Anchored to Eternity□**Path of the Inner Life** □□□,2025-03-10 We live on earth as if sailing at sea This book points out how we may find a harbor for our souls to rest anchoring in God so that our lives are connected to Him sure and steadfast and one which enter within the veil and enter into eternity Now we have a great hope not only to draw near to God but to dwell in Him tasting a glimpse of heaven **CHURCH AND MONEY** ISAIAH MACWEALTH, The subject of church finances church financing pastors and financial integrity has become a major discourse on every major social media platform leaving people in three categories Those who believe and adhere strongly to church funding Those who are totally against church funding and capitalizing ministry and Those who are not really sure of where to stand because of the confusing rhetoric I have always been a lover of the truth and what I hate most in life is not the devil or demons or sin but half truth because that does more damage than any devil or any demon God loves a cheerful giver The only problem God has with a giver is not whether he gave 10% or 20% or more it is whether he is cheerful in his giving So I don t think we should be fighting those who have gotten the revelation to give huge amounts and let that be our problem We should not be trying to discourage people from doing what God loves for giving to better lives expand the kingdom and cater properly for those who propagate the Gospel Instead if there is anything to discuss it should be about how we can be more cheerful about our giving Therefore in this book I have thought to share with you simple reasons from scriptures about giving especially in the area of offerings and tithes and to help those of you who may be confused not because you do not want to give but because you are finding a good reason to do so I want to lend you my understanding as one who is not arguing or discussing about the subject but as one who has walked in the reality of giving laying down everything that I had and having God replace and multiply them I have seen giving work in my life and in the lives of people all around me If you read this book with sincerity and openness of heart line upon line and precept upon precept steadily from one chapter to the other whether or not you have some struggles along the way I believe that at the end of the discourse you would not only be learned on the subject but be able to teach others also **CHURCH ADMINISTRATION AND FINANCES** ISAIAH MACWEALTH,2025-05-21 Without money one

cannot effectively carry out ministry as money is the physical blood of ministry Yet as important as it is for all transactions money is also a tool for evil transactions Thus the problem of money is one that pastors have to deal with because you can neither do without it nor love it We expatiate on the spirituality required in handling church money and how to deal with the money may pose to the growth of your church in it you would learn about The money vehicle The spirituality of church
