other what they know and what they do not know This conversation is the glue that keeps them together Secondly the book recognizes that there are 4 players involved and that each player has a different role depending on which seat they occupy For example the First Seat always opens the bidding Each seat has a chapter dedicated to that role Finally everything up to the play of the tricks is foreplay This book shows 13 full deals that include the play of 13 tricks in each full deal including a strategy analysis section and a lessons learned

Larry Cohen's Bidding Challenge Larry Cohen,2002 This book puts the reader at the table in the world s most prestigious Invitational Pairs tournament held annually in The Hague Larry Cohen is regularly invited to these events and the book is based on his popular articles that have appeared in Bridge Today magazine The author presents real life hands from several of the Hague tournaments as bidding problems that the reader can try with their own favourite partner Then they can read Cohen s insightful analysis of how each pair of hands should be bid and compare their results with those of the world class experts who actually played them Includes an optional tearout section at the end of the book for easy bidding practice
