Scripts for the pageant Peter S. Hawkins, [James Merrill](#) Ross Labrie, 1982 **Word of Mouth** Chad Bennett, 2018-05-15 *Word of Mouth* brings together the insights of queer and lyric theory to tell the story of how gossip modeled forms of sociality and voice that poets experimented with over the course of the twentieth century Through a set of case studies of culturally diverse American poets Gertrude Stein Langston Hughes Frank O'Hara James Merrill and others who absorbed and contended with the loose talk that swirled about them and their work the book argues that gossip became a vehicle for the performance of alternative sexualities and concomitant meditations on alternative modes of poetic practice At the heart of this argument is a queer revaluation of modern lyric poetry Attending to gossip's key role in modern and contemporary poetry enables a recognition of the unpredictable ways that conventional understandings of the modern lyric poem as for example an utterance smudging the lines between private and public knowing and unknowing intimacy and strangeness have been shaped by and afforded a uniquely suitable space for the expression of queer sensibilities More than simply mapping a curious poetic mode then *Word of Mouth* contributes a crucial and largely neglected queer perspective to

current lyric studies and its renewed scholarly debate over the practices and forms of lyric poetry The book presents new and instructive queer contexts for understanding the influential formal achievements of Stein Hughes O Hara and Merrill and uncovers the unexpected ways that the history of the modern lyric intertwines with histories of sexuality *Go, Tell It on the Mountain* Gretchen Wolff Pritchard, 2000-01-01 Here are three different Christmas pageants complete with music staging directions scenery and costume suggestions plus pointers about how to organize your event The pageants are for grades K 8 but one also calls for adults and teens The first pageant is a traditional Nativity play with carols the second is an adaptation in verse in the style of medieval mystery plays and the third is a dramatized service of lessons and carols with Eucharist Some churches adopt one pageant as an annual production others try a different one each year Pageant 1 Good News of Great Joy This is the simplest pageant in concept and uses the Isaiah text of the prophecies with scenes of the Annunciation the arrival at Bethlehem the shepherds and the Magi It is intended to replace the sermon or Liturgy of the Word or stand alone Pageant 2 A Child of Might This production is based on medieval mystery plays with static staging that is easier than in pageant 1 However it does use archaic English and requires memorization It does not include the Magi but introduces several characters not usually found in other pageants Pageant 3 People Look East This version presents a dramatized service of Lessons and Carols for Advent and Christmas It features nine scripture readings each followed by a carol or hymn with performance options Children mime the readings It is intended to be an entire Sunday liturgy includes communion Go Tell It On the Mountain is also available as a downloadable product on the Church Publishing website *James Merrill* Langdon Hammer, 2015 A biography of the acclaimed poet James Merrill **Nebraska During the New Deal** Marilyn Irvin Holt, 2019-12 2020 Nebraska Book Award As a New Deal program the Federal Writers Project FWP aimed to put unemployed writers teachers and librarians to work The contributors were to collect information write essays conduct interviews and edit material with the goal of producing guidebooks in each of the then forty eight states and U S territories Project administrators hoped that these guides known as the American Guide Series would promote a national appreciation for America's history culture and diversity and preserve democracy at a time when militarism was on the rise and parts of the world were dominated by fascism Marilyn Irvin Holt focuses on the Nebraska project which was one of the most prolific branches of the national program Best remembered for its state guide and series of folklore and pioneer pamphlets the project also produced town guides published a volume on African Americans in Nebraska and created an ethnic study of Italians in Omaha In Nebraska during the New Deal Holt examines Nebraska's contribution to the project both in terms of its place within the national FWP as well as its operation in comparison to other state projects **Radio Scripts for Victory** Federal radio education committee, 1942 Black Activists Write Wheatley and Washington Lurana Donnels O'Malley, 2025-07-11 This book examines how early twentieth century Black theatre artists depicted national mythologies of the United States White authored pageants and plays written for the 1932 Bicentennial celebration of George Washington's
