## **Off With Her Head:**

**Off with Her Head!** Howard Eilberg-Schwartz, Wendy Doniger, 1995-11-14 Whereas many books look at how women's bodies are represented in different religions and cultures around the world this work explores the site of a woman's voice and identity her head The female head threatens to disrupt the classic gender distinctions that link men to speech identity and mind while relegating women to silence anonymity and flesh The contributors to this collection argue that the objectification of women as sexual and reproductive bodies results in their symbolic beheading Decapitation occurs symbolically in myths as well as in actual practices such as veiling head covering and cosmetic highlighting which by sexualizing a woman's face turns it into an extension of her body The essays explore how similar treatments of the female head find their unique articulation in diverse religious traditions and cultures in Hindu myths of beheading in Buddhist and Tantric practices and poetry about the hair of female nuns in the resistance to veiling by early Christian women at Corinth in contemporary veiling practices in a Turkish village in the eroticization of the female mouth in ancient Judaism and in Greek and Roman cosmetic practices Together these essays show how the depiction of the female head is critical for an understanding of gender and its influence on other fundamental religious and cultural issues **On Violence** Bruce B.

Lawrence, Aisha Karim, 2007-12-06 An interdisciplinary collection of primary texts on the subject of violence from Freud to Gramsci to Foucault from Ghandi to Osama bin Laden The editors' introductions frame the texts within questions of how violence is generated and perpetuated in so **The Perfect Wife** Ruth Ann Nordin, 2018-08-25 Natalie Harper has just married the man of her dreams All of her life she has wanted a husband who would be kind gentle and handsome She wanted a companion she could share her life with Mark Larson fulfills all of those dreams And she couldn't be happier However Mark is also wealthy The money doesn't mean anything to Natalie She's just happy to be loved by him but she soon discovers that his wealth comes with some unexpected problems She grew up on a farm with very little to her name No one cared about how people drank tea how well they danced or how much education they had They didn't judge people based on any of those things In Mark's world though she's expected to follow certain etiquette rules she didn't even know existed And the women in her new social circle aren't the least bit shy about letting her know she doesn't meet up to their standards Yes she married Mark because she loved him but she's quickly learning there's more to marriage than love A lot more And she's not sure she has what it takes to make it work **Sherlock Holmes and the Nine-Dragon Sigil** Tim Symonds, 2016-11-07 It's the year 1906 Rumours abound that a deadly plot is hatching not in the fog-ridden back alleys of London's Limehouse district or the sinister Devon moors of the Hound of the Baskervilles but in faraway Peking Holmes's task is to discover whether such a plot exists and if so foil it But are the assassins targeting the young and progressive Ch'ing Emperor or his imperious aunt the fearsome Empress Dowager Cixi The murder of either could spark a civil war The fate of China and the interests of Britain's vast Empire in the Orient could be at stake Holmes and Watson take up the mission with their customary confidence until

they find they are no longer in the familiar landscapes of Edwardian England Instead they tumble into the Alice In Wonderland world of the Forbidden City      **The Breathing Sea** E.P. Clark,2020-04-16 Dasha is a gift Only she s not very gifted Both books in the awarding winning Breathing Sea mini series in one omnibus edition Dasha was born at the behest of the gods her mother s pledge between the world of women and the world of spirits The Krasnograd kremlin looks to her to rule with fire steel and magic just as her Imperial foremothers did Instead she s shy retiring and the least magically talented girl her tutors have ever seen Now that she s almost a woman grown she needs to learn to harness her gifts but all she can do is have fits and useless visions When her father offers to take her on her first journey away from Krasnograd Dasha jumps at the chance to see her native land But their journey quickly turns into more than a mere pleasure trip The wide world is more dangerous than Dasha had imagined and her rapidly growing gifts may be the most dangerous thing in it But Dasha is not the only danger in Zem War is raging on its borders and threatens to spill into Zem itself No matter which side Dasha s people choose they may not be able to keep their freedom and their way of life Dasha may hold the key to protecting Zem but she may have to lose herself in order to save her people If you loved First Lessons or The Bear and the Nightingale try this epic fantasy saga set in a magical Slavic world where trees walk animals talk and women rule With discussion questions at the end      **Nicky the Psychopath & Rose the Christian [till death do us part.]** Lewis [the mask poet.]
