The Scottish 100 Duncan A. Bruce, 2000 One hundred short biographies celebrate seven centuries of Scottish and world history in a reference that features profiles of Robert the Bruce John Paul Jones John Knox Andrew Carnegie and Alexander Graham Bell

The Scottish Invention of America, Democracy and Human Rights Alexander Leslie Klieforth, Robert John Munro, 2004-03-02 The Scottish Invention of America Democracy and Human Rights is a history of liberty from 1300 BC to 2004 AD The book traces the history of the philosophy and fight for freedom from the ancient Celts to the creation of America asserting the roots of liberty originated in the radical political thought of the ancient Celts the Scots struggle for freedom John Duns Scotus and the Arbroath Declaration 1320 a tradition that influenced Locke and the English Whig theorists as well as our Founding Fathers particularly Jefferson Madison Wilson and Witherspoon Author Alexander Klieforth argues the Arbroath Declaration 1320 and its philosophy was the intellectual foundation of the American Revolution and Declaration of Independence 1776 Thus the work is a revolutionary alternative to the traditional Anglocentric view that freedom democracy and human rights descended only from John Locke and England of the 1600s The work is the first historical analysis to locate and document the origin of the doctrine of the consent of the governed in the medieval scholar John Duns Scotus c 1290s four centuries before Locke and the English Whigs and in the evolutionary progress of mankind The work contends that the Arbroath Declaration 1320 and its philosophy was the intellectual foundation of the American Revolution and Declaration of Independence 1776 After showing the Scottish influence on the U S Constitution Bill of Rights and the new Federal government the Braudel style work traces the development of Scottish style freedom and human rights through the French Declaration of the Rights of Man and of the Citizen influenced by Jefferson Lincoln's Gettysburg Address that transformed Jefferson's Declaration and Eleanor Roosevelt's role in creating the U N Universal Declaration of Human Rights the foundation of the modern human rights struggle More information about this book is available at the author's website www.braveheart soul.com
