Projit Bihari

Offering Flowers Feeding Skulls:

Offering Flowers, Feeding Skulls June McDaniel, 2004-08-05 The Indian state of West Bengal is home to one of the world's most vibrant traditions of goddess worship. The year's biggest holidays are devoted to the goddesses Durga and Kali with lavish rituals, decorated statues, fireworks, and parades. In *Offering Flowers Feeding Skulls* June McDaniel provides a broad, accessibly written overview of Bengali goddess worship. McDaniel identifies three major forms of goddess worship and examines each through its myths, folklore, songs, rituals, sacred texts, and practitioners. In the folk/tribal strand, which is found in rural areas, local tribal goddesses are worshipped alongside Hindu goddesses with an emphasis on possession, healing, and animism. The tantric/yogic strand focuses on ritual, meditation, and visualization as ways of experiencing the power of the goddess directly. The devotional or bhakti strand, which is the most popular form, involves the intense love and worship of a particular form of the goddess. McDaniel traces these strands through Bengali culture and explores how they are interwoven with each other as well as with other forms of Hinduism. She also discusses how these practices have been reinterpreted in the West, where goddess worship has gained the values of sexual freedom and psychological healing but lost its emphases on devotion and asceticism. *Offering Flowers Feeding Skulls* takes the reader inside the lives of practicing Shaktas, including holy women, hymn singers, philosophers, visionaries, gurus, ascetics, healers, musicians, and businessmen, and offers vivid descriptions of their rituals, practices, and daily lives. Drawing on years of fieldwork and extensive research, McDaniel paints a rich, expansive portrait of this fascinating religious tradition.

Drawing on years of fieldwork and extensive research, McDaniel paints a rich, expansive

portrait of this fascinating religious tradition **Offering Flowers, Feeding Skulls** June McDaniel,2004 In *Offering Flowers Feeding Skulls* June McDaniel provides an overview of Bengali goddess worship or Shakti She identifies three major forms of goddess worship and examines each through its myths folklore songs rituals sacred texts and practitioners tracing these strands through Bengali culture *Hindu Goddesses* Lynn Foulston,2009-07-03 Explores the diversity of Hindu goddesses and the variety of ways in which they are worshipped Although they undoubtedly have ancient origins Hindu goddesses and their worship is still very much a part of the fabric of religious engagement in India today This book offers an introduction to a complex and often baffling field of study **Hindu Images and their Worship with special reference to Vaisnavism** Julius Lipner,2017-04-21 Hinduism comprises perhaps the major cluster of religious cultural traditions of India and it can play a valuable role in helping us understand the nature of religion and human responses to life Hindu image worship lies at the core of what counts for Hinduism up front and subject to much curiosity and misunderstanding yet it is a defining feature of this phenomenon This book focuses on Hindu images and their worship with special reference to Vaisnavism a major strand of Hinduism Concentrating largely but not exclusively on Sanskrit source material the author shows in the course of the book that Hindu image worship may be understood via three levels of interpretation the metaphysical theological the narrational or mythic and the performative or ritual Analysing the chief philosophical paradigm underlying Hindu image worship and its implications the book exemplifies its widespread application and tackles among other topics such as the origins of image worship in Hinduism the transition from Vedic to image worship a distinguishing feature of Hindu images their multiple heads and limbs Finally with a view to laying the grounds for a more positive dialogic relationship between Hinduism and the Abrahamic faiths which tend to condemn Hindu image worship as idolatry the author examines the theological explanation and justification for embodiment of the Deity in Hinduism and discusses how Hinduism might justify itself against such a charge Rich in Indological detail and with an impressive grasp of the philosophical and theological issues underlying Hindu material culture and image worship this book will be of interest to academics and others studying theology Indian philosophy and Hinduism *Tibetan Dream Yoga* Michael Katz ,2011-11-01 In the modern era Sigmund Freud observed that the most common dreams are typically the product of our anxieties and preoccupations The prevalence of common dreams has spawned mechanistic type theories by contemporary scientists hypothesizing the inconsequentiality of all dreams In this book I have attempted to balance the slate by consolidating information as to the function and meaning of dreams and the transcendent possibilities they represent In contrast to the aforementioned quasi scientific theories rich Dream Yoga traditions attribute mystical and trans personal value to some classes of dreams Tibetan Buddhist Dream Yoga masters along with teachers from other traditional cultures recognizes that while it is true that many dreams are relatively inconsequential in regards to content some dreams have great significance **Indian Asceticism** Carl Olson,2015 Throughout the history of Indian religions the ascetic figure is most closely identified with power A by

product of the ascetic path power is displayed in the ability to fly walk on water or through dense objects read minds discern the former lives of others see into the future harm others or simply levitate one's body These tales give rise to questions about how power and violence are related to the phenomenon of play Indian Asceticism focuses on the powers exhibited by ascetics of India from ancient to modern time Carl Olson discusses the erotic the demonic the comic and the miraculous forms of play and their connections to power and violence He focuses on Hinduism but evidence is also presented from Buddhism and Jainism suggesting that the subject matter of this book pervades India's major indigenous religious traditions The book includes a look at the extent to which findings in cognitive science can add to our understanding of these various powers Olson argues that violence is built into the practice of the ascetic Indian Asceticism culminates with an attempt to rethink the nature of power in a way that does justice to the literary evidence from Hindu Buddhist and Jain sources

Transformations and Transfer of Tantra in Asia and Beyond István Keul, 2012-01-27 The essays in this volume written by specialists working in the field of tantric studies attempt to trace processes of transformation and transfer that occurred in the history of tantra from around the seventh century and up to the present The volume gathers contributions on South Asia Tibet China Mongolia Japan North America and Western Europe by scholars from various academic disciplines who present ongoing research and encourage discussion on significant themes in the growing field of tantric studies In addition to the extensive geographical and temporal range the chapters of the volume cover a wide thematic area which includes modern Bengali tantric practitioners tantric ritual in medieval China the South Asian cults of the mother goddesses the way of Buddhism into Mongolia and countercultural echoes of contemporary tantric studies **Religious**

Individualisation Martin Fuchs, Antje Linkenbach, Martin Mulsow, Bernd-Christian Otto, Rahul Bjørn Parson, Jörg Rüpke, 2019-12-16 This volume brings together key findings of the long term research project Religious Individualisation in Historical Perspective Max Weber Centre for Advanced Cultural and Social Studies Erfurt University Combining a wide range of disciplinary approaches methods and theories the volume assembles over 50 contributions that explore and compare processes of religious individualisation in different religious environments and historical periods in particular in Asia the Mediterranean and Europe from antiquity to the recent past Contrary to standard theories of modernisation which tend to regard religious individualisation as a specifically modern or early modern as well as an essentially Western or Christian phenomenon the chapters reveal processes of religious individualisation in a large variety of non Western and pre modern scenarios Furthermore the volume challenges prevalent views that regard religions primarily as collective phenomena and provides nuanced perspectives on the appropriation of religious agency the pluralisation of religious options dynamics of de traditionalisation and privatisation the development of elaborated notions of the self the facilitation of religious deviance and on the notion of dividuality **Doctoring Traditions** Projit Bihari, 2016-10-14 Like many of the traditional medicines of South Asia Ayurvedic practice transformed dramatically in the later nineteenth and early twentieth centuries With Doctoring

Tradition Projit Bihari Mukharji offers a close look at that recasting upending the widely held yet little examined belief that it was the result of the introduction of Western anatomical knowledge and cadaveric dissection Rather Mukharji reveals what instigated those changes were a number of small technologies that were introduced in the period by Ayurvedic physicians men who were simultaneously Victorian gentlemen and members of a particular Bengali caste The introduction of these devices including thermometers watches and microscopes Mukharji shows ultimately led to a dramatic reimagining of the body By the 1930s there emerged a new Ayurvedic body that was marked as distinct from a biomedical body Despite the protestations of difference this new Ayurvedic body was largely compatible with it The more irreconcilable elements of the old Ayurvedic body were then rendered therapeutically indefensible and impossible to imagine in practice The new Ayurvedic medicine was the product not of an embrace of Western approaches but of a creative attempt to develop a viable alternative to the Western tradition by braiding together elements drawn from internally diverse traditions of the West and the East

Spiritual Healing from Sexual Violence Debra Meyers, Mary Sue Barnett, 2023-05-18 *Spiritual Healing from Sexual Violence An Intersectional Guide* is a collection of essays from survivors scholars activists spiritual leaders and social justice practitioners that offers numerous intersectional and culturally competent options for women men and non binary conforming adults to create their own safe healing conditions and establish pathways for recovery These chapters provide a wide range of survival stories that raise awareness of the issues involved in healing after sexual assault and also provide inspiration for reforming negative societal issues and patterns In a classroom setting these chapters deliver both the culturally grounded knowledge and the skillsets necessary for recovery This is a vital guide for students and practitioners in counseling social work theology and gender studies

Religion and Myth in the Marvel Cinematic Universe Michael D. Nichols, 2021-02-11 Breaking box office records the Marvel Cinematic Universe has achieved an unparalleled level of success with fans across the world raising the films to a higher level of narrative myth This is the first book to analyze the Marvel output as modern myth comparing it to epics symbols rituals and stories from world religious traditions This book places the exploits of Iron Man Captain America Black Panther and the other stars of the Marvel films alongside the legends of Achilles Gilgamesh Arjuna the Buddha and many others It examines their origin stories and rites of passage the monsters shadow selves and familial conflicts they contend with and the symbols of death and the battle against it that stalk them at every turn The films deal with timeless human dilemmas and questions evoking an enduring sense of adventure and wonder common across world mythic traditions

Pilgrimage and Politics in Colonial Bengal Imma Ramos, 2017-03-16 *Reviving Sati's corpse Mother India tours and Hindutva in the twenty first century* Bibliography Index

Historical Dictionary of the Bengalis Kunal Chakrabarti, Shubhra Chakrabarti, 2013-08-22 The Bengali Bangla speaking people are located in the northeastern part of South Asia particularly in Bangladesh and two states of India West Bengal and Tripura There are almost 246 million Bengalis at present which makes them the fifth largest speech community in the world Despite political and social divisions

they share a common literary and musical culture and several habits of daily existence which impart to them a distinct identity The Bengalis are known for their political consciousness and cultural accomplishments The Historical Dictionary of the Bengalis provides an overview of the Bengalis across the world from the earliest Chalcolithic cultures to the present This is done through a chronology an introductory essay and an extensive bibliography The dictionary section has over 750 cross referenced dictionary entries on politicians educators and entrepreneurs leaders of religious and secular institutions writers painters actors and other cultural figures and more generally on the economy education political parties religions women and minorities literature art and architecture music cinema and other major sectors This book is an excellent access point for students researchers and anyone wanting to know more about the Bengalis *Folklore, Religion and the Songs of a Bengali Madman* Carola Lorea,2016-08-01 This book explores historical and cultural aspects of modern and contemporary Bengal through the performance centred study of a particular repertoire the songs of the saint composer Bhaba Pagla 1902 1984 who is particularly revered among Baul and Fakir singers The author shows how songs if examined as sacred scriptures represent multi dimensional texts for the study of South Asian religions Revealing how previous studies about Bauls mirror the history of folkloristics in Bengal this book presents sacred songs as a precious symbolic capital for a marginalized community of dislocated and unorthodox Hindus who consider the practice of singing in itself an integral part of the path towards self realization *Women's Lives, Women's Rituals in the Hindu Tradition* Tracy Pintchman,2007-03-29 In this book Tracy Pintchman has assembled ten leading scholars of Hinduism to explore the complex relationship between Hindu women s rituals and their lives beyond ritual The book focuses particularly on the relationship of women s ritual practices to domesticity exposing and exploring the nuances complexities and limits of this relationship In many cultural and historical contexts including contemporary India women s everyday lives tend to revolve heavily around domestic and interpersonal concerns especially care for children the home husbands and other relatives Hence women s religiosity also tends to emphasize the domestic realm and the relationships most central to women But women s religious concerns certainly extend beyond domesticity Furthermore even the domestic religious activities that Hindu women perform may not merely replicate or affirm traditionally formulated domestic ideals but may function strategically to reconfigure reinterpret criticize or even reject such ideals This volume takes a fresh look at issues of the relationship between Hindu women s ritual practices and normative domesticity In so doing it emphasizes female innovation and agency in constituting and transforming both ritual and the domestic realm and calls attention to the limitations of normative domesticity as a category relevant to many forms of Hindu women s religious practice **Goddesses in World Culture** Patricia Monaghan,2010-12-01 This collection of accessible essays relates the stories of individual goddesses from around the world exploring their roles in the cultures from which they came their histories and status today and the controversies surrounding them Goddesses in World Culture brings readers the fascinating stories of close to 100 of the world s goddesses ranging from the immediately recognizable to the

obscure These figures many of whom derive from ancient cultures and civilizations serve as points of departure for examining questions that go well beyond the role of women in religion and spirituality to include social organization environmental awareness historical developments and psychological archetypes Each volume of this groundbreaking set is composed of 20-25 previously unpublished articles written by expert contributors from diverse disciplines Volume one covers Asia and Africa volume two covers the Eastern Mediterranean and Europe and volume three covers Australia and the Americas Goddesses from cultures often overlooked in texts on religion such as those of the Australian Aborigines Korea Nepal and the Caribbean are included here In addition the work offers new translations of ancient texts introduces little known folklore and suggests new approaches to contemporary religious practices

Is This Yoga? Anya Foxen, Christa Kuberry, 2021-05-31 This book provides a rigorously researched critically comparative introduction to yoga *Is This Yoga* Concepts Histories and the Complexities of Contemporary Practice recognizes the importance of contemporary understandings of yoga and at the same time provides historical context and complexity to modern and pre modern definitions of yogic ideas and practices Approaching yoga as a vast web of concepts traditions social interests and embodied practices it raises questions of knowledge identity and power across time and space including the dynamics of East and West The text is divided into three main sections thematic concepts histories and topics in modern practice This accessible guide is essential reading for undergraduate students approaching the topic for the first time as well as yoga teachers teacher training programs casual and devoted practitioners and interested non practitioners

'Yogini' in South Asia István Keul, 2013-07-18 In different stages in the history of South Asian religions the term yogin has been used in various contexts to designate various things a female adept of yoga a female tantric practitioner a sorceress a woman dedicated to a deity or a certain category of female deities This book brings together recent interdisciplinary perspectives on the medieval South Asian cults of the Yoginis such as textual philological historical art historical indological anthropological ritual and terminological The book discusses the medieval yogin cult as illustrated in early aiva tantric texts and their representations in South Asian temple iconography It looks at the roles and hypostases of yogin s in contemporary religious traditions as well as the transformations of yogin related ritual practices In addition this book systematizes the multiple meanings and proposes definitions of the concept and models for integrating the semantic fields of yogin Highlighting the importance of research from complementary disciplines for the exploration of complex themes in South Asian studies this book is of interest to scholars of South Asian Studies and Religious Studies

The Ethnography of Tantra Carola E. Lorea, Rohit Singh, 2023-11-01 This is the first collection of essays to approach the topic of Tantric Studies from the vantage point of ethnography and lived religion moving beyond the centrality of written texts and giving voice to the everyday life and livelihoods of a multitude of Tantric actors Bringing together a team of international scholars whose contributions range across diverse communities and traditions in South Asia Southeast Asia and the Himalayan region the book connects distant

shores of Tantric scholarship and lived Tantric practices The contributors unpack Tantra's relationship to the body ritual performance sexuality secrecy power hierarchies death magic and healing while doing so with vigilant sensitivity to decolonization and the ethics of fieldwork Through diverse ethnographies of Tantra and attention to lived experiences and life stories the book challenges normative definitions of Tantra and maps the variety of Tantric traditions providing comparative perspectives on Tantric societies across regions and religious backgrounds The accessible tone of the ethnographic case studies makes this an ideal book for undergraduate or graduate audiences working on the topic of Tantra
