*Office of Hope* David Price, 2000 Discusses the history of the employment service in the United Kingdom from its establishment in 1910 to the 1990s Examines its role during mobilization and demobilization and changes in its administrative framework during the tenure of successive political parties *The Routledge Encyclopaedia of UK Education, Training and Employment* John P. Wilson, 2013-12-16 A comprehensive guide to all the main labour market initiatives and agencies combining education and employment in the UK this encyclopaedia presents an historical progression from the Guilds and Statute of Artifices in 1563 through to present day initiatives and changes Fully cross referenced throughout with a full list of acronyms bibliographic and internet resources the encyclopaedia includes Detailed descriptions of all major government initiatives connecting education training and employment Documentation covering England Northern Ireland Scotland and Wales and initiatives in Ireland up to Irish independence A brief history of education and employment in the UK Chronological history of Government Departments Outlines of all major public agencies and qualifications An extensive glossary of acronyms Information on rarely recorded and inaccessible historical documents With over 1500 entries this encyclopaedia crosses knowledge boundaries providing for the first time an integrated map of national human capital development It addresses preschool initiatives primary secondary further and higher education vocational education and training labour market interventions including those designed to return people to employment and government strategies designed to enhance economic and technological competitiveness The cross referenced structure provides connections to associated items and a chronological tracing of agencies and initiatives This encyclopaedia will appeal to those involved in all aspects of education training employment careers information advice and guidance and policy making **Connecting People with Jobs Activation Policies in the United Kingdom** OECD, 2014-07-15 This report examines recent activation policies in the United Kingdom aimed at moving people back into work It offers insight into how countries can improve the effectiveness of their employment services and also control spending on benefits *Before and Beyond the 'Big Society'* Joseph Forde, 2022-01-01 John Milbank's theology has shaped much modern political thinking both within and without the Church In *Before and Beyond the Big Society* Joseph Forde presents the first study devoted exclusively to John Milbank's theology of welfare and how it has influenced policy in the Church of England since 2008 By examining the favourable response the Church gave to the Big Society project in 2010-12 Forde shows that Milbank's Blue Socialist fingerprint increasingly dominates Church policy This theology has not evolved in a vacuum however and Forde expertly places it in its historical and theoretical context He offers a detailed critical discussion of Milbank's own critique of what has been the mainstream Temple Anglican theology of welfare in the Church of England since the 1940s and a fresh contribution to the assessment of Anglican social theology Finally he demonstrates how Milbank's ideas have been furthered by other influential Anglicans It is this influence that will carry the greatest implications for the Church of England's policy on welfare in future

making this study relevant to all who care about its contribution to the provision of welfare      Githa Sowerby: Three Plays  
 Githa Sowerby,2021-02-01 Githa Sowerby's Rutherford and Son took the London theatre by storm in 1912 Following its triumphant run the play toured to New York was produced throughout England and was translated and staged in multiple European locations Yet Sowerby's initial theatrical success would not be repeated With historical hindsight we can see Sowerby's experience as comparable to that of many other women writers who struggled to achieve lasting recognition especially when their work was perceived as critiquing the forces restricting women's lives These vivid domestic dramas explore timely questions of capitalism feminism and personal freedom With the acclaimed revival of Rutherford at the National Theatre in 1994 and with the efforts by feminist scholars and theatre artists to rediscover the work of such forgotten women writers Sowerby and her dramas have secured renewed interest This edition gathers Rutherford and Son its companion piece A Man and Some Women and the postwar play The Stepmother The edition will provide teachers students and artists with important historical contexts for Sowerby's dramas and will demonstrate the ongoing cogency of these dynamic insightful and engaging plays      **The Politics of Unemployment Policy in Britain** Jay Wiggan,2024-07-26 This book provides an account of the evolution of social security and employment policy and governance in Britain between 1973 and 2023 It explains how this remaking of policy and governance shaped and was shaped by the transformation of the labour market and power of claimants and workers Advancing a class centred explanation the text situates contemporary working age active labour market policy as the contingent outcome of a long struggle over curtailment of labour autonomy and the challenges arising from policy success for securing social cohesion state legitimacy and better economic conditions for growth      **From the Manpower Revolution to the Activation Paradigm** J. Timo Weishaupt,2011 This illuminating book examines the origins and evolution of labor market policy in Western Europe in three phases a manpower revolution during the 1960s and 1970s a phase of international disagreement about the causes of and remedies for unemployment which triggered a variety of policy responses in the late 1970s and 1980s and finally the emergence of an activation paradigm in the late 1990s the influence of which continues to reverberate today J Timo Weishaupt contends that the evolution of labor market policy is determined not only by historical trajectories or coalitional struggles but also by policy makers changing normative and cognitive beliefs Including case studies of Austria Denmark Germany Ireland Sweden and the United Kingdom this study will be of value to anyone interested in labor market policy and its governance      **Contractualism in Employment Services** E. Sol,Mies Westerveld,Maria Westerveld,2005-01-01 Among the issue explored are the following motivation mobility and flexibility in the labour market effect of contractualisation on public accountability and responsibility effect on the individual's statutory relationship under social security whether and to what extent the conditions on which one country successfully introduces contractualisation apply to other countries and the unemployed individual as contract partner What conditions can he or she set The analyses focus on experience with contracts as service deliverance in the

labour markets of eight countries Australia the United Kingdom The Netherlands Belgium France Germany and Finland Because a certain measure of experience has already been built up by governments providers and clients now is the time to try and learn from good as well as bad practices in order to build coherent institutional frameworks to help the unemployed

Beyond the Welfare State Mick Carpenter, Belinda Freda, Stuart Speeden, 2007 Explores equality discrimination and human rights in relation to employability and welfare to work policies bringing together a range of illustrative studies that gives voice to a variety of potentially marginalised groups

**Engaging Public Sector Clients** John Alford, 2009-04-08 Exploring three rich cases across three countries this book shows how government organizations need their clients to contribute time and effort to co producing public services and how organizations can better elicit this work from them by providing good client service and appealing to their intrinsic needs and social values

**OECD Employment Outlook 2004** OECD, 2004-07-07 OECD's annual assessment of labour market developments and prospects in the OECD area This 2004 edition examines working time scheduling family arrangements employment protection regulations wage setting institutions improving skills and informal employment Includes a statistical annex

Looking for Work in Post-Socialist China Feng Xu, 2012-03-15 Unemployment is one of the most politically explosive issues in China and has gained further prominence as a result of the present global financial crisis The novelty urgency and complexity of Chinese unemployment have compelled the government to experiment with policy initiatives that originate in the West This book argues that although China is not a liberal democracy it has turned to neo liberal forms of governance to deal with unemployment which now function alongside pre existing Chinese modes of governance This book examines the initiatives which represent China's attempt to institutionalize and humanize its approach to governance these initiatives include training programmes counselling a web based national labour market information network insurance and using community shequ organizations as the base for new mechanisms of governance and informal job generation Based on extensive original research including semi structured interviews the book discusses the ways in which the government combines the new techniques with old campaign style policy techniques The author argues that these multiple modes of governance make the state's power visible in the new Chinese labour market and at the same time run the risk of policy incoherence or even failure

*The Governance of Active Welfare States in Europe* Willibrord de Graaf, Rik Van Berkel, T. Sirovátka, 2011-05-27 During the last decade many European countries introduced extensive reforms to the way that income protection and activation programmes for the unemployed are implemented and delivered This book analyzes and compares these reforms in nine European countries focusing on the reforms programmes themselves as well as on their effects

*The British National Bibliography* Arthur James Wells, 2002

Performing Welfare Sarah Bartley, 2020-09-03 This book explores what happens to socially committed performance when state systems of social security are dismantled Since 2010 a punishing programme of economic austerity and a seismic overhaul of the Welfare State in the United Kingdom has been accompanied by an ideological assault on dependency a

pervasive scapegoating of the poor young and disabled and an intensification of the discursive relationship between morality and work This book considers the artistic material and ideological consequences of such shifts for applied and socially engaged performance Performing Welfare reveals how such arts practices might reconstitute notions of work and labour in socially constructive ways It focuses on the political potential of participation during a period in which classifications of labour and productivity are intensely contested It examines the migration of discourses from state policy to the cultural sector narratives of community and aesthetics of dependency the paradoxes of visibility in creative projects with stigmatised participants the implicit relationship of participatory performance to neoliberal productivity and the parallels between gendered divisions of labour social reproduction and applied performance It will appeal to students scholars and practitioners interested in applied and socially engaged performance participation community representation the welfare state social policy labour and unemployment

Employer Engagement Jo Ingold, Patrick McGurk, 2024-03-12 Active labour market policies aim to assist people not in work into work through a range of interventions including job search training and in work support and development While policies and scholarship predominantly focus on jobseekers engagement with these initiatives this book sheds light for the first time on the employer's perspective

*Social Policy Review* 23 Holden, Chris, Kilkey, Majella, 2011-06-17 This edition of Social Policy Review presents an extensive analysis of the coalition government's social policies In an expanded first section experts in a range of policy areas analyse the rationale behind and implications of government reforms whilst the second section examines education policy in an international context It is essential reading for social policy academics and students and for anyone who is interested in the implications of government policy

Public Employment Offices Shelby Millard Harrison, Bradley Buell, Mary La Dame, Leslie E. Woodcock, Frederick Alonzo King, 1924

**The Neoliberal Age?** Aled Davies, Ben Jackson, Florence Sutcliffe-Braithwaite, 2021-12-07 The late twentieth and early twenty first centuries are commonly characterised as an age of neoliberalism in which individualism competition free markets and privatisation came to dominate Britain's politics economy and society This historical framing has proven highly controversial within both academia and contemporary political and public debate Standard accounts of neoliberalism generally focus on the influence of political ideas in reshaping British politics according to this narrative neoliberalism was a right wing ideology peddled by political economists think tanks and politicians from the 1930s onwards which finally triumphed in the 1970s and 1980s The Neoliberal Age suggests this narrative is too simplistic Where the standard story sees neoliberalism as right wing this book points to some left wing origins too where the standard story emphasises the agency of think tanks and politicians this book shows that other actors from the business world were also highly significant Where the standard story can suggest that neoliberalism transformed subjectivities and social lives this book illuminates other forces which helped make Britain more individualistic in the late twentieth century The analysis thus takes neoliberalism seriously but also shows that it cannot be the only explanatory framework for understanding

contemporary Britain The book showcases cutting edge research making it useful to researchers and students as well as to those interested in understanding the forces that have shaped our recent past
