Robert Goehlert, Fenton S. Martin

Officers Of The Commons 1363 1978:

The Officers of the Commons, 1363-1978 Philip Marsden,1979 [The Officers of the Commons, 1363-1978](#) Philip Kitson Marsden,1966 *British Sources of Information* P. Jackson,2003-09-02 This comprehensive and versatile reference source will be a most important tool for anyone wishing to seek out information on virtually any aspect of British affairs life and culture The resources of a detailed bibliography directory and journals listing are combined in this single volume forming a unique guide to a multitude of diverse topics British politics government society literature thought arts economics history and geography Academic subjects as taught in British colleges and universities are covered with extensive reading lists of books and journals and sources of information for each discipline making this an invaluable manual **Modern Methods of Teaching Political Science** Prem Lata Sharma,2002 **Parliament: A Question of Management** V M (Val) Barrett,2022-10-28 For centuries scholars and practitioners have studied parliament and its potential reform from an institutional perspective Until now few authors have addressed in depth the internal relationships among parliamentary actors their competing beliefs and their influence on parliament s effectiveness Parliament is overwhelmingly an agonistic institution and competition for status resources influence and control has pervaded its administration and impeded reform Parliaments appear to struggle with the concept of institutional management The doctrine of exclusive cognisance or sole jurisdiction implies that parliament and only parliament should retain control of its internal business and processes But why is parliament considered to be unique among public institutions and why do parliaments appear to resist or even defy attempts to manage them more effectively At a time when the public is losing confidence in governments politics and political institutions parliament s role as a broker of ideas and a forum for deliberative policymaking is under threat In an institution where no one has overall authority and direction staying relevant and managing public expectations present major challenges for its members and administrators This book examines parliamentary management in the national parliaments of Australia and the United Kingdom Without claiming to be a how to book it attempts to provide a relatable account of how parliamentary officials and members of parliament carry out their inherently complex roles and how they might be assisted by contemporary public management approaches **Parliament and the Public** Edmund Marshall,1982-06-18 **The Uneasy Relationships Between Parliamentary Members and Leaders** Reuven Y. Hazan,Lawrence D. Longley,2014-04-04 The bases of uneasy member leadership relations their manifestation and sometimes resolution and the consequences of member leadership tension to effective parliamentary performance and policy making are considered in studies ranging from Germany to the US and New Zealand and globally [The Parliamentarian](#) ,1978 [Britannia's Glories](#) Philip Woodfine,1998 The War of Jenkins Ear examined for the first time in a full length study looking at the vitality of popular politics and the inner workings of Parliament during the time **Government Publications of ...** Great Britain. Her Majesty's Stationery Office,1979 **At Vacant Hours** Thomas St Nicholas,2002-05-31 This richly annotated collection

of previously unpublished verse by Thomas St Nicholas 1602 1668 an important Puritan lawyer parliamentarian and contemporary of John Milton provides a memorable record of English life during the crucial middle decades of the 17th century House of Representatives Practice Australia. Parliament. House of Representatives, John Athol Pettifer, Alan Robert Browning, J. K. Porter, 1981 **A London Bibliography of the Social Sciences** British Library of Political and Economic Science, 1931 Vols 1 4 include material to June 1 1929 **Government Publications** Great Britain. Her Majesty's Stationery Office, 1979 *The Office of Speaker in the Parliaments of the Commonwealth* Philip Laundy, 1984 Philip Laundy Clerk Assitant of the Canadian Houe of Commons has written a book on the Speakership in the Parliaments of the Commonwealth which is not far short of encyclopaedic in its scope He is the author of an earlier work entitled *The Office Speaker* and joint author of *An Encyclopaedia of Parliament* and has thus devoted many years to the study of Parliament and its institutions The present book while drawing on some of the material contained in its predecessor is substantially a new work which breaks a great deal of fresh ground It deals with the Speakership in some forty Commonwealth countries and its a tribute to parliamentary democracy and the influence of British parliamentary practices At the same time it highlights how very differently the system of some countries have evolved from the traditions associated with Great Britain In Canada the widely supported movement towards the political independence of the Speakership has yet to become an established practice In India there exists a similar consciousness of the desirability of an independent Speakership but practical obstacles have remained in the way of its attainment In Australia the office is heavily dependent on the party in power and this seems unlikely to change In New Zealand although the Parliament adheres closely to Westminster practices the Speaker is nevertheless likely to change with a change of government There are countries elsewhere in the Commonwealth where the Speaker is not necessarily an elected member of Parliament In most African Parliaments the Speakership is inseparable from the ruling party and loyalty to the party particularly in one party states is a sine qua non But throughout the book the author stresses the similarities which link the office Speaker in the far flung countries of the Commonwealth to its British counterpart The history of the Speakership from its earliest origins is compressed into a single chapter and a second chapter is devoted to an analysis of the British Speakership in the twentieth century He has considered the nature and duties of the modern Speakership the prestige and continuity of the office problems surrounding the selection of the candidate the Speaker s responsibilities relating to procedure privilege and the maintenance of discipline and his statutory duties Parliamentarians historians and students of government throughout the Commonwealth will find this book a mine of information concerning the Speakership and a comparative source of reference which is as complete accurate and up to date as the author has been able to make Enlivened with a wealth of anecdotes it is a highly readable account of a great historic office The British Library General Catalogue of Printed Books 1976 to 1982 British Library, 1983 **The British Parliament** Great Britain. Central Office of Information. Reference Division, 1980 **Archives** , 1979 The Parliament of

Great Britain Robert Goehlert, Fenton S. Martin, 1983

House of Commons Procedure and Practice Canada.

Parliament. House of Commons, Robert Marleau, Camille Montpetit, 2000 This reference book is primarily a procedural work which examines the many forms customs and practices which have been developed and established for the House of Commons since Confederation in 1867 It provides a distinctive Canadian perspective in describing procedure in the House up to the end of the first session of the 36th Parliament in Sept 1999 The material is presented with full commentary on the historical circumstances which have shaped the current approach to parliamentary business Key Speaker s rulings and statements are also documented and the considerable body of practice interpretation and precedents unique to the Canadian House of Commons is amply illustrated Chapters of the book cover the following parliamentary institutions parliaments and ministries privileges and immunities the House and its Members parliamentary procedure the physical the Speaker the parliamentary cycle sittings of the House the daily program oral the process of debate rules of order the curtailment of debate special debates the legislative process delegated legislation financial procedures committees of the whole House committees private Members business public petitions private bills practice and the parliamentary record Includes index
