Scots Cellar:

The Scots Cellar: Its Traditions and Lore Florence Marian McNeill, 1973 **The Scots Cellar** F. Marian McNeill, 1992-03-01 A record of traditional Scottish customs from the contents of the cellar ales wines and whiskies to toasts songs and recipes The Scots Kitchen F. Marian McNeill, 2025-03-20 The Scots Kitchen first published in 1929 gives a delightful account of eating and drinking in Scotland throughout the ages with definitive recipes for all the traditional national dishes Cookery writer and broadcaster Catherine Brown describes the impact this pioneering book has had on the whole of Scottish cuisine and traces the fascinating life story of Marian McNeill herself Notes explain how to use the book so that its treasure trove of recipes covering the whole gamut of Scottish cuisine can be explored in the modern kitchen The contents includes Soups Brose and Kail Fish Game and Poultry Meat Vegetables Sauces Snacks and Savouries Puddings and Pies Sweets Bannocks Scones and Tea breads Cakes and Shortbreads Preserves Sweeties Beverages The Scots Cellar Florence M. MacNeill, 1956 Scottish Witchcraft Raymond Buckland, 1991 From the ancient misty Highlands of Scotland to modern day America come the secrets of solitary Witchcraft practice Scottish Witchcraft explores PectiWita or the craft of the Picts the mysterious early Keltic people The Scottish PectiWita tradition differs in many ways from the Wicca of England there is little emphasis on the worship of the gods though it is there but more on the living here for the first time are full details of this solitary branch of the Old Ways Learn the history of the Picts their origins beliefs Learn how to make simple tools use them to work magic Through step by step instructions you are brought into touch then into complete harmony with all of nature Explore their celebrations talismans song dance herbal lore runes glyphs recipes Learn how to practice the religion in the city with groups Ray Buckland s contact with the late Aidan Breac a descendent of th *Alcohol* Mack Holt, 2006-05-02 Why are we so ambivalent about alcohol Are we torn between our love of a drink and the need to restrict or even prohibit alcohol How did saloon culture arise in the United States Why did wine become such a ubiquitous part of French culture *Alcohol A Social and Cultural History* examines these questions and many more as it considers how drink has evolved in its functions and uses from the late Middle Ages to the present day in the West Alcohol has long played an important role in societies throughout history and understanding its consumption can reveal a great deal about a culture This book discusses a range of issues including domestic versus recreational use the history of alcoholism and the relationship between alcohol and violence religion sexuality and medicine It looks at how certain forms of alcohol speak about class gender and place Drawing on examples from Europe North America and Australia this book provides an overview of the many roles alcohol has played over the past five centuries **Mrs Dalgairns's Kitchen** Mary F. Williamson, 2021-03-15 When *The Practice of Cookery* first appeared in Edinburgh and London editions in 1829 reviewers hailed it as one of the best cookbooks available The book was unique not only in being wholly original but also for its broad culinary influences incorporating recipes from British North America the United States England Scotland France and India Catherine Emily

Callbeck Dalgairns was born in 1788 Though her contemporaries understood her to be a Scottish author she lived her first twenty two years in Prince Edward Island Charlottetown was home for much longer than the twelve years she spent in London or her mere six years residency in Dundee Scotland by the time of the cookbook s first appearance In Mrs Dalgairns s Kitchen Mary Williamson reclaims Dalgairns and her book s Canadian roots During her youth the popular cookbook author would have had experience of Acadian Mi kmaq and Scottish Highlands foods and ways of cooking Her mother had come from Boston inspiring the cookbook s several American recipes Dalgairns s brothers in law lived in India reflected in the chapter devoted to curry recipes Williamson consults the publisher s surviving archives to offer insights into the world of early nineteenth century publishing while Elizabeth Baird updates Dalgairns s recipes for the modern kitchen Both an enticing history of the seminal cookbook and a practical guide for readers and cooks today Mrs Dalgairns s Kitchen offers an intimate look at the tastes and smells of an early nineteenth century kitchen

The Silver Bough Florence Marian McNeill,2010-07-01 Introduced by Stewart Sanderson This book the first and most popular of four volumes is a marvellous and indispensable treasury of Scottish folklore and folk belief from the world of Celtic magic gods and fairies to the prophecies of the Brahan seer second sight witchcraft earth magic selkies changelings and a host of traditional spells and cures The Silver Bough involved many years of research into both living and recorded folklore Its genesis lies perhaps in the author s need to reconcile the old primitive world she had glimpsed in her Orkney childhood with the sophisticated modern world she later entered This much loved and highly regarded work remains a classic of literature If you are looking for an insight into the Celtic mindset or interested in the background of Scottish literature or in Scottish folklore for its own sake I know of no other single volume I could so unreservedly recommend to you Books in Scotland

Scottish Literature Alan Riach,2022-05-30 What do we mean by Scottish literature Why does it matter How do we engage with it Bringing infectious enthusiasm and a lifetime s experience to bear on this multi faceted literary nation Alan Riach Professor of Scottish Literature at the University of Glasgow sets out to guide you through the varied and ever evolving landscape of Scottish literature A comprehensive and extensive work designed not only for scholars but also for the generally curious Scottish Literature an introduction tells the tale of Scotland s many voices across the ages from Celtic pre history to modern mass media Forsaking critical jargon Riach journeys chronologically through individual works and writers both the famed and the forgotten alongside broad overviews of cultural contexts which connect texts to their own times Expanding the restrictive canon of days gone by Riach also sets down a new core body of Scottish Literature key writers and works in English Scots and Gaelic Ranging across time and genre Scottish Literature an introduction invites you to hear Scotland through her own words

Silver Bough Volume 1 F. Marian McNeill,2013-08-20 The Silver Bough is an indispensable treasury of Scottish culture universally acknowledged as a classic of literature The author F Marian McNeill succeeded in capturing and bringing to life many traditions and customs of old before they died out or were influenced by the modern era The Silver Branch of the

sacred apple tree laden with crystal blossoms of golden fruit is in Celtic mythology the equivalent of the Golden Bough of classical mythology the symbolic bond between the world we know and the Otherworld This the first volume of *The Silver Bough* deals with Scottish folklore and folk belief There are chapters on the ethnic origins of the national festivals the Druids the Celtic gods and the slow transition from Druidism to Christianity There are accounts of magic the fairy faith second sight selkies changelings and the witch cult including tales of e witchese being hung or worse There are old familiar rhymes and a wealth of information on the Scotland of old now gone for ever where the people feared witches and e faeries Readers are bound to find something fascinating about somewhere in Scotland they didn t know before The book is attractively illustrated with many interesting relics reproduced for the first time including a witch s cursing bone hair rope and corp creadh clay image and some well known amulets and charms The subsequent three volumes deal with the origins and traditions of Scottish national and local festivals As man makes greater and greater advances in the understanding and control of his physical environment the river between the known and the unknown gradually changes its course and the subjects of the simpler beliefs of former times become part of the new territory of knowledge The Silver Bough maps out the old course of the waterway that in Celtic belief winds between here and beyond and reveals the very roots of the Scottish people s distinctive customs and way of life 1938 character count extra section to be added where possible The Silver Bough is a large and important work which involved many years of research into both living and recorded lore Its genesis lies perhaps in the author s subconscious need to reconcile the old primitive world she had glimpsed in childhood with the sophisticated modern world she later entered e I do not believe that you can exaggerate the importance of the preservation of old ways and customs and all those little things which bind a man to his native place Today we live in difficult times The steam roller of progress is flattening out many of our old institutions and there is a danger of a general decline in idiom and distinctive quality in our Scottish life The only way to counteract this peril is to preserve jealously all these elder things which are bone of our bone and flesh of our flesh For remember no man can face the future with courage and confidence unless it is solidly founded upon the past And conversely no problem will be too hard no situation too strange if we can link it with what we know and lovee F Marian McNeill The Politics of Wine in Britain C. Ludington,2016-01-12 A unique look at the meaning of the taste for wine in Britain from the establishment of a Commonwealth in 1649 to the Commercial Treaty between Britain and France in 1860 this book provides an extraordinary window into the politics and culture of England and Scotland just as they were becoming the powerful British state *Jamieson's Dictionary of the Scottish Language* John Jamieson,1885 **A Dictionary of the Scottish Language** John Jamieson,1846 *The Conquest of Canada* Wendel Messer,2008-08 *The Way it Was* Catherine Czerkawska,2016-07-07 The island of Gigha is a small gem the most southerly of the true Hebridean islands lying just off Tayinloan on Scotland s Kintyre peninsula Gigha s good harbours fertile land mild climate and strategically useful position have given it a fascinating history Catherine Czerkawska relates the sometimes turbulent story of

the people of Gigha from the settlers of prehistoric times through successive incomers including the Celts the Vikings and the McNeill lords of this island A few years ago Gigha was the subject of the largest community buyout in British history and she brings the story up to date in examining the relationship between a contemporary island community and its own rich past The author like so many people fell helplessly in love at first sight with Gigha and returns to it time and again This book explores just what it is that makes the island such an enchanting place

The Magic of Scotland - 70+ Scottish Historical Novels, Adventure Classics & Romance Novels Robert Louis Stevenson, John Buchan, George MacDonald, Walter Scott, J. M. Barrie, 2023-12-14 The Magic of Scotland 70 Scottish Historical Novels Adventure Classics Romance Novels weaves a rich tapestry of narrative ingenuity echoing the rugged landscapes and tumultuous history of Scotland Spanning a wide array of literary styles from heart pounding adventures to poignant romances this collection presents a captivating journey through Scotland's cultural and historical fabric Each piece contributes its own unique shade to the mosaic immersing readers in Scotland's mythical past and its vibrant storytelling tradition The anthology showcases the collective prowess of renowned authors such as Robert Louis Stevenson John Buchan George MacDonald Walter Scott and J M Barrie Their works steeped in the historical and cultural ethos of Scotland speak to the literary movements that have shaped Scottish literature Despite their varied backgrounds these authors collectively portray Scotland's complex identity offering perspectives that range from romantic idealism to gritty realism and deeply imbued with adventure and fantasy Their collective voices highlight the enduring spirit and the timeless allure of Scottish tales Readers are invited to explore this compendium for an unparalleled literary journey that spans centuries of Scottish storytelling The anthology not only entertains but also educates offering a profound insight into the enduring cultural narratives that shape our understanding of Scotland It provides an invaluable opportunity to witness the convergence of perspectives and literary styles inviting readers to experience the magic that these quintessentially Scottish stories evoke

Passions of a Scottish Rogue Paislee Kemp, 2019-05-03 A Celtic Love Story about a Woman that finds herself drawn to a Scottish Rogue Will she follow her heart or follow her father She will not follow her tyrant of a Father out of love But rather of fear for the wrath he could bestow upon the man she loves Especially since he is a known member of a rival clan of her fathers The young Una Mullen finds that her evil father is marrying her off to a man that she does not love all for the sake of financial gain to her father He cares not what she wants or that she has already pledged her love to another Callum McNeil of Dumbartonshire What will become of this poor maiden who feels that she is trapped under her father's steel grip She seeks the help of a house maid and dear friend Fenella who agrees to find a way to help Una escape her father's evil clutches They think all is well until Una and her mother are overheard discussing Una's plan to runaway by the house cook Vera Maggs Vera Maggs is having a long ongoing affair with Fergus Mullen or does sexual favors for him hoping to get some extra coins here and there out of him She decides to approach Fergus with the plan that she has overheard in hopes he will pay her for this information Is Una to be doomed to

the same fate as her mother made to marry a man that she does not love The answer to this question will be revealed within this story that has is filled with love hate hurt passion and even murder The Scottish Chiefs Jane Porter,1827 The Scottish Chiefs. A Romance Jane Porter,1851 *The Selected Works of Margaret Oliphant, Part VI Volume 24* Josie Billington,2016-07-15 Margaret Oliphant 1828 97 had a prolific literary career that spanned almost fifty years She wrote some 98 novels fifty or more short stories twenty five works of non fiction including biographies and historic guides to European cities and more than three hundred periodical articles This is the most ambitious critical edition of her work This volume includes her 1883 novel *The Ladies Lindores* with editorial notes by Josie Billington including a new introduction and headnote giving key information about the book and its publication history
