Annual Report of the Various City Officers ... Minneapolis (Minn.). City Officers, 1899 **Annual Reports of the Various City Officers of the City of Minneapolis, Minnesota** Minneapolis (Minn.), 1899 ***The Story of Black Military Officers, 1861-1948*** Krewasky A. Salter I, 2014-01-10 Black members of the military served in every war conflict and military engagement between 1861 and 1948 Beyond serving only as enlisted soldiers and non commissioned officers many also served as commissioned officers in positions of leadership and authority This book offers the first complete and conclusive work to specifically examine the history of black commissioned officers ***Serpents in the Sun*** Hugh B. Cave, 2015-03-24 The Bennett family moved to Jamaica after inheriting a coffee plantation in the Blue Mountains This novel covers three generations of their lives loves triumphs and failures as the build an amazing profitable plantation producing some of the finest coffee in the world and then run afoul of history This novel in many ways parallels the amazing life of it s author Hugh B Cave who owned a plantation on the last road into the Blue Mountains in Jamaica only to lose it to the government along with the small fortune he d built This novel published posthumously was the last great work in the career of one of America s most prolific authors winner of multiple awards for his fiction prolific beyond belief in the days of the pulps and then the slicks like *The Saturday Evening Post* and *Boy s Life* through propaganda novels during the war years and finally through a series of short stories and novels in his latter years that will forever endear him to lovers of genre fiction *Serpents in the Sun* is a novel that consumed years of Cave s life and contains generations It is one of his finest works available now for the first time ***The Story of American Heroism*** , 1895 ***The Cross on the Drum*** Hugh B. Cave, 2015-03-24 A strange young man Barry Clinton Unlike most young missionaries who came to the island to save souls this one had come with a belligerent skepticism and a driving determination to battle sickness and starvation He had come to the Ile du Vent with a Bible and a few meager medical supplies ready to make the little Caribbean island a better place in which to live *The Cross on the Drum* is the story of the strange friendship of Barry Clinton and Catus Laroche high priest of vodun the savage ritualistic religion which no white man had ever dared defy It tells of the tormented embittered passions of the other islanders white and black and how they undermined the bond between these two men changing their mutual respect into brooding vengeful hatred and turning the island s drowsy sunlit tranquility into a feverish drum pounding battleground Hugh B Cave whose knowledge and deep understanding of life and customs in the West Indies distinguished his earlier works *Haiti* *Highroad to Adventure* and *Drums of Revolt* has written here an explosive dramatic novel of Christianity and voodoo on a Caribbean island ***The Story of Ian*** Hyden Standards, 2013-03 14 year old Ian is found swimming in shark filled waters after having survived the Cuban gunboat attack and massacre of the 13 de Marzo tug He is rescued by a U S naval vessel and brought back to the U S It is while living in Miami that Ian grows up to become another of America s great success stories His tenacity determination and math skills earn him a place among America s youngest ever self made millionaires But disaster strikes Ian in more ways

then one turning his rags to riches story back again into a riches to rags downfall First there s the financial meltdown in 2008 that robs him of most of his wealth A 20 million fine leaves him near penniless Then a freak accident leaves him for dead if not for the heroic efforts of paramedics Ian next awakens from a 40 day coma whereupon he spends the next 2 years in rehab relearning his motor skills He thinks he s cheated the Grim Reaper yet again This convinces him that he s meant for a special purpose in life or at least that s what his new visions and voices tell him Ian s life journey takes a startling twist once he is back on his own He begins filling journals upon journals with events only he can interpret But it s when he starts his new revolutionary website and then begins video taping some of his intentions that Ian comes to the immediate attention of Homeland Security What he suggests on his site for the coming New Year shoots him straight to the top of Homeland s watch list Once a sterling example of an against all odds success story Ian is now forced to hide from authorities who consider him having gone rogue though his site continues to grow as a voice of the people Fast paced and informative this is the story of Ian

Another Fuggin' War Story Herald E. Paetow, 2021-10-25 This story is written by a lifelong pothead Me Most of it is probably true if not a little exaggerated So if there s any question on the veracity of my tale I ll refer to you elsewhere because only those who were there know the truth What I can tell you is how overwhelming it is to have someone s life in my hands while secretly wondering what the hell to do next But here I am everyone looking for me to save them No matter I ll keep my guys alive if it s the last thing I do Then when it s over I ll undoubtedly find some trouble to get into because life s too short not to have a little fun The waiting joint is my reward promising great ideas to keep me busy If only they didn t backfire so spectacularly like the time I took on the rat infestation with C4 and an ammo can when I caused myself to be whipped by a 100 foot tree or the time I blew up half of the encampment Now all I have to do is stay out of my C O s line of sight which is not as easy a task as you might think This is not a traditional war story but instead a journey of a young man coming of age in a war torn country From the moments of crisis where he shows his true grit to save a life to the trouble he gets into daily you won t be bored And it s all true P B Lee Spec 4
