Poythress,Christopher Slobogin,2007-09-18 This is the definitive reference and text for both mental health and legal professionals The authors offer a uniquely comprehensive discussion of the legal and clinical contexts of forensic assessment along with best practice guidelines for participating effectively and ethically in a wide range of criminal and civil proceedings Presented are findings instruments and procedures related to criminal and civil competencies civil commitment sentencing

personal injury claims antidiscrimination laws child custody juvenile justice and more Essentials of Community Corrections Robert D. Hanser, 2018-01-03 Essentials of Community Corrections offers students a concise and practical perspective on community corrections while emphasizing successful offender reentry through strong community partnerships Author Robert D Hanser draws on his expertise with offender treatment planning special needs populations and the comparative criminal justice fields to present a complete introduction to community corrections today A variety of practical pedagogical tools offer students insights into the daily lives of those working in the field encouraging students to start thinking like practitioners Key Features What Would You Do assignments give students the chance to apply what they have learned by analyzing real world scenarios to determine the best course of action for common challenges in community supervision Applied Theory inserts throughout the book provide a focused application of a specific theory to particular issues in community corrections Cross National Perspective boxes demonstrate common themes in community corrections around the world as well as different approaches used in other countries Applied Exercises encourage students to reflect on their understanding of each chapter s content and to demonstrate their competence in using the information techniques and processes that they have learned Food for Thought features at the end of each chapter guide students through a recent research study related to community corrections and include follow up questions to help students think critically Sharing Your Opinion questions at the end of each chapter empower students to express their own views on the issues covered in the text The free open access Student Study site features carefully selected video links access to SAGE journal articles and more Instructors Community Corrections Robert D. Hanser, 2013-08-06 Offering comprehensive coverage with an applied practical perspective Community Corrections Second Edition covers all the major topics in the field while emphasizing reintegration and community partnerships and focusing strongly on assessment risk prediction and classification Author Robert D Hanser draws on his expertise with offender treatment planning special needs populations and the comparative criminal justice fields to present a complete assessment of the issues and challenges facing community corrections today Insights into how the day to day practitioner conducts business in community corrections are illustrated by such things as the increasing role technology plays in the field **Juvenile Risk and Needs Assessment** Christopher J. Sullivan, Kristina K. Childs, 2021-09-14 This book takes a comprehensive analytic approach to understanding Juvenile Risk and Needs Assessment JRNA covering elements relevant to how the practice affects youths cases and the juvenile justice system The work draws on both analysis of the extensive research on risk and needs assessment in the juvenile justice system as well as data from the authors recent work in the area Authors Sullivan and Childs have extensive experience in teaching about and doing research on the juvenile justice system including multiple studies on juvenile risk and needs assessment tools and their implementation This expansive integrative book leaves readers with a realistic sense of where things stand on the theory research policy and practice of JRNA By bringing together existing ideas and assessing them in depth it identifies possible

future paths and sparks ideas for improving the juvenile justice response to delinquent and at risk youths Juvenile Risk and Needs Assessment is essential reading for scholars of juvenile justice system impact and reform as well as practitioners engaged in youth and juvenile justice work ranging from the preventive to the rehabilitative stages **Encyclopedia of Prisons and Correctional Facilities** Mary Bosworth,2005 Are included Annotation 2004 Book News Inc Portland OR booknews com Intervening with Substance-abusing Offenders National Task Force on Correctional Substance Abuse Strategies (U.S.),1991 **Offender Risk and Needs Assessment Construction, Validation and Application** Xiaohan Mei,2018 The days considered Nothing Works in corrections are over Today we have entered a new age of Evidence based Practices EBP focusing on using scientifically validated policies strategies and tools to inform decision making The Risk Needs Responsivity RNR Model Principles emerged as one of the most effective rehabilitation models It has driven recent correctional reforms across the United States The RNR model has enabled correctional agencies to shift the focus from punishment to identifying the most risky individuals and matching offenders with the appropriate interventions and intensity level to promote positive offender changes reduce recidivism and enhance public safety The RNR model is the methodologically improved Risk and Needs Assessment RNA Tools To date there is sufficient empirical evidence to support the overall performance of the RNA tools to predict offenders future offending However the utility of the RNA tools have not been fully appreciated and there are some issues left unresolved One of the issues is that the construct validation did not keep up with predictive validation studies As a result the construct validity for most of the contemporary RNA tools has not been fully established The lack of construct validity severely limits the ability of the RNAs to accurately and reliably assess offenders criminogenic risk and needs factors This in turn limits correctional agencies ability to select the appropriate interventional strategies for mitigating offenders underlying criminal problems Therefore with the intention to optimize the effectiveness of correctional intervention and inform resource allocation this dissertation attempts to establish the construct validity of a fourth generation of RNA tools namely the Static Risk Offender Needs Guide Revised STRONG R By following the well regarded assessment protocol and using industry accepted analytical strategies I have put the construct validity of the STRONG R into rigorous empirical tests with a large sample of offenders under the supervision of the Washington State Department of Corrections WADOC As found the retained items identified an offender Global Risk Needs Factor that could be explained and assessed by five criminal metrics Finally the implications of the findings of the current research for scholarship and correctional practices are discussed Financial Services and General Government Appropriations for 2016 United States. Congress. House. Committee on Appropriations. Subcommittee on Financial Services and General Government,2015 **Financial Services and General Government Appropriations for 2014** United States. Congress. House. Committee on Appropriations. Subcommittee on Financial Services and General Government,2013 **Dictionary of Probation and Offender Management** Rob Canton,David Hancock,2013-06-17 Contemporary probation practice is developing rapidly and

is become increasingly professionalized Probation officers are typically described now as offender managers and the creation of NOMS National Offender Management Service has broadened the remit of the Probation Service As well as bringing an increased emphasis on skills and qualifications it has also introduced a new set of ideas and concepts into the established probation lexicon including institutional legal political and theoretical terms of its own as well as importing concepts from the disciplines of sociology criminology and psychology This Dictionary is the essential reference book This Dictionary is part a new series of Dictionaries covering key aspects of criminal justice and the criminal justice system and designed to meet the needs of both students and practitioners approximately 300 entries of between 500 and 1500 words on key terms and concepts arranged alphabetically designed to meet the needs of both students and practitioners entries include summary definition main text and key texts and sources takes full account of emerging occupational and Skills for Justice criteria edited by a leading academic and practitioner in the probation and offender management field entries contributed by leading academic and practitioners in probation and offender management

Encyclopedia of Community Corrections Shannon M. Barton-Bellessa, 2012-04-17 In response to recognition in the late 1960s and early 1970s that traditional incarceration was not working alternatives to standard prison settings were sought and developed One of those alternatives community based corrections had been conceived in the 1950s as a system that might prove more progressive humane and effective particularly with people who had committed less serious criminal offenses and for whom incarceration with constant exposure to serious offenders and career criminals might prove more damaging than rehabilitative The alternative of community corrections has evolved to become a substantial part of the criminal justice and correctional system spurred in recent years not so much by a progressive humane philosophy as by dramatically increasing prison populations court orders to fix overextended prison settings and an economic search for cost savings Although community correction programs have been in place for some 40 years now to date no comprehensive reference resource has tackled this topic Accessible and jargon free and available in both print and electronic formats the one volume Encyclopedia of Community Corrections will explore all aspects of community corrections from its philosophical foundation to its current inception Features Benefits 150 signed entries each with Cross References and Further Readings are organized in A to Z fashion to give students easy access to the full range of topics in community corrections A thematic Reader s Guide in the front matter groups entries by broad topical or thematic areas to make it easy for users to find related entries at a glance In the electronic version the Reader s Guide combines with a detailed Index and the Cross References to provide users with convenient search and browse capacities A Chronology in the back matter helps students put individual events into broader historical context A Glossary provides students with concise definitions to key terms in the field A Resource Guide to classic books journals and web sites along with the Further Readings accompanying each entry guides students to further resources in their research journeys An Appendix offers statistics from the Bureau of Justice *District of Columbia Appropriations for 2003* United States.
