Office XP Timothy J. O'Leary, O'Leary Timothy, 2003-05 The goal of the O Leary Series is to give students a basic understanding of computing concepts and to build the skills necessary to ensure that information technology is an advantage in whatever career they choose in life The O Leary Office 2000 Enhanced and Office XP texts are crafted to be the true step by step way for students to develop Microsoft Office application skills The text design emphasizes step by step instructions with full screen captures that illustrate the results of each step performed Each Tutorial chapter combines conceptual coverage with detailed software specific instructions A running case that is featured in each tutorial highlights the real world applications of each software program and leads students step by step from problem to solution **MS Office XP**, 2002 The I Series Applications textbooks strongly emphasize that students learn and master applications skills by being actively engaged by doing These texts have been written with clear error free and unambiguous steps to accomplish tasks that lead to a finished document worksheet or database table The authors made the decision that teaching how to accomplish some task is not enough for complete understanding and mastery Prior to introducing steps the authors discuss why the steps students are about to experience are important and what role the steps play in the overall plan for creating a document workbook or database **Performing with Microsoft Office XP** Iris Blanc, Cathy Vento, Blanc, Jean-Jacques, Vento, Iris Blanc Cathy Vento, 2001-11-29 The Performing Series takes students to a higher level of learning through applied and project based activities that go beyond the mechanics of the software Most textbooks begin by teaching students software skills The Performing Series presents various business documents first then shows students the Office XP skills they need to create them This approach shows students the relevance of what they are learning as they apply technology to task Microsoft Office XP Stephen Haag, James Perry, 2002 The I Series Applications textbooks strongly emphasize that students learn and master applications skills by being actively engaged by doing These texts have been written with clear error free and unambiguous steps to accomplish tasks that lead to a finished document worksheet or database table The authors made the decision that teaching how to accomplish some task is not enough for complete understanding and mastery Prior to introducing steps the authors discuss why the steps students are about to experience are important and what role the steps play in the overall plan for creating a document workbook or database Getting Started with Microsoft Office XP Pamela R. Toliver, Yvonne Johnson, 2001-11 The Select Series Microsoft R Office XP Select s easy to follow step by step approach lays the groundwork for students to have early success with Office XP and to gain the confidence they need to apply their skills to text projects and cases as well as to everyday work challenges The Practical Running Case and the clear instructions guide students to mastering Office XP in the classroom and beyond Select is certified to the Core and Expert levels giving students the full range of competencies in Office XP **Microsoft Office XP** June Jamrich Parsons, Patrick Carey, Ann Shaffer, Kathy T. Finnegan, 2003 A case based step by step approach to learning how to use Microsoft Office XP **Microsoft Office**
