## Scoundrel Time:

**Scoundrel Time** Lillian Hellman, Kathy Bates, 2000-07-01 In 1952 Hellman joined the ranks of intellectuals and artists called before Congress to testify about political subversion Terrified yet defiant Hellman refused to incriminate herself or others and managed to avoid trial Nonetheless the experience brought devastating controversy and loss First published in 1972 her retelling of the time features a remarkable cast of characters including her lover novelist Dashiell Hammett a slew of famous friends and colleagues and a pack of scoundrels ruthless ambitious politicians and the people who complied with their demands *Scoundrel Time. (Memoir). Intr. by Garry Wills. (2. Print.).* Lillian Hellman, 1976 *The Stolen Legacy of Anne Frank* Ralph Melnick, 1997-01-01 Examines Levin's claims that the stage adaptation of Anne Frank's diary rejected a Jewish treatment of the work in favour of a play with a universal message The text establishes the bias of the opposition to Levin and places the issue in the context of the wider cultural struggle of the 1950s **Scoundrel Time** Lillian Hellman, 1976 Lillian Hellman Deborah Martinson, 2011-06-01 Few literary celebrities have lived with more abandon and under a brighter spotlight than Lillian Hellman Even fewer have been doubted as absolutely as Hellman famously denounced by rival Mary McCarthy Attacked by critics and idealized by admirers Hellman's determination to control and manipulate her image helped make her a figure of unknowable half truths and rumors Until now Lillian Hellman A Life with Foxes and Scoundrels is the first biography of the iconoclastic playwright written with the full cooperation of her family friends and inner circle Deborah Martinson moves beyond the myths around Hellman and finds the sassy outrageous woman committed to writing to politics and to having her say Martinson's research through interviews archives recently declassified CIA files and her unprecedented access to Hellman's confidants paints the most complete and surprisingly admiring portrait of this remarkable writer that we've ever had Distinctly American a New Orleans Jew with one foot in Manhattan and one in Hollywood a writer whose experience spanned the Great Depression the Cold War and the Nixon years Hellman lives again in this riveting biography facing the world with wit truth lies and chutzpah *Mapping the Private Geography* Gerri Reaves, 2001-01-10 This study of autobiographical writing and its reflection of personal and national identity analyzes the different ways in which these authors balance individual American identity with collective identities and reinvent their familial cultural and national engenderings In each of the works discussed a private geography a psychological map a myth an ideology or a fiction is posited while its author explores claims to the ownership of memory history and the self *A Difficult Woman* Alice Kessler-Harris, 2012-04-30 Lillian Hellman was a giant of twentieth century letters and a groundbreaking figure as one of the most successful female playwrights on Broadway Yet the author of *The Little Foxes* and *Toys in the Attic* is today remembered more as a toxic bitter survivor and literary fabulist the woman of whom Mary McCarthy said Every word she writes is a lie including and and the In *A Difficult Woman* renowned historian Alice Kessler Harris undertakes a feat few would dare to attempt a reclamation of a combative controversial woman who straddled so

many political and cultural fault lines of her time Kessler Harris renders Hellman's feisty wit and personality in all of its contradictions as a non Jewish Jew a displaced Southerner a passionate political voice without a party an artist immersed in commerce a sexually free woman who scorned much of the women's movement a loyal friend whose trust was often betrayed and a writer of memoirs who repeatedly questioned the possibility of achieving truth and doubted her memory Hellman was a writer whose plays spoke the language of morality yet whose achievements foundered on accusations of mendacity Above all else she was a woman who made her way in a man's world Kessler Harris has crafted a nuanced life of Hellman empathetic yet unsparing that situates her in the varied contexts in which she moved from New Orleans to Broadway to the hearing room of HUAC *A Difficult Woman* is a major work of literary and intellectual history This will be one of the most reviewed and most acclaimed books of 2012

Prodigal Sons Alexander Bloom, 1986-04-17 A herd of independent minds Harold Rosenberg once labelled his fellow intellectuals They were and are as this book shows a special and fascinating group including literary critics like Lionel Trilling Alfred Kazin Irving Howe Leslie Fiedler Philip Rahv and William Phillips social scientists like Nathan Glazer art critics and historians Clement Greenberg Harold Rosenberg and Meyer Schapiro novelist Saul Bellow and political journalists Irving Kristol and Norman Podhoretz Their story winds through nearly all of the crucial intellectual and political events of the last decades as well as through the major academic institutions of the nation and the editorial boards of such important journals as *Partisan Review* *Commentary* *Dissent* *The Public Interest* and *The New York Review of Books* So deeply entrenched in our intellectual establishment are these people that it's easy to forget that most grew up on the edge of American society poor Jewish the children of immigrants *Prodigal Sons* retraces their common past from their New York City ghetto upbringing and education at Columbia and City College through their radicalization in the 30s to their preeminence in the postwar literary and academic world The book examines their youthful efforts to ignore their Jewish heritage and their later rediscovery of this heritage in the wake of the Holocaust It shows how they moved toward the liberal center during the Cold War and how the group fragmented in the 1960s when some turned toward the right becoming key figures in the Neo Conservative movement of the 1970s and 80s As Bloom points out there is no single typical New York intellectual nor did they share all their ideas This book is concerned with how the community came to be formed and what it thought important how and why it moved and changed and why it ultimately came undone We learn some of the ways in which intellectuals function and justify their own places and a great deal about the political and cultural landscape over which New York intellectuals passed A fascinating portrait of New York intellectual life over the past half century Based on interviews with many of the leading figures and 10 years of extensive research Takes us behind the scenes at *Commentary* *Partisan Review* *The Public Interest* and other influential publications

Mrs. Shipley's Ghost Jeffrey Kahn, 2013-04-19 Today when a single person can turn an airplane into a guided missile no one objects to rigorous security before flying But can the state simply declare some people too dangerous to travel ever and anywhere Does the Constitution protect a fundamental right to travel

Should the mode of travel car plane or boat or itinerary domestic or international make a constitutional difference This book explores the legal and policy questions raised by government travel restrictions from passports and rubber stamps to computerized terrorist watchlists In tracing the history and scope of U S travel regulations Jeffrey Kahn begins with the fascinating story of Mrs Ruth Shipley a federal employee who almost single handedly controlled access to passports during the Cold War Kahn questions how far national security policies should go and whether the government should be able to declare some individuals simply too dangerous to travel An expert on constitutional law Kahn argues that U S citizens freedom to leave the country and return is a fundamental right protected by the Constitution *The Cold War Romance of Lillian Hellman and John Melby* Robert P. Newman,1989 Newman presents the story of author Lillian Hellman s intense relationship with Foreign Service officer John Melby a relationship which cost Melby his job in a case of guilt by association Illustrations **Claudia Jones** Denise Lynn,2023-11-08 Activist journalist and visionary Claudia Jones was one of the most important advocates of emancipation in the twentieth century Arguing for a socialist future and the total emancipation of working people Jones s legacy made an enduring mark on both sides of the Atlantic This ground breaking biography traces Jones s remarkable life and work beginning with her immigration to the United States and culminating in her advocacy for the emancipation of the most oppressed Denise Lynn reveals how Jones s radicalism was forged through confronting American racism and how her disillusionment led to a life committed to socialist liberation But this activism came at a cost Jones would be expelled from the US for being a communist Deported to England she took up the mantle of anti colonial liberation movements Despite the innumerable obstacles in her way Jones never wavered in her commitments In her tireless resistance to capitalism racism and sexism she envisioned an equitable future devoted to peace and humanity a vision that we all must continue to fight for today **Hollywood Traitors** Allan Ryskind,2015-01-05 Allan Ryskind son of Marx Brothers screenwriter Morrie Ryskind *Animal Crackers A Night at the Opera Room Service* exposes the ugly truth about the Communists blacklisted from the film industry Too often the Hollywood Ten brought before the House Un American Activities Committee are memorialized as victims of an unjust witch hunt and heroes who stood up for free speech The truth is shocking Not only did these supposed liberal paragons adore Josef Stalin and take their orders directly from the Communist Party but they also sympathized with Adolf Hitler Ryskind who grew up in the heart of the Hollywood scene and personally knew many of the key players in this real life Hollywood drama has penned a definitive myth busting account of the Hollywood Ten and Hollywood Blacklist that will forever change the way you think about the ideological battle waged in the movie capital of the world With glossy photographs [Come Back in September](#) Darryl Pinckney,2022-10-25 Critic and writer Darryl Pinckney recalls his friendship and apprenticeship with Elizabeth Hardwick and Barbara Epstein and the introduction they offered him to the New York literary world Darryl Pinckney arrived at Columbia University in New York City in the early 1970s and had the opportunity to enroll in Elizabeth Hardwick s creative writing class at Barnard It changed

his life When the semester was over he continued to visit her and he became close to both Hardwick and Barbara Epstein Hardwick s best friend and neighbor and a fellow founder of The New York Review of Books Pinckney was drawn into a New York literary world where he encountered some of the fascinating contributors to the Review among them Susan Sontag Robert Lowell and Mary McCarthy Yet the intellectual and artistic freedom that Pinckney observed on West Sixty seventh Street could conflict with the demands of his politically minded family and their sense of the unavoidable lessons of black history In addition through his peers and former classmates such as Felice Rosser Jim Jarmusch Jean Michel Basquiat Lucy Sante Howard Brookner and Nan Goldin Pinckney witnessed the coming together of the New Wave scene in the East Village He experienced the avant garde life at the same time as he was discovering the sexual freedom brought by gay liberation It was his time for hope In Come Back in September through his memories of the city and of Hardwick we see the emergence and evolution of Pinckney himself as a writer

Just Words Alan Ackerman,2011-06-28 This title uses the dramatic life stories of different women to reflect on America s long running inability to forge a shared public discourse Ackerman situates the Hellman McCarthy case in the history of failed American dialogues from the late 1920s to the present

*'Un-American' Hollywood* Peter Stanfield, Frank Krutnik, Brian Neve, Steve Neale,2007-12-27 The concept of un Americanism so vital to the HUAC crusade of the 1940s and 1950s was resoundingly revived in the emotional rhetoric that followed the September 11th terrorist attacks Today s political and cultural climate makes it more crucial than ever to come to terms with the consequences of this earlier period of repression and with the contested claims of Americanism that it generated Un American Hollywood reopens the intense critical debate on the blacklist era and on the aesthetic and political work of the Hollywood Left In a series of fresh case studies focusing on contexts of production and reception the contributors offer exciting and original perspectives on the role of progressive politics within a capitalist media industry Original essays scrutinize the work of individual practitioners such as Robert Rossen Joseph Losey Jules Dassin and Edward Dmytryk and examine key films including *The Robe* *Christ in Concrete* *The House I Live In* *The Lawless* *The Naked City* *The Prowler* *Body and Soul* and *FTA*

Telling Lies in Modern American Autobiography Timothy Dow Adams,2017-10-10 All autobiographers are unreliable narrators Yet what a writer chooses to misrepresent is as telling perhaps even more so as what really happened Timothy Adams believes that autobiography is an attempt to reconcile one s life with one s self and he argues in this book that autobiography should not be taken as historically accurate but as metaphorically authentic Adams focuses on five modern American writers whose autobiographies are particularly complex because of apparent lies that permeate them In examining their stories Adams shows that lying in autobiography especially literary autobiography is not simply inevitable Rather it is often a deliberate highly strategic decision on the author s part Throughout his analysis Adams s standard is not literal accuracy but personal authenticity He attempts to resolve some of the paradoxes of recent autobiographical theory by looking at the classic question of design and truth in autobiography from the underside with a focus on lying rather than

truth Originally published in 1990 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Lillian Hellman William Wright,1986 This portrait traces the controversial life of the successful playwright including her relationship with Dashiell Hammett and details her active role in ideological battles and her celebrated feuds with everyone from Tallulah Bankhead to Mary McCarthy *The Last Good Land* Eugenio Suárez-Galbán,2011-01-01 Books studying the presence of Spain in American literature and the possible influence of Spain and its literature on American authors are still rare In 1955 appeared a pioneer work in this field Stanley T Williams The Spanish Background of American Literature But that book went no further than W D Howells Familiar Spanish Travels published in 1913 The Last Good Land covers most of the twentieth century including such groups as the Lost Generation and African American writers and exiles It also considers then recent revolution in Spanish cultural and historical thought introduced by Am rico Castro which several American writers discussed in this volume may be said to have anticipated Recent studies have expanded on Williams volumes but in the majority of cases these works limit their scope to a single period the nineteenth century the Spanish Civil War a movement predominantly Romanticism or authors known for their interest in Spain Irving Hemingway The result is often a lack of continuum or the exclusion of such authors as Saul Bellow William Gaddis or Richard Wright Within American literature itself The Last Good Land contains revisions of traditional interpretations of certain writers including Hemingway The variety of authors treated both in respect to ethnicity and gender guarantees a varied and global view of Spanish culture by American writers *Margaret Webster* Milly S. Barranger,2004-04-07 A sweeping drama of the life and times of one of America s most innovative woman directors Picking Up the Tab Carlton Jackson,1994 At the memorial held after Martin Ritt s death in 1990 he was hailed as this country s greatest maker of social films From No Down Payment early in his career to Stanley yet he went to a small college in North Carolina Elon where he played football for The Fighting Christians His school days in the South gave him a lifelong love for the region Thus in his movies he was just as much at home with southern as with northern topics He did not deal totally in his southern experience with racism and poverty He directed The Long Hot Summer and The Sound and the Fury both of which described conflicts between and among white social groups He once remarked I have spent most of my film life in the South Some referred to his films as think movies and perhaps this is why he never won an Oscar for best directing But he gave moviegoers all over the world an opportunity to see what America was really like from the viewpoint both of the wealthy and of the poor It may be unfortunately that we will never see his likes again
