Screen World 1973 John Willis, 1973 American International Pictures Rob Craig, 2019-03-05 American International Pictures was in many ways the missing link between big budget Hollywood studios poverty row B movie factories and low rent exploitation movie distributors AIP first targeted teen audiences with science fiction horror and fantasy but soon grew to encompass many genres and demographics at times it was indistinguishable from many of the major studios From Abby to Zontar this filmography lists more than 800 feature films television series and TV specials by AIP and its partners and subsidiaries Special attention is given to American International Television the TV arm of AIP and an appendix lists the complete AITV catalog The author also discusses films produced by founders James H Nicholson and Samuel Z Arkoff after they left the company *Lee Marvin* Robert J. Lentz, 2015-09-15 Lee Marvin did not receive his first starring film role until he was 40 but in three short years following the successes of Cat Ballou for which he won the Academy Award as Best Actor The Professionals and especially The Dirty Dozen he was the most popular film actor in America Marvin was a fascinating man a loving husband and father and one of the most natural effective actors of his time This is a comprehensive reference of the Oscar winning actor s work It includes biographical information on Marvin an analysis of each of his 64 movies chapters on his two television shows M Squad and Lawbreaker a listing of his television appearances and a complete filmography which includes video availability The work is supplemented with dozens of photographs and film stills Screen World 1973 ,1973 Uniform Trade List Annual ,1989 The New Poverty Row Fred Olen Ray, 1991-01-01 Since cinema s earliest beginnings there has been friction between producers and directors Shady accounting practices which favored the distributors at the expense of the filmmakers were all too common causing many filmmakers to form independent companies to make and distribute their own product This book examines six such low budget exploitation companies Associated Distributors Productions Filmgroup Hemisphere Pictures American General Pictures Independent International Pictures Dimension Pictures and the author s own American Independent Productions A brief history of each company laced with quotes from the company s principals is presented followed by a filmography that lists all known credits for that company The Maker of Filmmakers Radha Chadha, 2025-09-15 When Jagat Murari a young film student in post war America finds himself at the feet of one of cinema s true giants Orson Welles during the making of Macbeth in 1947 the lessons he absorbs on that set will shape not only his future but also the future of Indian cinema Returning to a newly independent India Jagat goes on to build the Film and Television Institute of India FTII from the ground up In *The Maker of Filmmakers* Radha Chadha offers an intimate and meticulously researched portrait of her father a celebrated documentary filmmaker and the iconic film school he built With uncanny consistency FTII turned out top talent the likes of Shabana Azmi and Jaya Bachchan Adoor Gopalakrishnan and Subhash Ghai and other cinema legends His alumni became the leading actors directors cinematographers sound designers and editors of Bollywood and beyond They spearheaded the Indian New Wave kickstarted

regional language cinema and helped usher television into the country How did Jagat go about making such extraordinary filmmakers What was his secret formula With unprecedented access to Jagat s diaries letters personal papers and over 100 interviews with alumni and colleagues Radha Chadha leads us behind the scenes and into the mind of a visionary who reshaped Indian cinema even as he grappled with its many challenges A gripping tale of ambition adversity and artistic brilliance richly illustrated with rare photographs *The Maker of Filmmakers* paints a vivid picture of one man s unwavering belief in the transformative power of cinema and how his determination helped turn Indian cinema into the global powerhouse it is today Set against the backdrop of some of the landmark events and characters of the last century this is biography and cinematic history at its best
