The Process of Buddhist-Christian Dialogue Paul O Ingram,2011-09-29

While process philosophers and theologians have written numerous essays on Buddhist Christian dialogue few have sought to expand the current Buddhist Christian dialogue into a trilogy by bringing the natural sciences into the discussion as a third partner This was the topic of Paul O Ingram s previous book Buddhist Christian Dialogue in an Age of Science The thesis of the present work is that Buddhist Christian dialogue in all three of its forms conceptual social engagement and interior are interdependent processes of creative transformation Ingram appropriates the categories of Whitehead s process metaphysics as a means of clarifying how dialogue is now mutually and creatively transforming both Buddhism and Christianity Drawing also on the work of theologian John Hicks and philosopher of science Imre Lakatos Ingram develops an understanding of Buddhist Christian dialogue in the context of a religious pluralism that is both open and dynamic and methodologically rigorous Wide ranging and full of insight The Process of Buddhist Christian Dialogue will be invaluable to scholars and students of comparative religion

Pneumatology and the Christian-Buddhist Dialogue Amos Yong,2012-07-26 Recent thinking in Christian theology of religions has taken a pneumatological turn which asks how the doctrine of the Holy Spirit can contribute to the interreligious dialogue and to the emerging discourse of comparative theology Pneumatology and the Christian Buddhist Dialogue Does the Spirit Blow through the Middle Way tests the viability of this approach as applied to the Christian Buddhist dialogue Various Christian and Buddhist traditions are compared and contrasted within a pneumatological framework Is the Holy Spirit to be

found along the Buddha's middle way. Some Christians say yes while others demur. The thesis of this volume is that such a pneumatological perspective opens up possibilities for the deepening and transformation of Christian theology in the religiously plural world of the twenty-first century.

The Theology of Amos Yong and the New Face of Pentecostal Scholarship Wolfgang Vondey, Martin Mittelstadt, 2013-06-15. In *The Theology of Amos Yong and the New Face of Pentecostal Scholarship* Wolfgang Vondey and Martin William Mittelstadt gather a table of experts on one of the most influential voices in current Pentecostal theology. The authors provide an introduction and critical assessment of Yong's biblical foundations, hermeneutics, epistemology, philosophical presuppositions, trinitarian theology, theology of religions, ecumenical and interfaith relations, theology of disability, engagement with contemporary culture and participation in the theology and science conversation. These diverse topics are pursued through the complementary perspectives that together shape Yong's methodology, pneumatology, pentecostalism, and the possibility of renewal. The contributors invite a more thorough reading of Yong's work and propose a more substantial engagement with the new face of Pentecostal scholarship. Contributors include Andrew Carver, Jacob D. Dodson, Jeff Hittenberger, Mark Mann, Martin William Mittelstadt, L. William Oliverio Jr., David A. Reed, Tony Richie, Christopher A. Stephenson, Steven M. Studebaker, Paraskev, Eve Tibbs, and Wolfgang Vondey.

Outline of Christian Doctrine Wilfried Harle, 2015-04-14. In this book Wilfried Harle so distills Protestant Christian teaching as to bring fresh insight both to new students and to experienced readers of systematic theology. *Outline of Christian Doctrine* however is not merely a translation of Harle's classic German text. Nicholas Sagovsky has also entirely adapted the original work to the needs and resources of English-speaking readers. Biblically rooted, contextually sensitive, alert to philosophical issues and relevant with respect to debates about the world as we know it today, Harle's *Outline of Christian Doctrine: An Evangelical Dogmatics* is an ideal contemporary theology book for both class use and individual study.
