Shortcomings Adrian Tomine, 2024-06-11 Ben and Miko's relationship is in trouble. He's a struggling filmmaker she works for a local film festival and in various ways they're both searching for something else. When he's not managing a derelict movie theater Ben spends his time obsessing over unavailable blonde women watching Criterion Collection DVDs and eating in diners with his best friend Alice a grad student with a serial dating habit. When Miko moves to New York for an internship Ben begins to explore what he thinks he wants throwing himself headfirst into new relationships unfamiliar surroundings and uncharted emotional territory. Equal parts comedy and drama *Shortcomings* explores the complexities of culture desire and Asian American identity with a critical eye and unsparing irreverent wit. Based on Adrian Tomine's groundbreaking graphic novel of the same name *Shortcomings* was written by Tomine and directed by Randall Park. It premiered at the Sundance Film Festival and was an official selection at the Tribeca Festival in advance of a theatrical release from Sony Pictures Classics. Tomine's screenplay is presented here with extensive annotations commentary and bonuses including alternate and deleted scenes a selection of color film stills an introduction from Randall Park and an exclusive new comic from Tomine. An essential companion to the original graphic novel this volume is an illuminating document of an iconic story's adaptation from page to screen.

With this work Adrian Tomine *Shortcomings* *Scenes from an Impending Marriage* reaffirms his place not only as one of the most significant creators of contemporary comics but as one of the great voices of modern American literature. His gift for capturing emotion and intellect resonates here the weight of love and its absence the pride and disappointment of family the anxiety and hopefulness of being alive in the twenty-first century. *Amber Sweet* shows the disastrous impact of mistaken identity in a hyper-connected world. *A Brief History of the Art Form Known as Horticulture* details the invention and destruction of a vital new art form in short comic strips. *Translated from the Japanese* is a lush full-color display of storytelling through still images the title story *Killing and Dying* centers on parenthood mortality and stand-up comedy.
