Crime Signals David Givens, 2013-11-19 Crime is never unpredictable. Before a lie is spoken a pocket is picked or an assault is inflicted each and every criminal gives off silent cues. They can be as subtle as a shrug of the shoulder a pointed finger or an averted gaze. But together they make up a nonverbal language that speaks loud and clear if you're trained to see it. CRIME SIGNALS is the first book to offer a comprehensive guide to the body language of criminals. Filled with amazing real life stories of crime and survival it's designed to help you stay alert to the warning signs of a wide array of offenses. From the tell tale signals of a swindler to the warning signs that experts use to help thwart terrorism and violent crime this book breaks down a criminal's body language into clear recognizable symbols. What is the look of a lie? How do child predators unknowingly give themselves away? What were the clues that exposed white collar offenders like Martha Stewart and Andrew Fastow? Answering these questions and more Dr David Givens a renowned anthropologist and one of the nation's foremost experts in nonverbal communication offers a fascinating instructive and essential tool for warding off crime and protecting the safety of yourself and your family.
