## Officers Gentlemen:

The Gentleman's Magazine ,1823      **Picturesque Prison** Jeffrey Heath,1983 This study of the life and works of Evelyn Waugh traces the novelist's pursuit of his vocation and his long retreat from a world which he came to regard as a spiritual dungeon Jeffrey Heath explores the paradoxical elements in Waugh's career his quest for a refuge itself proved to be a prison and his devotion to the Augustan graces was accompanied by a lasting attraction to a Dionysiac age without restraint The deep cleft in Waugh's nature imbued his art with the characteristic quirky complexity which has fascinated many readers but it left him a choleric and melancholy man who never fully accepted his calling as a writer      *Gentleman's Magazine and Historical Review* ,1823 The Gentleman's magazine section is a digest of selections from the weekly press the Trader's monthly intelligencer section consists of news foreign and domestic vital statistics a register of the month's new publications and a calendar of forthcoming trade fairs      Monmouthshire Charles Heath,1806      **A Russian Prince in the Soviet State** Vladimir Sergeevich Trubetskoi,2006-02-06 Of a noble and distinguished family disenfranchised by the Bolshevik revolution Vladimir Trubetskoi 1892-1937 alone remained in Russia and suffered the consequences His life and experiences are well documented in this remarkable volume a selection of his writings that reflects his comfortable prewar existence and his post revolutionary poverty uncertainty and displacement all conveyed with humor and ironic detachment Including selections from Trubetskoi's memoirs his letters from exile in Uzbekistan and his hunting stories the chapters of this volume offer autobiographical narratives of the self creative reflections ethnography and most of all uniquely evocative and informative instances of history lived and recorded with quiet power and irrepressible character In his letters from exile Trubetskoi describes his grim situation in Central Asia how he snatched moments to write between mornings playing piano in a ballet studio and late nights in a restaurant band struggling with the heat the insect borne illness and the problems of a large uprooted family His memoirs of 1911-12 Notes of a Cuirassier are the culmination of his efforts and they convey in vivid detail the glittering prewar world of an elite Russian Guards regiment These reminiscences as well as his stories offer a glimpse of what life was like for a citizen of Imperial Russia who tried to make a life for himself in the new Soviet state Instructive amusing moving Trubetskoi's stories are also an inspiring example of how a person of grace and true nobility meets large scale social and political upheaval      **Parliamentary Papers** Great Britain. Constitutional Convention,1849      *Sasebo* Mack Samples,2007-02 *Sasebo* is the story of young Mason McCabe an enlisted sailor whose leisurely tour of duty at the U S Naval Base in Sasebo Japan during the 1950 s is turned upside down when he comes face to face with the realities of the Cold War His work with classified documents brings an offer from a communist undercover organization headed by a Nisei with a grudge against America to buy military secrets Mason shrugs off the early offers but his work as a courier of top secret documents eventually gets him into a situation where he is fighting for his very life on a mountain outside Sasebo During the course of his tour he also becomes involved in a swing band comprised of both Japanese and Americans The band experience brings him into contact with Laura Robbins a beautiful young officer s wife Even though he knows that a relationship with her could have tragic consequences he is unable to fend off the temptation His involvement with a Japanese bar girl further complicates the situation Mason McCabe s adventures reveal what life was like for young servicemen in the Far East during the 1950 s when America had all the money and the Seventh Fleet was the Bull of the Pacific      **Historical Collections of Private Passages of State, Weighty Matters in Law, Remarkable**

*Aristocratic Vice* examines the outrage against and attempts to end the four vices associated with the aristocracy in eighteenth century England duelling suicide adultery and gambling Each of the four it was commonly believed owed its origin to pride Many felt the law did not go far enough to punish those perpetrators who were members of the elite In this exciting new book Andrew explores each vice s treatment by the press at the time and shows how a century of public attacks on aristocratic vices promoted a sense of class superiority among the soon to emerge British middle class Donna Andrew continues to illuminate the mental landscapes of eighteenth century Britain No historian of the period has made greater or more effective use of the newspaper press as a source for cultural history than she This book is evidently the product of a great deal of work and is likely to stimulate further work Joanna Innes University of Oxford div      In the Irish Brigade

George Alfred Henty,1900 Desmond Kennedy is a young Irish lad who left Ireland to join the Irish Brigade in the service of Louis XIV of France In Paris he incurred the deadly hatred of a powerful courtier from whom he had rescued a young girl who had been kidnapped and his perils are of absorbing interest Captured in an attempted Jacobite invasion of Scotland he escaped in a most extraordinary manner As aid de camp to the Duke of Berwick he experienced thrilling adventures in Flanders Transferred to the Army in Spain he was nearly assassinated but escaped to return when peace was declared to his native land having received pardon and having recovered his estates The story is filled with adventure and the interest never abates      Historical Collections of Private Passages of State, Weighty Matters in Law, Remarkable Proceedings in Five
