browne, 2006-09-22 WARNING This book is not for people who want to remain ordinary. How to be exceptional is packed with 45 different ways for you to think, act, and communicate so that you achieve more of what you want in life. Unlike some self help books the non nonsense models in How to be exceptional are amazingly simple to understand each one is just

2 5 pages long so you can become more exceptional more quickly Find out how to reduce your stress influence people to get more of what you want become more positive and confident communicate more clearly perform at your peak at work or sport become more interesting to others make better decisions and find your ideal career *Lucille Ball FAQ* Barry Monush,2011-06-01 B W photos throughout
