America in Perspective Andrew S. Weeks, 2000-08

Numerous books and pamphlets have been written on what the author calls the American theme However many of these publications are nothing more than a synopsis of American tragedy and government corruption This book has a larger more ideal ambition says the author In the truest sense America in Perspective is not as much a book about what's wrong with America as it is a book about what's right or will be right with America America in Perspective is a catchy book different than the masses The author writes of America's past present and future as seen through a religious perspective Though primarily LDS Latter-day Saint or Mormon-oriented America in Perspective can inspire anyone who has even an inkling of American patriotism With numerous quotes from scripture past and present religious authorities political leaders and other sources America in Perspective is a classy book

that fills a contemporary need **Visions of a Future** Zachary Hayes,2017-06-15 The early part of this book is concerned with what it is in human existence that is addressed by the message of hope in the Scriptures The final four chapters present that divine promise for human destiny and the understanding of it as it is reflected on in contemporary theology Although directed mainly to advanced students of theology this book discusses issues which are of interest to many believers today whose knowledge about matters of religion has not kept pace with their knowledge of the secular disciplines *Why the End of the World is Not in Your Future* Gary DeMar,2008 **The Treasury** ,1907 **Treasury...** Anthony Charles Deane,1907 The Keys to the Kingdom Andi Sulistiadi,2025-07-21 This is not merely another theological discourse nor a rehashing of ancient dogmas This is an audacious journey into the heart of the divine mystery an unsealing of truths hidden in plain sight within the parables the summons to repentance and the elusive Keys of the Kingdom found in the Gospel We will cast aside the encrustations of centuries of interpretation the limitations of singular perspectives and the divisions born of human understanding Our quest is rooted deeply in the spirit of the ancient Heritage Kingdom of Nusantara a land where profound spiritual quests have always intertwined with daily life and where the search for divine wisdom has shaped civilizations *The Bible & Future Events* Leon J. Wood, In the format of a compact survey this text examines the future events of the world including the rapture the tribulation the appearance and ascension of the anti Christ the millennium and other topics It holds to a pretribulation premillennial view and includes a bibliography and index **The Bible and Future Events** Leon J. Wood,2010-08-03 This introductory biblical survey of last events is a complete and compact reference volume to the future events of the world and an excellent introduction to the study of eschatology for school church or personal use Leon Wood has paid close attention of the organized structuring of the content presenting the key concepts and establishing the importance of prophetic study as well as a detailed and chronological list of eschatological events and a complete definition of terminology In the remaining chapters the author considers each of the major eschatological events of the Bible separately including The Rapture The Great Tribulation The Antichrist Israel in the Tribulation The Close of the Tribulation The Millennium The Bible and Future Events is an enhanced study with a thorough up to date bibliography and informative footnotes **Tense Future** Paul K.
